DIXIE--WINNER MAKING 10 BARRELS

WILSON MAY AID CLARK IN DEMOCRATIC CONVENTION

San Francisco, June 23.—The uncertainty of the situation here has resulted in giving San Francisco a flock of rumors which completely overshadow the Chicago crop.

One of these current today is that the President has decided to pay a long-standing debt and throw the weight and administration support behind Champ Clark, "as a recompense for Baltimore in 1912. The former speaker heretofore had been considered an outsider in this race.

The rumor is given some credence by the presence here of Bennet E. Clark, the Missourian's son.

Another report current in the lobbies today was that both the McAdoo and Palmer candidacies would benefit by a White House declaration at the eleventh hour.

Waiting for Advice

It is, however, inconceivable to many of the delegates and politicians here that President Wilson, the acknowledged leader of the party, will allow nearly 1,000 uninstructed delegates to go into a free and open convention without some word as to how the White House stands.

Here again, it was pointed out today, the situation is similar to that existing in Chicago. Everybody is waiting nervously for word "from a sick man" who lays at the end of a private line many miles away from the scene of action.

Unless something is forthcoming from the White House which will change plans now in the making, it is certain that no less than fifteen names will be presented to the Democratic convention here next week as recipients for nomination honors.

Aside from the name of Woodrow Wilson himself, four names stand out preeminently today as the vanguard of the delegates began to arrive.

These are William G. McAdoo, A. Mitchell Palmer, Vice President Thomas R. Marshall and Governor James E. Cox of Ohio.

The continued silence from the White House on the question of a third term or any particular candidate, is creating a situation akin to that existing in Chicago right up until the Saturday upon which Senator Harding was nominated. The delegates and political mentors already here are uncertain which way to turn for guidance or a fight.

There is a distinct feeling among arrivals that the silence from the White House is soon to be broken—that the President will in a few days either nominate or eliminate himself, or else he will throw the tremendous weight of his support behind someone of the fifteen men in the striving.

No Orders Made Public

National Chairman Homer S. Cummings is in daily communication with the White House. He has instant access to Pennsylvania Avenue both by private telephone wire and telegraph. He has talked this week with Secretary Joseph P. Tumulty and with others of the President's immediate family.

The results of these conversations have been carefully withheld. If President Wilson has issued any orders they have not been relayed here to any one of his numerous lieutenants on the ground.

REPORT TO TEMPLE TELEGRAM SAYS TRACY WELL MAKING TEN BARRELS

The Temple Daily Telegram published in its issue of today under a Cameron date line a report from the Tracy oil field which declares that the Dixie-Winner Drilling Company well No. 1 spudded in several weeks ago, is producing ten barrels a day. The report says the well was put on pump Monday and produced eight barrels but increased its production Wednesday to ten barrels. News of this production has not reached Cameron.

The Herald publishes below the dispatch in full as it appears in the Telegram.

Cameron, Texas, June 23.—Word from the Tracy field states that the Dixie-Winner well No. 1, which was put on the pump Monday and delivered eight barrels the first day, increased its production yesterday to ten barrels. This is from an 8 inch hole. The Dixie-Winner's No. 2 well is now going down, 15 inches in diameter, and it is the belief of those familiar with this field that production from this size hole can be brought up to twelve or fifteen barrels per day. This company proposes to finish one of these wells each week with their present equipment, and later additional rigs will be set to work by them. They are now busy laying pipe lines, erecting storage tanks, and making preparations to take care of their production, which they expect to increase to several hundred barrels per day within a few months.

Tracy Well on Davis Tract In For First Production. Is Old Test on Pump.

Replying to a telegram sent this morning by The Cameron Herald regarding the published report in the Temple Daily Telegram that the Dixie-Winner Well No. 1 on the Davis tract in the Tracy field had made ten barrels production on its second pump test, E. K. Williams, owner of the Temple Telegram and president of the Dixie-Winner Drilling Company confirms the report and declares in a telegram to The Herald the well made ten barrels Tuesday.

In the telegram replying to The Herald Mr. Williams says the well is an old test and has been cleaned out and put on pump. The well, he says, was placed on pump Monday and made eight barrels and on the following day made ten barrels, having filled up over night.

This well is located on the 115 acre Davis tract for which the company recently paid \$11,500. The company has a new well going down three hundred feet from the old test which made ten barrels with fifteen inch tools.

This is the only production of any consequence yet obtained in Tracy and has caused excitement to become intense among oil men who are interested in the field.

The company is drilling a number of shallow wells and declares efforts are now being made to construct pipe lines and other facilities necessary for marketing the oil which the test placed on pump Monday indicates exists in sufficient quantity.

Following is the telegram from Mr. Williams:

Temple, Texas, June 24, '20.

Cameron Herald, Cameron, Texas.

"Old test well on our lease cleaned out and put on pump Monday, made eight barrels, filled up over night and pumped ten barrels next day. Three hundred feet from our new well now drilling with fifteen inch tools. E. K. WILLIAMS."

ANTI MOSQUITO CAMPAIGN NOW UNDER WAY; MAYOR HEARELL FOR CLEAN CITY

Shallow wells, cesspools, leaky pipes, Preliminary work in connection with Cameron's anti-mosquito campaign began Monday, when Inspector W. W. Culver, who has just returned from Navasota, where he made a study of the campaign there, started making a survey of the city.

Mr. Culver, in the next couple of weeks, will visit every home in Cameron, searching for mosquito breeding places and outlining the methods and procedure to be followed in the campaign.

Upon completion of this task which in itself will result in the elimination of a very large number of breeding places, regular control work will be begun. This will include drainage, the cleaning out of stopped-up ditches, oiling, the stocking of wells, underground cisterns and pools with fish and a rigid inspection of premises.

The plan of campaign contemplates that each resident shall keep his or her premises in sanitary condition, from an anti-mosquito standpoint. For the guidance of householders, the following suggestions are offered in this connection:

The principal mosquito breeding places about the average home are tubs and barrels of water, cisterns,

sinks and bathroom waste water, piles of old tin cans that hold water and stopped up roof gutters.

Tubs and barrels of water that it is desired to preserve may be covered with cloth and a hoop pressed down over the cloth or a string tied tightly around it. If this is not done they must be emptied liberally once a week with coal oil.

Metal cisterns should be covered in such a manner as to be mosquito proof or else oiled weekly. Underground cisterns may be stocked with top minnows.

Should wiggle-tails appear in shallow wells, a few top minnows should be put in the wells.

Cesspools should be tightly covered. If they are not, they must be oiled very liberally once a week.

Leaky pipes must be fixed. Sink and bathroom waste water that stands a week or longer must be oiled once a week.

Piles of old tin cans should be removed or buried. Cans from now on should have one or more holes punched in the bottoms before being thrown out.

Stopped up roof gutters, of course, should be cleaned out.

B. F. LOONEY DRAWS FIRST PLACE ON COUNTY BALLOT

SPEAKER THOMASON GETS SECOND AND SENATOR BAILEY LAST PLACE ON TICKET

Ben F. Looney, former attorney general and candidate for Governor, drew first place on the Milam County ballot for the Democratic Primary to be held on July 24, while the name of Robert E. Thomason of El Paso, speaker of the house of representatives appears second on the official ballot.

Pat M. Neff of Waco drew third place and Joseph W. Bailey drew fourth and last place.

W. A. Johnson of Hall county, lieutenant governor, and candidate for re-election drew third place on the ballot while I. W. Culp of Temple drew last place. The official ticket has been completed by Chairman W. W. Chambers, en in county politics as few of the Only a minimum interest is being taken in county politics as few of the candidates have opponents. A great deal of interest is being taken in the gubernatorial race with forces fairly well lined up for their respective candidates. Mr. Looney and Mr. Neff have spoken in the county but the other candidates have not spoken here. Efforts are being made at this time to secure a date for Speaker Thomason and friends of former Senator Bailey say he will speak here during the campaign.

Efforts are being made also in behalf of T. H. McGregor of Austin, the American Party candidate for governor. Mr. McGregor will speak here Saturday.

PAT M. NEFF SPEAKS IN THE INTEREST OF RACE FOR GOVERNOR

HUNDREDS HEAR WACO ATTORNEY DISCUSS CANDIDACY AND PUBLIC QUESTIONS

Pat M. Neff of Waco, candidate for Governor, made his first campaign address in Milam County Monday night when he spoke in Cameron to several hundred citizens, discussing at length the platform on which he is seeking election.

Mr. Neff was introduced by T. S. Henderson, Sr., Cameron attorney, as a man worthy the consideration of the people for the high office of Governor. In the audience were people from all over the county as well as from adjoining counties. Mr. Neff was frequently applauded by his friends in discussing the various phases of his platform.

Unlike other gubernatorial candidates Mr. Neff declares he has no campaign organization but is carrying his fight to the people and so far has spoken in a number of counties where no candidate for governor has ever spoken.

Discussing his platform in part Mr. Neff said he is in favor of better educational systems and better pay for teachers. He declared for a marketing system for agricultural products and for a road building campaign.

While Mr. Neff's printed platform and many subsequent speeches since entering actively upon his candidacy for governor declared for a graduated tax on excess land in Texas, he did not discuss this phase of the land plank, but was outspoken in his demand for a law which will force landowners holding large bodies of agricultural land to place it upon the market. Such a law, he said, should not apply to "land in cultivation or pasture lands." He urges that the state shall lend its credit to assist citizens in purchasing this land which is forced upon the market to be developed.

He declared for a revision of the tax system and transferring of some of the burdens from the farms to other properties. Mr. Neff declared he has always been for prohibition but that issue like the suffrage question is settled and need not be discussed.

Mr. Neff concluded his speech with a plea for the conservation of child life. He left the city Tuesday morning for Rockdale and from there went to Caldwell and Giddings.

The Cameron Concert Band gave a concert preceding the speaking.

THOMASON FRIENDS AFTER EARLY DATE FOR SPEAKER HERE

HAS BEEN ASKED TO SPEAK AT THORNDALE AT BIG CELEBRATION THERE

An early speaking date for Robert E. Thomason of El Paso, speaker of the house of representatives and candidate for governor, in Cameron is being arranged as speedily as possible by the Thomason Campaign Committee of which Giles L. Averett is Chairman.

Some of his friends went to Temple to hear his speech Tuesday night.

NEW PICTURE THEATER TO COST \$15,000 IN CAMERON

A new moving picture theater to be thoroughly modern in every detail and to cost approximately \$15,000 is to be constructed in Cameron by Sam Hefley, owner and manager of the Wonderland Theater.

Announcement of the project is made today by Mr. Hefley following the closing of a lease on the building adjoining the Palace of Sweets and occupied by Avera's Drug Store. Mr. Hefley will continue to operate the Wonderland Theater after the completion of the new theater, thus giving Cameron two theaters and better seating accommodations for the movie fans.

The plan of the new theater will be modern in every detail and will be planned by theater architects. The

building will be remodeled and the second story will be turned into a gallery with a seating capacity of several hundred. A stairway will lead to the upper floor from the lobby entrance which will be fitted out with a modern booth and tile floor.

Mr. Hefley announces he will show the best pictures that can be obtained, thus improving the movie service in Cameron. The new theater will meet a very pronounced demand in Cameron for a more modern amusement place and the announcement will be welcomed by the public.

It is not decided when construction will begin on the new theater but it is thought that the new place will be in operation by early fall and by winter.

BAPTISTS SETTING THINGS IN ORDER FOR BIG REVIVAL

EVANGELIST EVANS OF FORT WORTH TO PREACH IN MEETING SUNDAY, JULY 4

Committees in charge of preparation for the coming revival meeting at the Baptist church have been very active for the past week looking after the details of the work. The pastor, Rev. B. B. Blaylock, has returned from Llano, where he conducted a meeting and is assisting in setting things in order for the big religious campaign.

Evangelist Perry F. Evans of Fort Worth will assist the pastor, Rev. B. B. Blaylock, in conducting the revival.

Singing Evangelists Mr. and Mrs. I. E. Reynolds of the Baptist Seminary will have charge of the music and singing during the revival as special assistants to the Evangelist.

The church will seek to make the revival of country wide interest as all adjoining towns and communities will be asked to attend and participate in the meeting. It will be a great constructive Christian effort pitched along the lines of permanent good that in the end Cameron will be a better town, its moral and spiritual atmosphere made better.

The influence of the revival as pointed out by the pastor, Rev. Mr. Blaylock, will be extended to every nook and cranny of the Cameron territory that the people may see that Cameron is not only their logical and most beneficial commercial center but vital to them in a religious way, offering Christian advantages that are commensurate in their service and necessity with the city as a commercial point. In this declaration is seen a very broad and construction evangelistic policy to be pursued in the coming revival.

The meeting will be held on the lawn of the church with seating accommodations to meet the demand of the large crowds attending from the city as well as the neighboring towns and rural districts.

The first service of the big revival will be held Sunday morning, July 4. The Evangelist Perry F. Evans, is

TRADE ADVANTAGES IN ARMY APPEAL TO MEN SAYS OFFICER

CAPT. E. P. DUVAL OF HOUSTON INSPECTS POST IN CAMERON THURSDAY

Captain E. P. Duval, assistant recruiting officer, Houston District, visited Cameron Thursday on a recruiting inspection. Captain Duval says that the army is filling up so rapidly that he doesn't know just how much longer the need of recruiting will last; and adds that while the greater number of young men are jumping at the various trades and educational work the army now offers, thinks, the "golden opportunity" lies with the recent high school graduate or the young man who has had the equivalent amount of work at college. He says this class of young men has the opportunity of enlisting in the army and after one year's service, during which time they have all the favors granted to the rest, including passes up to one month's furlough; they can enter the U. S. military academy at West Point, N. Y., on their school certificate, a privilege which many young men in civil life crave but which they can't get except through congressional political influence and much expense in preparation. Captain Duval adds that the military academy is the realization of many a young man's ambition in the East, with its wonderful educational advantages and foremost athletic teams and he wishes that more high school graduates who are also star athletes could realize what a great chance they have to display their ability as students and athletes.

Mr. and Mrs. Dick Clark and children with Mr. Clark's mother and their guests, the Misses Johnston of Caldwell, motored to Rockdale Tuesday to see the ball game between the Fats and the Leans.

one of the leading evangelists of his day, a striking and intensive personality and his sermons will be in the nature of a thorough indictment of the sins of the age.

Marvin Pugh of Ben Arnold, was in Cameron Monday.

PUBLIC SPEAKING

Hon. T. H. McGregor of Austin, Texas, will address the voters of Cameron and the surrounding country from the Court House Lawn at 26, 1920, on behalf of the platform of the American Party and his candidacy for Governor.

Senator McGregor is one of the ablest and most entertaining speakers in Texas and regardless of your political affiliations it will be well worth your while to hear an able statesman discuss the live issues of the day.

Saturday, June 26, 1920 at 3 P. M. on the Court House Lawn at Cameron, Texas. 7-2t

PRIZE WINNING LETTER TRADE AT HOME

A Subscriber

Everything our home town is and everything you hope to make it depends upon the co-operation of loyal citizens.

Trading with our home merchants affords us so many opportunities and advantages which they cause to exist.

The circulation of our money is kept within the bounds of our own community and by that means we make it possible for business to continually improve.

So much depends upon the farmer, if he sells his produce to distant cities and buys his merchandise from out of town houses, he could never expect his home town to flourish.

We walk into a big department store, lighted up, elaborate displays

on fine fixtures, but just think of the expense. There is so much extra service that is wholly unnecessary. We surely realize that this extra expense must be made up for in some way, the only way it is reached is by higher priced articles.

In ordering through the mail order catalogues, the merchandise received is never what we expected it to be, but rather than go to the trouble of sending it back and getting our money, we just keep it and are dissatisfied because we have been so unfair to our merchant.

The trade at home movement means so much to our town, so let's all give it more consideration and watch our town grow.

MISS INEZ TYSON ENTERTAINS

In honor of her two guests, Miss Myrtle Tyson of Maysfield and Louise Holloman of Calvert, Miss Inez gave a delightful picnic last Friday evening at Holtzclaw's bridge.

Mrs. Bill Bonds chaperoned. The girls furnished a delightful lunch and the boys carried fruits.

Those in the party were: Misses Myrtle Tyson, Louise Holloman, Louise Adams, Bess Wiley, Mary and Jennie Tyson and Messrs. White Hubert, Coran Yates and D. Harrison.

MISSIONARY PARTY

Mrs. W. O. Triggs entertained her missionary society last Tuesday afternoon.

There were fifteen present to enjoy this charming hospitality.

The ever popular spelling match of Bible names and places was used.

At the close Mrs. Triggs served cream and cake.

S. S. PICNIC

Last Tuesday afternoon eighteen little folks were made happy by their teacher, Mrs. Frank Lesovsky, inviting them to the City park for the afternoon. She was assisted in entertaining them by Miss Agnes Dusek. Delightful stories were told and numerous games played and at the close just all the caramel ice cream and chocolate cookies they could eat was served. The little folks will long remember the day and look for its coming again.

SLUMBER PARTY

Last Thursday night Mrs. Louise Adams was hostess to ten girls in honor of her guests, Miss Minnie Thomas of Devine. After the girls arrived they formed into a box party and, chaperoned by Mrs. P. O. Adams, they went to the Wonderland Theatre. After the show they went for a long drive and on their return were served to delicious ice cream and cake. The Adams family slept very little, but the girls had a glorious time. Those constituting the party were, Misses Minnie Thomas, Mamie Lee Tabor, Louise Adams, Agnes Henderson, Maurine Messimer, Velda Walker, Francis Hefley, Louise Denson, Bessie Wylie and Dulce McCall.

Miss Henriem Hefley's Party

Mrs. Henry Hefley invited about one hundred and four little boys and girls to come and play with Henriem last Friday.

Ninety-six little tots gathered on this beautiful lawn on Hefley Heights and assisted by Mrs. Don Tyson and Misses Elizabeth Adams, Harriett Flinn, Maurine Clinton Sallie Kate and Mary McLane it is needless to say that a most delightful party was given and all the children made happy. Numerous games were played, and stories told by Miss Sallie Kate McLane while the children ate candy and pop corn.

At the close of the evening ice cream cones were served. Although it was not a birthday party quite a few of the children carried presents, handkerchiefs, etc.

PICNIC, BOX, SLUMBER AND SWIMMING PARTY

Miss Elsie Rogers gave a progressive party beginning last Friday afternoon and terminating Saturday

morning at 10 o'clock.

Nineteen couples participated with Mrs. William Rogers and J. W. Joynes chaperoning. At five o'clock a big truck and two cars took the party to Holtzclaw's bridge for a chicken supper.

When they came back they drove around to show the visiting boys and girls our little city before returning to Mrs. Rogers to prepare for the box party.

Eighty-three found the party seated at Wonderland Theater enjoying the delights of the movie. And it was a pretty picture when they were seated at the Palace of Sweets for a treat. Returning to Mrs. Rogers, music on the Edison and an informal reception held.

Repeated efforts on the part of the girls finally got the boys off at a late hour and it was then that the real fun began.

A slumber party, which is anything but to "slumber" began right. At midnight the neighbors were aroused by beautiful (?) music on combs, songs and laughter.

A midnight luncheon of chicken salad and pimento sandwiches and ice cold peaches was enjoyed.

Dares were made and taken to stay awake all night and seven out of thirteen stayed up played pranks all night on the sleepers.

A five o'clock early morning drive waked all up to enjoy a seven-thirty breakfast.

All who were not wide awake by then sure waked up when they plunged into the cold water of the "Nat" at eight-thirty.

Ten o'clock found the girls at their respective homes to "slumber" the rest of the day.

It was indeed a wonderful party and will be remembered throughout life by all who attended.

BIRTHDAY PARTY

At the country home of Mr. and Mrs. B. O. McClaren, little Miss Sue celebrated her eleventh birthday last Friday.

Twenty-five boys and girls from Cameron went out and had a most delightful time playing games and in a contest guessing the number of beans in a bottle John McDermott, won a box of candy.

Cake and cream were served on the lawn.

Five of the little girls remained for the night: Misses Iva and Ima Wilson, Mazel Bigby, Nita and Charlotte Pardo.

EPWORTH LEAGUE CAMP

The Epworth League camp was postponed until next week on account of a rise of the river.

Mr. and Mrs. P. O. Adams and Mr. and Mrs. Bill Alex Bonds are to be the chaperones.

CAM-HI ANNUAL

The Cam-Hi Annual of the Class of 1920 is one of which the class may justly be proud. It is gotten up on splendid paper, with clear cut pictures and green and gold covers the class colors.

It is dedicated this time to the President of the Board, Dr. A. S. Epperson in appreciation of his untiring energy and efforts in supplying the best possible for Cameron High School.

Our merchants advertised very liberally in it and if you haven't one, get

one and you can spend an hour very pleasantly reading it.

MISS SUDIE HAMILTON IS HONORED

Despite the storm Tuesday night about forty young people gathered at the home of Mr. and Mrs. J. W. Coleman where Miss Sallie was hostess in honor of her cousin, Miss Ludie Hamilton.

The party was to have been a moonlight party on the lawn, but when the storm came the doors were thrown open and the young people had a delightful time playing progressive conversation.

Delicious punch was served through out the evening and at the close brick cream and cake.

Out of town guests were: Misses Sudie Hamilton of Sinton, Edna Moody of Minerva, Winnie Thomas of Devine, Messrs. James Crutcher, Nashville, Tenn., Bill Ulha, H. C. Connelly, and Charles Smith of Rosebud.

STEVENS-MULLEN

The wedding of Miss Elinor Stevens, the younger daughter of Mr. and Mrs. Porter Stevens, of this city, to Mr. W. P. Mullen of Taft, Texas, was

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

solemnized at the Presbyterian church Wednesday afternoon at 5 o'clock, Rev. MacFadyen of Cameron, officiating.

The bridegroom was accompanied by his brother, Mr. Lee Mullen as best man while Miss Lottie Banzhaf was bridesmaid and accompanied the bride to the altar. Mrs. Ray Mullen played Lohengrin's wedding march as the bridal party entered the church and marched to the altar, where Rev. MacFadyen pronounced the ring ceremony. Just previous to the entrance of the bride party Mrs. W. A. Coffield sang "Because."

The church was beautifully decorated in ferns and pink roses, the color scheme being white and pink, large bows of white tulle being effectively used. Messrs. R. C. Allen and W. C. Marrs acted as ushers.

Immediately after the ceremony the

happy couple departed on the Sunshine Special for San Antonio, where they will spend a few days before going to their home at Taft, where the groom is a prominent young business man.

The bride is one of Rockdale's most charming daughters, with a host of friends who will join The Reporter in expressions of good will, and in assuring Mr. Mullen that he has indeed won a prize.

Out of town guests for the wedding included the following:

Mr. and Mrs. Roy Mullen of Taft, Mr. Lee Mullen of Gregory, Mrs. Ada Sanders and daughters, Misses Gena and Sue of Cameron, Mr. and Mrs. Ben McClellan of Minerva, Mr. and Mrs. John Pickens and family of Hamilton Chapel, Mr. and Mrs. Coleman and family of Cameron, Miss Ada

Stevens of Dallas, Mrs. Clyde Franklin of Cameron.—Rockdale Reporter.

BIRTHDAY PARTY

Little Master Rayburn Mode celebrated his sixth birthday Tuesday afternoon by making twenty or more little folks happy out on Hefley Heights.

It was a party, of course, the kind all the children delight in especially the little fellow to receive the presents.

Games in the yard first, followed by cutting the cake and eating it with ice cream. Early watermelon also was served.

JEFFERSON B. WHITE, Local Mgr.

KICKING ON SIZE

Just what is behind the mystic
craze of most cities of this country
for numbers? When the census bu-
reau publishes the population of little
towns you hear a roar from the
throats of all the inhabitants. Citizen
after citizen rises to proclaim the
fact that they were not counted.
Committees spring into being, news-
paper articles fly fast, the government
promises co-operation in a recount if
inaccuracies are shown, and the af-
fair settles down.

When the population of a big town
is given out the same uprising of the
denizens occur, the same thunders
descend upon the luckless bureau, and
the same evolutions of the city pro-
tests take place, only in larger tone
than they enjoyed in the smaller places.
Every living citizen of every
living town, and we suppose, some of
the dead in many of the dead towns
gnash their teeth in anger when the
population of either burg is given out.
Now what is it that makes Americans
rampant for numbers?

There is no merit in size. The pre-
historic dinosaur will admit the point.
Its huge bulk rendered it a prey for
the faster, smaller animals. Merely
because a certain town has 10,000 pop-
ulation and another place has only
7,000 does not indicate the relative
fitness of the towns as places for resi-
dence. Yet the average American
thinks he is better off through the
fact of living in a large place. How
foolish!

Think of the thousands of good peo-
ple who are leaving the country for
the towns. Of course, some of them
are leaving for better schools, but the
country schools are getting better every
year. Others seek more conveni-
ences, but the country is getting more
like the city every day. Most of
them are leaving merely to get into a
great mass of humanity, a swirling
procession of nondescript folk. It is
a funny phenomena that we cannot
understand.

MONEY AND THE PRESIDENCY

The use of large sums of money in
the Presidential contest is not to be
encouraged. Both of the leading po-
litical parties plan to spend millions
of dollars this year. In fact, some of
the candidates for the nomination of
their parties spent sums ranging from
many thousands to nearly a million
and a half. Without meaning to im-
pute wrong to any candidate, or to
any party, and merely with a view to
attract attention to a common error,
we ask the question, what legitimate
use can a campaign committee have
for three or four million dollars?

That such an expenditure is absurd
is apparent to any of us who are not
hired speakers, or paid workers. Those
who get the boodle that the rank and
file of the two parties put up are well
paid for mediocre work. Naturally,
they endorse the idea. We do not
think that the use of this much money
is conducive to clean politics, and
for that reason we believe that some
law should be passed limiting the ex-
penditure that may be made by parties
and individuals. The use of much
money in politics is always a gateway
to corruption.

FOR BETTER HEALTH

The action of Mayor U. S. Hearrell
and the Honorable City Council in
passing new laws to improve sanitation
and the launching of a campaign
for the extermination of the mosquito
in Cameron, stands out as the most
beneficial official act in recent years
looking to the safeguarding of the public
health and placing the city in the
front rank of progress.

This week experts in the employ
of the State Board of Health are cam-
paigning in Cameron against the mos-
quito and thus inaugurating the health
campaign so wisely sponsored by the
city council and so liberally supported
and approved by the citizenship of
Cameron. There will be a noticeable
improvement in the public health when
this campaign has been completed as
has been shown in similar campaigns
in other Texas cities and the net re-
sults in improved public health.

The new sanitary regulations will
go into effect early in July prescrib-
ing certain standards to be adhered
to in disposing of garbage and waste.
In this attractive piece of city legisla-
tion the dread typhoid germ will have
been controlled if not exterminated
altogether.

Now that this new legislation is
about to become effective it is the du-
ty of every right thinking citizen to co-
operate with the officials in deriving
the maximum of benefits. Cameron
will be a cleaner and better town and
its citizenship will have the proper
health safeguards.

The weakness of Edward's candi-
dacy for the Democratic nomination,
says the New York World, is that
most of his supporters are now resi-
dents of Cuba.

THE BETTER PART

By VICTOR REDCLIFFE.

"So you and Cora have decided to
embark upon the sea of matrimony,
Brill?"

"I am happy and fortunate in saying
'yes.'"

"Cora is a fine girl," declared Myron
Blair. "I'd ought to know, for she is
my sister-in-law. She will make you
a good wife, only—one piece of advice,
cut out the mother-in-law."

"I hardly understand you," spoke
Wallace Brill, with manifest resent-
ment.

"You will when you get farther
along in your experience. See here,
as relatives prospective by courtesy, I
can be plain with you. If one principle
was instilled into my nature by
prejudice and observation it was the
mother-in-law problem. When I married
Bella Mayne I made up my mind to
run no risks of having a fussy, med-
dlesome old lady on my hands. Of
course I said nothing to Bella. Of
course I treated Mrs. Mayne with all
due respect. Firmly, persistently,
though, I adopted a policy of proceed-
ure that set up the bars against any
mother-in-law invasion. I settled down
in a house at the farther end of the
village on purpose, so Mrs. Mayne
wouldn't find it convenient to run in
on us every day. When the two chil-
dren came along I saw to it that they
didn't come under her rule and influ-
ence in any way. No, sir! I tell you,
Brill, the man who wants a well-or-
dered household must keep the mother-
in-law at a distance. Hello! There's
a man I want to see on business," and
the voluble speaker darted off.

Wallace was glad. In another mo-
ment he would have been unable to
control his indignation. To him the
mother of his bride expectant was al-
most a part of herself, and a person
for whom he felt a dutiful and respect-
ful consideration. Then, again, Wal-
lace knew something of "the system"
of Myron Blair and its results. It had
not worked, except for the selfish ben-
efit of shallow, self-opinionated Blair.
As Wallace was well aware it had
brought misery and unhappiness to
others—victims who made no com-
plaint, but silently experienced their
wretchedness because they were of a
noble, self-sacrificing nature. When
Blair installed the daughter in a home
two miles away, Mrs. Mayne experi-
enced a loneliness that might have been
easily avoided. When Blair jealously
restricted the children to only occa-
sional formal visits to their grand-
mother, it almost broke her heart. The
absence of her mother at critical junct-
ures in her life meant suffering and
a broken constitution for Bella, and
the boastful, insensate Blair fancied
that as a model disciplinarian he was
a decided success.

Wallace Brill had not known a
mother's care from early childhood.
When he began to pay attention to
Cora Mayne it seemed as though her
mother came to fill a precious place in
his life.

Very careful was Mrs. Mayne to
refrain from intruding her per-
sonality or her views upon this
new prospective son-in-law, but she
bestowed many a grateful look upon
him and her old, wearied heart warmed
toward him, as he clearly
showed that he not only desired, but
cherished her interest and counsel in
the problems that confronted Cora and
himself on the threshold of their mat-
rimonial venture.

Wallace was doing well in a busi-
ness way. He had been thrifty and
had accumulated sufficient to enable
him to start out in life with a home
of his own. When he first spoke to
Cora of this it was in the presence of
her mother.

"Well, I settled about a lot today,"
he announced in his brisk, pleasant
way. "I say, mother, there's one dis-
appointment. I have tried to get as
near as possible to the old homestead
here, but the only vacant lot that fitted
to my money requirements was two
squares down the street."

"That—that is not far, is it, Wal-
lace?" spoke the old lady. Her tones
were tremulous.

"If you will put on your spectacles,
mother," went on Wallace, "we'll all
draw up to the table and look over
some plans for a new house I got from
the architect today. 'There,' as he
settled her in the most comfortable
chair and directly at his side, "with
such counsellors as you precious two,
I'll warrant we'll have a regular little
palace."

With his pencil Wallace went over
the plans—parlor, dining room, kitchen,
bedrooms, closets, and then he in-
dicated a special apartment.

"I'm throwing myself on that room,"
emphasized Wallace with a token of
rare pride in his tones. "Sunlight on
three sides, ventilation perfect, con-
venient to all the other rooms in the
house. What do you think of it,
mother?"

"Your den, I suppose?" said Mrs.
Mayne.

"Oh, no," replied Wallace promptly.
"That's your room, mother."

"My room!" faltered the old lady, all
a tremble.

"All your own, and no one else's,"
declared Wallace. "How do you like
it?"

Mrs. Mayne fixed her faded eyes
upon the speaker with a devotion and
gratitude that thrilled him mightily.
Then upon his shoulder sank her sil-
vered head. And then, her arm about
him, joining in the grateful sobbing of
that dear old soul, Clara Mayne
clasped both in her arms and Wal-
lace Brill felt that life was indeed
sweet.

FARMER'S INCOME SUBJECT TO TAX

Gains for 1919 Must Be Figured
Under U. S. Law—Returns
Due March 15.

LAND SALE PROFITS TAXABLE.

Necessary Farm Expenses May Be
Deducted—Special Form for Farm
Income—Cash or Accrual
Basis for Computing.

A farmer, shopkeeper, or tradesman
must figure up his net income for 1919;
and if the farm or business income
plus his other income was sufficient to
require an income tax return a com-
plete return must be filed with the col-
lector of internal revenue by March 15.

A farmer should ascertain the gross
income of his farm by computing all
gains derived from the sale or ex-
change of his products, whether pro-
duced on the farm or purchased and
resold.

Farm Expenses.

From his gross income a farmer is
allowed to charge off all of his neces-
sary expenses in the conduct of the
farm during the year. These include
costs of planting, cultivating, harvest-
ing and marketing. In addition to
these costs he may deduct money spent
for ordinary farm tools of short life
bought during the year, such as show-
els, rakes, etc. Also, the cost of feed
purchased for his live stock may be
treated as an expense in so far as this
cost represents actual outlay, but the
value of his own products fed to ani-
mals is not a deductible item.

Other farm expenses allowable are
the cost of minor repairs on buildings
(but not the dwelling house), on fences,
wagons and farm machinery; also bills
paid for horseshoeing, stock powders,
rock salt, services of veterinary, insur-
ance (except on dwelling house), gaso-
line for operating power and sundry
other expenses which were paid for in
cash.

As to hired help, all the productive
labor is a deductible expense; but the
wages of household servants, or help
hired to improve the farm, as in tree
planting, ditching, etc., cannot be
claimed against earnings. A farmer is
not allowed to claim a salary for him-
self or members of his family who
work on the farm.

Wear and Tear.

Purchase of farm machinery, wag-
ons, work animals, etc., also the cost
of construction or extension of build-
ings, silos, fencing, etc., should be con-
sidered additional investments in the
farm and are not proper deductions
against income.

A reasonable allowance may be
claimed for wear and tear on farm
buildings (except the farmhouse),
fences, machinery, work animals, wag-
ons, tanks, windmills and other farm
equipment which is used in the con-
duct of the farm.

As to autos and tractors, the cost of
these is not an expense, although the
cost of their upkeep is an allowable
deduction, if the machines are used ex-
clusively for farm purposes and not
for pleasure. Also, in such cases, a de-
duction for wear and tear is allowed.

Farm Losses.

The loss of a growing crop is not a
proper deduction from income, inas-
much as the value of the crop had not
been taken into gross income. The loss
of a building or of machinery
through storm, lightning, flood, etc., is
an allowable deduction, but care should
be used to ascertain the correct loss
sustained, as restricted by income tax
regulations.

No deduction is allowed in the case
of loss of animals raised on the farm,
but a loss is deductible from gross in-
come if the animals had been pur-
chased for draft or breeding purposes.

Shrinkage in weight or value of farm
products held for favorable market
prices cannot be deducted as a loss, for
the reason that when such products
are sold the shrinkage will be reflected
in the selling price.

Sale of Farms and Land.

The value of agricultural lands has
been jumping during the past few
years, and during 1919 many owners
sold out part or all of their lands at
big profits. All such gains constitute
income and must be taken into the net
income for the year.

Any person who sold part of a farm
or ranch, or part of a parcel of land,
must also show any gains realized by
the sale.

The method of figuring gains and
losses on such transactions is pre-
scribed in the Income Tax regulations,
copies of which may be secured from
Internal Revenue Collectors.

Forms for Returns.

The Internal Revenue Bureau has
issued an improved Form 1040F for
the use of farmers. This form, to-
gether with Form 1040A or 1040, will
give the farmer explicit information
as to how to properly figure his net
income for 1919.

There are two methods of figuring a
farmer's income tax return this year.
He may make his return on the basis
of the difference between the money
and goods received for his products
and the cash paid out for actual allow-
able farm expenses within the year.
Or he may make his return on the ac-
crual basis, which means computing
the receipts and expenses that pertain
to the taxable year, excluding income
earned and expenses incurred in pre-
vious or succeeding years.

ACCEPTS POSITION WITH ROBERT McLANE COMPANY

Trent Newton, well known young
business man of Rockdale, has accept-
ed the position of city salesman for
the Robert McLane Company in Cam-
eron.

Mr. Newton has taken up his du-
ties with the wholesale firm having
arrived in the city Monday. He was
formerly with Scarborough & Hicks
at Rockdale and is well known in
Cameron. He went to Rockdale from
Bryan.

PURCHASE TIRE STORE

August Horstmann and brother, R.
B. Horstmann, have purchased the
tire store formerly operated by Frank
S. Lesovsky and have taken charge
and begun its operation.

Mr. Lesovsky will turn his attention
to real estate and loans, a business he
has been engaged in for a number of
years.

The Horstmann brothers are to
continue the Firestone tire agency as
well as the Racine in cord and fabric
tires and tubes. They will operate
the repair business in the former ef-
ficient manner. The business will be
in charge of O. B. Horstmann, expert
in vulcanizing and tire repairing.

August Horstmann is now with the
Joe J. Michalka auto house and will
continue there indefinitely.

These young men have many friends
here who will be glad to learn of their
business venture.

The trouble with the overall move-
ment was that the people who put
them on forgot to work.

Vice-President Marshall says what
this country needs is a good five-cent
cigar.

HALF YOUR LIVING WITHOUT MONEY COST

Continued Southern Farm Prosperity
Dependent on Cutting Produc-
tion Cost Through Food
Making and Saving

Atlanta, Ga.—(Special).—"Tens of
thousands of farmers in the South
will face the problem of making cot-
ton under heavy weevil infestation
for the first time in 1920. Their suc-
cess or failure under these new con-
ditions will be absolutely dependent
on the degree that there is food, grain
and forage produced on their farms
this year," said H. G. Hastings, presi-
dent of both the Georgia Chamber of
Commerce and the Southeastern Fair.

"A few weeks ago the newspapers
carried the report that an Alabama
county was preparing to erect a
monument to the boll weevil, because
of the good the weevil had done them
in forcing them out of the 'all-cotton'
poverty-producing rut, into the pros-
perity that always follows a diversity
of crops and the production on home
acres of every pound possible of food,
grain and forage supplies needed by
the family and live stock.

"Our good people here in the South
have never, until very recently, taken
the home or family vegetable garden
seriously as a source of food supply.
It has been looked on strictly as a
side issue, something of little impor-
tance, something to be attended to the
last thing on the place. The home
garden, rightly handled, can be made
to produce half the food needed by
the family and practically without
money cost.

"The average 'lick and promise' sort
of a garden has little value. To be
of real value the garden must be plan-
ned for, really prepared for, planted
right and kept cultivated through the
season, and cultivated whenever need-
ed. That kind of a garden will keep
its owner's table well supplied with
an abundance of healthful food seven
or eight months in the year, as well
as furnishing an abundance of canned
and dried vegetables for winter use.
"Every mess of vegetables direct
from garden to table, every can or jar
of home-canned vegetables from closet
shelves, makes a hole in that store
bill that is always a terror when 'set-
tling' time comes.

"Good home gardens have been real
life savers to thousands of southern
farmers who have gone 'flat broke'
trying to meet store bills. A good
garden will cut the store bill until its
size is negligible. Give the garden a
fair chance and a square deal in 1920
and the result will be agreeably sur-
prising."

CORINNE GRIFFITH

It was particularly appropriate that
Albert E. Smith, president of Vita-
graph, should have selected Corinne
Griffith for the leading role of Clyde
Fitch's "The Climbers," for she has
been steadily climbing ever since she
left her home in the south to become
a film player. Now she has reached
the top rung of film success. In addi-
tion to her imposing personal appear-
ance and histrionic talent, Miss Griffith
has the happy faculty of wearing beau-
tiful and unusual gowns with grace
and has had a splendid athletic train-
ing. Some of her most recent fea-
tures have been "A Girl at Bay," "The
Tower of Jewels," "Human Collateral"
and "Deadline at Eleven."

K. P. MEN VISIT TEMPLE

Fred Henry, keeper of the record
and seals for the Cameron Knights
of Pythias Lodge, Elbert Hood, Wal-
ter Thomas and J. F. Woody, all of
Cameron and K. P. members were in
Temple Wednesday night to attend
the meeting of the Dramatic Order of
Knights of Khorizan. Mr. Wody
was given the degree. The party re-
turned this morning.

Mr. Henry hopes to obtain other
members for the D. O. K. K. in Cam-
eron.

Mrs. Beulah Lawie of Austin and
District Department of the Eastern
Star Chapter made an official visit
to the Chapter here and met the la-
dies Wednesday night.

Piles Cured in 5 to 14 Days
Druggists refund money if PAZO OINTMENT fails to cure Itching, Blind, Bleeding or Protruding Piles. Instantly relieves Itching Piles, and you can get restful sleep after the first application. Price 60c.

WATER WORKS MAN GIVES OUT FACTS

"I have been trying for years to get something that would relieve me of my troubles and have found it at last in Tanlac," said Alfred Jolly, of 3291 Quitman street, Denver, Colo., and an employee of the water works department of that city.

"For a long time," he continued, "my stomach was in such an awful fix that I could eat hardly a thing without being in misery afterwards. Even the lightest foods would bloat me up with gas and I was constantly belching up sour, undigested food that at times would almost choke me, and often I would get so dizzy and light headed that I would almost fall down, and I would get so nervous that it was almost impossible for me to rest at night. I suffered agony wretched condition that I was hardly fit for a thing."

"After trying nearly everything I could hear of I took Tanlac, and it sure hit the spot and has made a different man of me. My appetite is splendid, my nerves steady, I sleep like a log at night, have gained eight pounds and am in better shape than I have been in years."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store."

AMERICAN PARTY CANDIDATE TO SPEAK HERE SATURDAY

T. H. McGregor of Austin, American Party candidate for Governor of Texas, will speak in Cameron Saturday afternoon at 3 o'clock.

The speaking date has been arranged here by friends and supporters of the new party candidate. Mr. McGregor is a good speaker and will discuss at length the principles of his platform and party.

Mr. McGregor served in the Texas senate and has been otherwise identified with the government of the state.

SAGE TEA TURNS GRAY HAIR DARK

Its Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's Sage Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

Mr. and Mrs. Frank Marek and family left in their car Tuesday for an overland camping trip to Victoria, Galveston and other points.

TWICE PROVEN.

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Cameron evidence—doubly proven.

M. W. Mitchell retired farmer 503 E. 15th st., Cameron, says: "Doan's Kidney Pills have been of benefit to me and I do not hesitate to endorse them. Several years ago my kidneys were out of order and had a weakness across my back and loins. The kidney secretions annoyed me by their irregular passage, at times being too free and again scanty. Very often the kidney secretions contained a brick dust like sediment. A friend recommended Doan's Kidney Pills and I used them as directed. Doan's soon regulated my kidneys and relieved me of all symptoms of kidney complaint." (Statement given June 28, 1915.)

On July 2, 1919, Mr. Mitchell added: I am just as kindly towards Doan's Kidney Pills now as when I endorsed them in 1915. Doan's are my standard remedy for any kidney complaint." 60c at all dealers. Foster-Millburn Co., Mfrs. Buffalo, N. Y.

Mr. Henry Peevehouse of Austin, visited in our city Sunday.

Mr. Jean Longmoor of Rosebud, was in Cameron Monday night for the Pat Neff speaking.

666 has more imitations than any other Chill and Fever Tonic on the market but no one wants imitations. They are dangerous things in the medicine line.

Mr. William Schiller of Buckholts, was in Cameron on business Monday.

Miss Ollie Averitt has returned to her home at Pleasant Hill after visiting relatives here.

The office of Dr. M. C. Sapp will be located in the Schiller Drug Store during the erection of the new First National Bank Building. Dr. Sapp will occupy modern suites of rooms in the new building when it is completed.

Emanuel Werner had the misfortune last Friday to get his thumb cut and mashed. He is suffering very much with it.

Miss Jessie Nell Luckey of Thorn-dale is in our city visiting Mrs. Alex Beesley.

Rub-My-Tism is a great pain killer. It relieves pain and soreness caused by Rheumatism, Neuralgia, Sprains, etc.

Ford

THE UNIVERSAL CAR

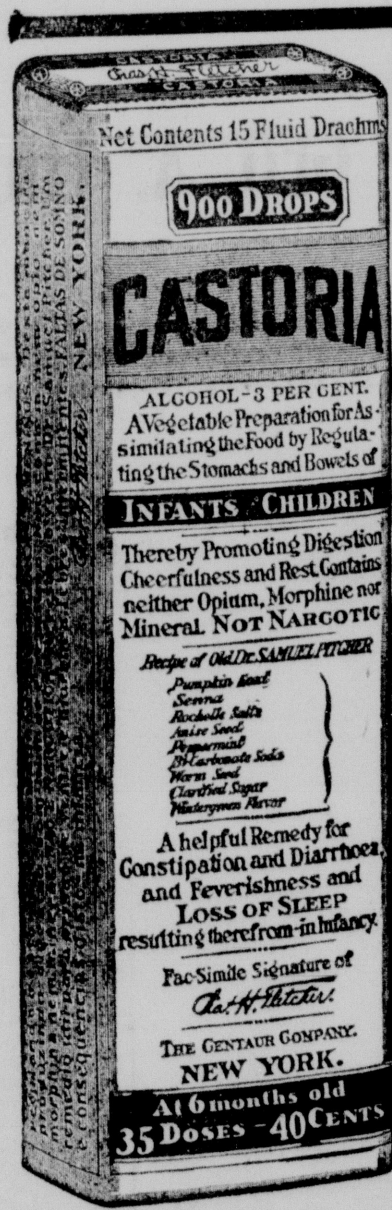

Every Ford Owner Should Know

Just what Ford Service is, and why it is different from ordinary garage service, and why it is more profitable to patronize the Authorized Ford Dealer.—The Ford Dealer is a part of the Ford Family. He carries a large stock of genuine Ford parts for repairs and replacements so you don't have to wait while he sends for them, and he uses only genuine parts because he knows the imitation parts aren't dependable and don't wear.

He has a thoroughly equipped up-to-the-minute garage with tools that enable his Ford Mechanics to efficiently and properly make any repair—from a minor adjustment to a complete overhaul. And when the work is finished, his bill represents the reasonable, standard Ford prices.

Now, we are Authorized Ford Dealers—a part of that great Ford Service organization which was formed chiefly to put within each community a dealer who would have more than a passing interest in Ford repairs and adjustments. We are prepared and equipped to render prompt, careful Ford service. Drive in or phone and we'll come after your car.

'MORE BUSINESS AND LESS POLITICS' SAYS R. E. THOMASON

Temple, Texas, June 22.—Pledging himself to a sane, businesslike and constructive administration of Texas affairs, now that the ghosts of anti-prohibition have been laid and the cause of woman suffrage won, Hon. R. E. Thomason of El Paso, candidate for governor of Texas, addressed an assembly at the Temple Theatre last night of 300 persons, gathered despite the storm which arose with the first notes of the band concert opening the occasion.

After expressing a hope that the present campaign be fought without petty personal bickerings and mud-slinging, Thomason declared that he had based his own part of it on the highest plane possible to him. "I am trying to map out a problem of big things, which will lead to the prosperity of our Texas people. I am one of those who believe that this is the greatest day in the history of the world; I believe in the old principles of democracy, but I favor them with application to a new day."

More Business; Less Politics
His slogan, he said, had been adopted. It is: "More business and Less Politics." Service he added, should become a synonym for governor.

Prohibition and woman suffrage Thomason classed as dead issues. "It is time now," he declared with emphasis, "for all Texas to join forces and engage in a movement for constructive development of our vast resources. I am anxious to see our people get together. There are problems that must be solved; and we must attack them in co-operation and harmony."

Introduced by Dr. Scott
The speaker was introduced by Dr. A. C. Scott of Temple, who was in turn introduced by F. F. Downs as an old and close friend of the candidate. Among those present on the platform were Drs. Bouie and Rice of Marlin, Dr. I. D. Ellis of Troy, W. S. Rowland, L. S. Williamson, F. F. Downs, C. W. Barrett, Dr. M. L. Chapman, A. D. Brodie, W. R. Butler and Harper Stephens. Thomason, after his successful visit to Belton, enjoyed Temple hospitality in supper at the Martin. The unfortunate breaking of the storm spoiled prospects of a jammed house, although the loyal guard which remained gave frequent evidence of their enthusiasm.

Dr. Scott in his address struck the keynote of honesty in public office. It was admittedly commendable, but not enough, he said, that his friend should have had the good fortune of being raised on a Texas farm, reared in Cook county, graduated from two great educational institutions, and entrusted with high public offices. "Something more important than all this is needed," he declared. "Here, gentlemen, is a man whom I know to be of great executive ability; a man who is fair-minded, just and unselfish; a man above all who is honest, inherently honest."

Would Eliminate Offices
"I favor the abolishment of every board and commission in the state whose functions are duplicated elsewhere; and likewise of every board and commission which has no legislative or judicial duties to perform," said the candidate.

In regard to tax problems, Texas has always had and will have them, he declared. "I believe that the time will come sometime when there will be a separate of state and county taxes, and that concerns doing an inter-county business will pay the state taxes. Although I want to see a reduction in taxes, however, I am unalterably opposed to the graduated land tax for I believe that what any man has acquired honestly and justly is his; and that tax will take a large part of it away from him."

Thomason gave a boost to the Federal Farm Loan scheme, various agricultural measures, and the educational appropriations by the legislature. As for labor and capital, he declared his friendship for both as long as they respected the interests of the public, and came out in favor of the square deal to both.

Conservation and irrigation, improvement in the penitentiary system

NEFF IS QUOTED IN HIS WAXAHACHIE SPEECH

Mr. Neff in his opening speech at Waxahachie December 6th, 1919, had this to say about his land plank:

"Has not the time come when Texas should demand that her agricultural lands be opened up to the cultivators of the soil, the home builders, the home owners, the home defenders of our country? It is understood, of course, that these large land owners are to be paid full value for their land. These lands should be classified as now provided for the purpose of taxation and all land classified as purely agricultural should have, above a certain acreage, A GRADUATED LAND TAX AND AN INHERITANCE LAND TAX ASSESSED AGAINST IT MAKING IT UNPROFITABLE FOR ONE PERSON TO HOLD LARGE AREAS OF UNUSED AGRICULTURAL LANDS."

Did Mr. Neff explain the graduated land tax feature? In his Waxahachie speech he stated all agricultural lands above a certain acreage should bear a graduated land tax and an inheritance land tax. How many acres will he permit a man to own before the graduated tax applies. He did not refer to the graduated land tax and a good many of the voters present were disappointed when he failed to definitely state his position.

Thomason Campaign Committee.

COUNTY SCHOOL TRUSTEES MEETING

Notice is hereby given that the County School Trustees of Milam County will meet in special session in the County Superintendent's office on Monday afternoon at 2:30 o'clock, July 1st.

This meeting was called to consider the proposition of changing and re-districting certain school districts in the County and to settle a dispute and contention over a certain school site.

The board will also consider any other business that might be brought to its attention.

Very respectfully,
JIM F. CHADWICK,
Ex-Officio Secretary.

We have a larger force and improved equipment and are able to give the quickest and best service in cleaning and pressing.—Collins & Mitchell.

and Americanization he brought forth as his main hobbies. He criticized lack of co-operation in present prison management and unwise purchase of prison lands.

"I think that there has been great abuse of the suspended sentence law and the system of pardons. I know for a fact that hardened criminals have been allowed freedom by those measures who should have been compelled to serve sentence and think it over."

Would Eliminate Offices
"I favor the abolishment of every board and commission in the state whose functions are duplicated elsewhere; and likewise of every board and commission which has no legislative or judicial duties to perform," said the candidate.

In regard to tax problems, Texas has always had and will have them, he declared. "I believe that the time will come sometime when there will be a separate of state and county taxes, and that concerns doing an inter-county business will pay the state taxes. Although I want to see a reduction in taxes, however, I am unalterably opposed to the graduated land tax for I believe that what any man has acquired honestly and justly is his; and that tax will take a large part of it away from him."

Thomason gave a boost to the Federal Farm Loan scheme, various agricultural measures, and the educational appropriations by the legislature. As for labor and capital, he declared his friendship for both as long as they respected the interests of the public, and came out in favor of the square deal to both.

Conservation and irrigation, improvement in the penitentiary system

MAY WITHDRAWS FROM RACE FOR FLORIDA REPRESENTATIVE

John May of Temple, candidate for floridal representative from Milam and Bell counties, has withdrawn from the race in a letter to Chairman W. W. Chambers.

Mr. May withdraws from the race in favor of Mrs. Bennett F. Smith. Mr. O. D. Baker of Gause, is also a candidate for floridal representative.

The letter in full is as follows:

"Temple Texas, June 22, 1920
"Mr. W. W. Chambers,
Chairman Democratic Executive Committee of Milam Co., Texas.

"Dear Sir:
"Replying to your of the 21st inst. I beg to ask that you accept this as my withdrawal from the race of Floridal Representative for this district.

"I am withdrawing my name in honor of Mrs. Bennett F. Smith's candidacy, whom I think is best qualified to fill the office and whom I shall support to that end.

Your truly,
JOHN MAY."

ALKALI IN SOAP RUINS HAIR

Most soap contains free alkali, which is very injurious to the delicately constructed scalp, and causes the hair to become dry and harsh. Careless and incorrect shampooing frequently causes the pores of the scalp to become clogged and thus the hair roots fail to receive nourishment and air. In this state the tissues are weak and become an easy prey to attacking germs such as dandruff.

Great care should be taken in choosing a shampoo which is free from any injurious substance, is pure, cleansing, mildly antiseptic and tonic in effect. There is such a shampoo on the market—Splenox Coconut Oil Shampoo. Its beneficial effects have aided in renewing health and beauty in the hair of many men and women.

A few hair health and beauty rules:

1. Wash and disinfect your brush and comb regularly.

2. Tight hats or methods of hair dressing that bind the hair interfere with scalp circulation.

3. Give the hair frequent air and sunlight baths; but do not expose to the direct rays of the sun when it is wet.

4. At the first sign of dandruff apply Splenox. Guaranteed Dandruff Remedy regularly till the scalp responds to the treatment.

5. Shampoo regularly—men once a week, women once a fortnight—with Splenox Coconut Oil Shampoo.

Splenox products are absolutely pure and reliable and are scientifically prepared to promote health and beauty to the hair. Made by The Splenox Co., Dallas and Philadelphia.

SOLD BY ALL DRUGGISTS
TIME TRIED EVERYWHERE WORTH TRYING

Publishers Notice.

With the issue of Thursday, July 1, the subscription price of The Cameron Herald will be \$2 a year. The increase in the subscription price of The Herald is made necessary because of the unprecedented costs of production and the abnormal prices of print paper.

It is no longer possible to publish a paper for \$1.50 because of the conditions mentioned. The advance is long delayed, the management holding out to the last minute with the hope that conditions would become more normal and avert the necessity of increasing the price. However, many publications advanced early in 1919 and some have never been sold for less than the price to which we have advanced.

The management feels that this increase is negligible compared with the increased size and improvement made in The Herald as a newspaper publishing the news and maintaining a high standard of effort for the best interests of the territory it serves. We believe the subscription price ought never to have been lower than \$2 and that the public and our hundreds of readers will take the same view of this matter.

The management therefore gives due notice that after July 1 the subscription price will be \$2.

All subscription renewals up to July 1 can be made at the old price but will be limited to one year renewal.

All new subscriptions may be made at the old price to July 1 but will be limited to one year.

The publishers are facing a condition that is unparalleled in its seriousness. News print has advanced to 12 1-2 cents a pound with no relief in sight. And, it can hardly be obtained even at these fancy prices.

Because of the unparalleled increase in circulation and the increased cost of production The Herald will advance its advertising rates on July 1. This increase is also justified by the same necessity which compels the management to advance the subscription price.

OAKLAND SIX

34 C

We have just received a shipment of a New Model Oakland Touring Car and have it on display in our sales room. We would like to have you call and inspect this new model as changes have been made over the previous model that make it the most sought after of the Six Cylinder Cars of the market today.

The New Model has many features to improve it over the previous model. The body of the new model is larger and elevated to give the stream line a more desirable affect; better springs insuring greater riding comfort; better arched fenders and better material and such changes as would improve the car in every way.

The New Oakland is the greatest achievement of automotive engineering.

"BAYER CROSS" ON ASPIRIN

Always Ask for Genuine
"Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine "Bayer Tablets of Aspirin," owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin Tablets were sold recently by a Brooklyn dealer which proved to be composed mostly of Talcum Powder.

"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package.

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

To Keep American Ships on the Seas

For the first time since the Civil War we have a real merchant marine. It cost us \$3,000,000,000 to get it.

The farmer, manufacturer, laborer—every American is interested in holding our position on the seas.

As a first step in this direction it is necessary to modify those articles of existing commercial treaties which have operated to thwart the upbuilding of our merchant marine.

By giving the notice of termination for which the several treaties provide.

This action is directed in the constructive Shipping Bill now before Congress;

Which declares it to be the policy of the United States "to do whatever may be necessary to develop and encourage a merchant marine."

This policy deserves the support of every American.

Lacking this support the present effort to maintain our merchant marine may suffer the fate of many ineffective attempts of the past.

Send for a copy of "For an American Merchant Marine."

D. R. CRISWELL OUT FOR LEGISLATURE

BUCKHOLTS JUDGE ENTERS THE RACE FOR REPRESENTATIVE FROM MILAM COUNTY

Judge D. R. Criswell of Buckholts prominent citizen and lawyer, and for many years active in the public affairs of Milam county, has announced his candidacy for representative from this county to the 37th Legislature.

Judge Criswell announced his candidacy Monday while in Cameron from his home in Buckholts. He was urged to make the race by friends from all sections of the county and particularly in Cameron and his home town. He moved to Buckholts in 1883 and held the Justice of the Peace office for 14 years. He is a member of the Milam county council of defense and twice member of the county executive Democratic committee.

Mr. Criswell is making the race on a platform of justice, patriotism and economy.

Very respectfully,
JIM F. CHADWICK

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 80c per bottle.

MRS. KATE A. READ

Friends and acquaintances of the family were shocked to learn of the death of Mrs. Kate A. Read, which occurred at the family residence here last Friday morning, although Mrs. Read had been seriously ill for the past several months.

Mrs. Read was a resident of this city for about three years, was a devout Christian woman and a member of the Methodist church.

A short funeral service was held at the Read residence here, conducted by Rev. Ira F. Key and Rev. H. F. MacFadyen, after which the body was shipped to Lampasas, where funeral services were held at the residence of J. F. White and interment made in the Lampasas cemetery.

Mrs. Read leaves three children to mourn her loss, C. W. Read of this city and Mrs. George Whitaker of Brownwood who were present at the time of her death and James J. Read of Seattle, Washington, who was unable to reach Cameron before his mother passed away. A host of devoted friends deeply sympathize with the sorrowing family in the loss of their loved one.

ODD FELLOWS MEET TONIGHT

The Cameron Odd Fellows held a most enthusiastic meeting last Thursday night in which five candidates were given the second degree in the work. Two of the candidates were from Sharpe and two from Rogers.

The Odd Fellows will meet again tonight in regular session and will give the candidates the third degree. It is expected that the visiting brothers from Sharpe and Rogers will be here in mass to witness the work. The lodge opens at 8:30.

METHODIST CHURCH

The subject the pastor will use Sunday Morning at the Methodist Church is: "The Mind of The Master." At the evening hour, 8:15, the Presiding Elder will preach and at the close hold the third quarterly conference. The Epworth League meets at 7:15 p. m. The interest in the League has been fine recently and the attendance very large. The Leaguers are planning a camp for next week and all are looking forward to that with pleasure. The Sunday School meets at 9:45 a. m.

TO PLACE M'ADOO BEFORE DELEGATES

BUT HE AGAIN ASKS THAT HIS NAME NOT BE MENTIONED IN CONVENTION

Kansas City, June 22.--Burris A. Jenkins, clergyman and publisher of the Kansas City Post, issued a positive statement today that the name of Wm. G. McAdoo WILL be placed in nomination before the democratic national convention at San Francisco whether Mr. McAdoo consents or not. Dr. Jenkins had been selected to make the speech placing McAdoo's name before the convention up to the time Mr. McAdoo issued a statement in which he said that he must decline to allow his name to be placed before the convention.

"Whether I nominate Mr. McAdoo or whether someone else does," Dr. Jenkins said today in his statement, "this much is certain--his name will be placed in nomination at San Francisco."

Dr. Jenkins said that he had been informed by Thomas B. Love, democratic national committeeman from Texas, who yesterday traveled across Kansas with the Alabama delegation to the national convention, that eighteen out of twenty-four members of the delegation insisted that the name of the former secretary of the treasury and director general of railroads ought to be laid before the convention. Such action will be taken, Dr. Jenkins averred.

New York, June 22.--William Gibbs McAdoo today wired Burris A. Jenkins Kansas City, clergyman and newspaper publisher, requesting that his name be not suggested for the democratic presidential nomination. The message was sent on receipt of news that Mr. Jenkins had announced that Mr. McAdoo's name would be placed in nomination at San Francisco with or without consent.

"I urgently request Mr. Jenkins not to present my name at the convention," Mr. McAdoo said.

PIERCE VISITS CAMERON

Louis S. Pierce of Navasota, owner of the Louis S. Pierce Dry Goods Store here, was in Cameron Monday in the interest of the business here. Mr. Pierce also operates a store in Navasota. He reports conditions fine in his section of the country and predicts fine trade conditions in Cameron this fall because of the crop prospects. The Cameron store is managed by J. F. Braun.

KEEPING THE RECORDS STRAIGHT

In order to keep the record straight we desire to call attention to the public that the letter showing Mr. Neff's attitude toward suffrage by refusing to sign a petition endorsing the movement in Waco, was not mailed from Waco, but was mailed out by THE TEXAS LEAGUE OF WOMEN VOTERS, with headquarters at Georgetown, Texas.

The following women are officers of this organization:

Mrs. Jessie Daniel Ames, Georgetown, President; Miss M. Eleanor Brackenridge, San Antonio, Honorary President; Mrs. Lee Joseph, San Antonio, First Vice-President; Mrs. E. B. Reppert, Dallas, Second Vice-President; Mrs. Thomas Atlee Coleman, San Antonio, Third Vice-President; Mrs. Anna B. Cade, Chester, Recording Secretary; Mrs. Jessie T. Cope, Karnes City, Corresponding Secretary; Mrs. Mary H. Ellis, Austin, Treasurer.

IKE LOONEY WILL MAKE CAMPAIGN FOR TEXAS LEGISLATURE

PLATFORM OF REFORMS, BET-
TER PAY FOR TEACHERS AND
IMPROVED EDUCATIONAL
SYSTEM

Ike Looney, prominent citizen, farmer and business man and for many years active in public affairs of the county and state, has announced his candidacy for representative to the 37th Legislature from Milam County. A platform of rigid economy and embodying well defined pledges to the people to seek the enactment of needed reforms in the conduct of the state government and in political affairs are some of the claims being set out by Mr. Looney in asking the support of the people for this office. In making the announcement for Legislature Mr. Looney has the very active demand of admiring friends from all sections of the county who are in accord with his principles of government and his views on public questions now before the people of Texas. He has been strongly solicited to make the race but it was only a few days ago that he consented to make the campaign. Mr. Looney is now preparing to make an active tour of the county with speaking dates to acquaint the people with his platform.

Mr. Looney lays down a bold challenge to the present system of government operation in the state and is especially plain and uncompromising on the subject of elections, declaring for an election every four years. He declares that there are too many officers and too many elections; that these evils are taking their toll in enormous taxation upon the people and that it is high time to enact reforms that will correct these unnecessary and cumbersome problems.

Mr. Looney pledges himself to the enactment of legislation to provide for the convention of Texas Legislature every four years. He declares there is too much legislation and the legislature meets too often thus entailing an unnecessary expense on the people. Mr. Looney also declares for a four year term for county officers without re-election.

Industrial conditions which have resulted in the present state of turmoil and dissatisfaction over the country is also given consideration by Mr. Looney in making his announcement. He says that through the reforms he proposes much of this unrest can be eliminated as people are becoming radical through the existence of condi-

tions over which they have no control and which their government has failed to correct.

Mr. Looney also rings true on the question of education and has come out squarely for better pay for teachers and all necessary action for the betterment of our school system. He declares that in the power of education lies the key to a grander and more thoroughly contented civilization.

Mr. Looney resides at Ben Arnold, is a man of mature years and thoroughly conversant with the needs of the state, having been active in public affairs for more than a decade.

WHAT A FORD WORKER CAN DO.

If this Ford man which we will follow through his day's activities at the Ford factory has been frugal, as many of them have, he will arrive at work in a Ford car. During his morning's work he may be stricken with toothache or headache whereupon he will visit the Ford doctor or dentist for relief. At noon, he is served with a lunch consisting of sandwiches, fruit, hot coffee or soup and after that he may see a Ford safety film.

Now supposing that this is the man's pay day. After subtracting living expenses, he may deposit the remainder toward a Ford Investment Certificate. Finished with the day's work, he can go to the shoe store for shoes for himself or son who is in school; or to the grocery store where, among other things, he can buy a sack of flour made from wheat grown on Henry Ford's farm—where Ford's son tractors do the work—and ground in Henry Ford's flour mill, and then hauled by Ford trucks to the Ford store, where it is sold to Ford men; or he may want to order a custom-made suit, or buy one ready made which he does in the Ford clothes shop. Maybe a toothbrush is all he needs, but he gets it at a Ford store. Then, he purchases his meat in the Ford market, or orders his winter's supply of coke from the Coke Department. Everything is sold at cost to Ford men.

If this Ford man wants to rent a house, he goes to the Ford rental exchange; legal advice is given him by the Legal Aid Department. But possibly he is a student in the Ford school; in that case he attends class after work. And stops in the Ford library on the way out.

Then he may go to the Ford Athletic Field for a set of tennis or for baseball practice. Possibly he desires to take his family to the Ford Band Concert that evening; he procures tickets before driving home in his car.

Banish Blood Sucking Insects and keep your chickens immune from them by feeding INSECTIMUNE to your chickens. Your money back if not satisfied. Ask Geo. A. Thomas & Sons.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills for constipation.

Mr. and Mrs. C. N. Green and family motored to Durango and spent last Thursday and Friday with Mrs. Green's parents, Mr. and Mrs. S. E. Stewart.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE (Tablets) can be taken by anyone without causing nervousness or ringing in the head. E. W. GROVE'S signature on box. 30c.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and
Neutralize Irritating Acids

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant effervescent lithia-water drink, which quickly relieves bladder trouble.

Going Away?

Get a Supply of Travelers Checks

A common misconception in the minds of those who have not experienced the convenience of carrying their travelers funds in the form of Travelers Checks, is that these checks are a substitute for cash.

They are more than that—they are an improvement upon cash. The difference is not alone in words—it is the difference that lies between convenience and inconvenience, between risk and safety.

They are issued in denominations of \$10.00, \$20.00, \$50.00 and \$100.00, and are good everywhere; they are accepted not only by banks, but by hotels, railroads, steamship companies and all business houses generally.

Immediately upon the delivery of Travelers Checks, the signature of the owner is inscribed in the upper left hand corner.

When cashing a check, the owner simply countersigns it in the lower left hand corner. The identity is established by comparison of the original signature with the counter-signature.

If Travelers Checks are lost we refund your money.

No worry about losing money—no bother about identification. Get Travelers Checks from—

The First National Bank of Cameron

Revival Meeting

AT THE
BAPTIST CHURCH IN CAMERON

BEGINNING

Sunday, July 4

The Pastor, Rev. B. B. Blaylock will be assisted by Evangelist
Perry F. Evans of Fort Worth

AND

Singing Evangelists Mr. and Mrs. I. E. Reynolds of the Baptist
Seminary of Fort Worth.

The meeting will be held on the lawn of the Baptist Church and preparations will be made to entertain Cameron and all Milam County's religious forces.

It will be the greatest Christian campaign ever held in Milam county. Rev. Perry F. Evans, noted evangelist, assisted by the Christian forces of the town and county will pitch the battle on a high plane of vigorous defiance of evil and you will hear an astounding indictment of sin in the world.

A burning gospel message by a tongue of fire to sear the sins of a sinful age.

BEGINNING SUNDAY JULY 4th
At the Baptist Church in Cameron

NOT A CANDIDATE FOR PRESIDENCY SAYS W. G. MCADOO

MOST LOGICAL OF DEMOCRATIC
POSSIBILITIES REFUSES TO
SUBMIT NAME FOR NOM-
INATION

New York, June 18.—William G. McAdoo, who has been considered by party leaders as one of the principal candidates for the democratic nomination, announced tonight he could not permit his name to go before the San Francisco convention.

"This decision," he said, "is irrevocable as the path of duty seems to me clear and unmistakable."

His decision was announced in a telegram to Juliet Schouse, democratic delegate at large from Kansas, who had telegraphed Mr. McAdoo that sentiment throughout the country was rapidly crystallizing in his favor that his friends would like to have him permit his name to be presented to the convention and that they were certain he could be nominated and elected.

Mr. McAdoo's telegram follows: "Your telegram of the 17th requires an explicit and immediate answer. I am profoundly grateful to you and my other generous friends, who with such spontaneity and unselfishness have without my solicitation advocated my nomination. To cause them disappointment distresses me deeply, but I am unable to re-consider the position I have consistently maintained, namely, that I would not seek the nomination for the presidency. I cannot, therefore, permit my name to go before the convention; that decision is irrevocable as the path of duty seems to me clear and unmistakable."

"The considerations which compelled me to resign as secretary of the treasury and director general of railroads after the armistice in 1918 in large measure still prevail. I must have a reasonable opportunity to rehabilitate my private affairs and to make that haven for my family, which in time of peace is at once the sacred duty and the cherished desire of every right thinking man. Having been out of office less than eighteen months, I have not yet been able to accomplish these objects. Moreover, a presidential campaign imposes upon the candidate unavoidable expenses which I am unable to assume, and which I do not want my friends to assume."

"The record of the present republican congress and the platform and candidates of the republican national convention make democratic victory in the next election almost certain. Victory will be certain if the democrats adopt a straightforward, unequivocal, unevasive, honest and liberal platform and put forward candidates who will command public confidence. We must stand squarely for ratification of the League of Nations without debilitating reservations and we must be direct and explicit on the important domestic issues. The times are not propitious for equivocation, or for appeals to blind passion, or to doctrines of hate, or for reactionaries and those who would shut their ears to the great and swelling voice of humanity which cries aloud for the reservation of peace and good will at home, and in the world, and for the opportunity to live in an atmosphere of justice, progress and prosperity. "I feel sure that my friends will appreciate the sincerity and propriety of my position and that they will do everything in their power at San Francisco to assure the continuation of the enlightened principles and liberal policies of democracy. These are more than ever essential to the security and well being of the American people."

REPUBLICANS WELCOME LEAGUE ISSUE, SAYS SENATOR HARDING

Washington, June 18.—President Wilson's challenge to submit the peace treaty to a referendum of the American people was accepted today by Senator Harding, the Republican Presidential candidate.

"I am sure," said Senator Harding, "the Republican party will gladly welcome a referendum on the question of the foreign relationship of this Republic and the Republican attitude of preserved nationality will be overwhelmingly endorsed."

Senator Harding's statement was in reply to the interview with President Wilson, published today, in which the President discussed the League of Nations issue and the Republican platform.

George Clark of Canton, Ohio, chairman of the Ohio State Republican advisory committee, called on Senator Harding today to lay before him plans for the Ohio campaign. Republicans in that State, he declared, were ready to go ahead as soon as the Republican nominee had indorsed the plans.

The people of Cameron will be glad to learn that Mrs. Carlton and daughter, Miss Nina, have bought back their old home—the one now occupied by Mr. Luckett—and will move back to Cameron to live, in August.

AN ORDINANCE

An ordinance to regulate the location, construction and maintenance of privies and cess pools within the city of Cameron, Texas, and providing a penalty therefor.

Be It Ordained by the City Council of the City of Cameron, Texas, for the promotion of health and the suppression of disease:

Sec. 1. It shall be unlawful for any person owning any improved real estate or any other person to dig or use, or cause to be dug or used, any privy vault or cess pool, or connect any plumbing with a cess pool, or build or rebuild or cause to be built or rebuilt any privy, building, privy vault, or cess pool within the limits of the city of Cameron, Texas, except upon a written permit from the city health officer.

Sec. 2. No person shall suffer or permit any cellar, vault, drain, cesspool, or privy or sewer up on any premises belonging to or occupied by him within the corporate limits of the city of Cameron, Texas to become nauseous, offensive or injurious to the public health, and it shall be the duty of all occupants of property to keep all privies, privy vaults, cesspools and drains on the premises occupied by them in a clean and sanitary condition.

Sec. 3. It shall be unlawful for any person, firm or corporation, whether as owner, agent or employee, to have or maintain any privy or privy vault, cesspool, pit, or like place which is not securely protected from flies.

Sec. 4. No such privy vault, privy building, or cesspool shall be constructed within 20 feet of any house or residence, or buildings unless used as such nor within 2 feet of the property line of such premises.

Sec. 5. The floors and walls of all privy vaults shall be of cement, concrete, cemented stone, or other impervious material and must be smooth and level in surface.

Sec. 6. All vaults hereafter constructed must be not less than 4 feet wide (from front to rear) 5 feet long and 3½ feet deep below the floor and must be closely joined to the privy building, and ventilating pipe, of wood or other material, of not less than 6 inches in diameter shall extend from the top of the vault to 2 feet above the roof and of the privy building, and the opening at the top of this pipe must be securely screened to exclude flies.

Sec. 7. All privy buildings must be built according to specifications to be furnished by the health officer.

Sec. 8. All privy vaults, flush toilets, or other plumbing fixtures shall be disinfected whenever so ordered by the health officer.

Sec. 9. The cover of the seat in the privy building must be kept closed at all times when seat is not in use.

Sec. 10. The cover for the vault at the rear of the building must be kept closed at all times, except when the vault is being used.

Sec. 11. The door of the privy building be kept shut closing by means of a spring, weight or other device, and must not be allowed to remain open at any time.

Sec. 12. No wash water, kitchen slops, or other liquid wastes, garbage, tin cans, crockery, or glass shall be emptied or thrown into any privy vault.

Sec. 13. No body waste or excreta from any person suffering from typhoid fever, dysentery, other serious intestinal trouble shall be deposited

in any privy or privy vault, without being previously disinfected in such manner as may be approved by the health officer in conformity with regulations with the state board of health.

Sec. 14. All privy vaults without curbing, or with foul or rotten wooden curbing, or inadequate or partially caved, or otherwise defective in the judgment of the health officer, and all privy buildings too old or too dilapidated to be made to conform with the requirements of this ordinance, and all cesspools without curbing, or inadequate either in size or covering, or caved, or in any manner dangerous to the public health, shall be condemned by the health officer, and a new privy vault, privy building, or cesspool shall be constructed within not less than 10 days from the date of condemnation. In either case notice of condemnation must be posted on the premises and a copy served on the owner or his agent, or left at the residence or office of either.

Sec. 15. All contractors or other persons employing men constructing buildings, street improvements, or other similar work shall provide such temporary privies as shall meet with the approval of the health officer and must care for same as may be required by the health officer.

Sec. 16. No person or persons shall throw or deposit in any cesspool any garbage, tin cans, crockery, glass or other rubbish whatsoever, and the owner, agent or occupant of the premises shall be responsible for the condition of such cesspool as well as privy vaults.

Sec. 17. No person shall empty any vault, privy or cesspool or dump any refuse matter of any kind in the city of Cameron, Texas, without a permit from the health officer.

Sec. 18. No person or persons shall abolish, abandon or neglect any privy, cesspool, or vault containing any excrement, filth, or other offensive matter or fill up any such privy, cesspool or vault upon any premises owned or occupied by such person or persons or any premises whatsoever, unless such filth or excrement shall first have been removed therefrom, and a permit for such abolishment or abandonment has been obtained from the health officer.

Sec. 19. It shall be the duty of the owner or owners, or agent of property, or occupants, to keep all privy vaults and privy buildings and cesspools on property owned, managed, or occupied by them, clean, and to properly clean them whenever notified by the health officer so to do.

Sec. 20. No building shall be used as a dwelling house unless the same is provided with a privy vault and building, or is properly connected with the cesspool or sewer.

Sec. 21. Any person, persons, firm or corporation that shall violate any part of the provisions of this act or

ordinance shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be fined in any sum not less than Ten Dollars nor more than One Hundred Dollars.

U. S. HEARRELL, Mayor.

Attest—Secretary.

To the Honorable U. S. Hearrell and the City Council of the City of Cameron:

Your Committee on Ordinances to whom the foregoing ordinance was referred beg to report that they recommend that same do pass and further that an Emergency exists and in order to preserve the health and sanitary condition of the City of Cameron requiring a suspension of the rules requiring ordinances to be read at three separate meetings and they recommend that said rules be suspended and that said rules be now passed.

J. C. Joseph
Oxshier Smith
H. M. Hefley,
Ordinance Committee.

Upon motion the rule requiring ordinances to be read at three separate meetings was suspended and this ordinance was by order of the Council placed upon the second reading it was duly read in open council and passed by unanimous vote.

U. S. HEARRELL,
Mayor City of Cameron.

Attest, R. D. Brown, Secretary.

An Analysis of the "Road Speed"
of a
MAXWELL
is a tribute to its special steels

Men driving larger cars have often wondered at the "road speed" of a Maxwell.

True, in an open straight stretch they have run away from a Maxwell.

But in any "piece of going" in which hills, turns, curves or rough roads enter into the general average, they do not outrun a Maxwell.

The reason for this is the special steels in a Maxwell. They are made to Maxwell's own formulae, and make possible construction combining great strength with light weight.

The lightness of the weight enables a Maxwell to take a turn with more ease and less slowing up, come down a hill under better control, ascend a hill as well, and make more time over a rough piece of roadway.

The strength of its steels enables a Maxwell to stand equally as well, or better, side strains, road unevenness, etc.

In other words, a Maxwell makes speed when a larger car cannot, and thus evens up to a high average its "road speed" without breaking the speed laws.

This ability in a Maxwell is one of many that is winning new friendships daily. Nearly 400,000 of them to date; in another year 500,000.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI

The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

TERRELL CANDIDATE FOR COMMISSIONER OF AGRICULTURE

ALTO STATESMAN AND FARMER
CLAIMS RECORD JUSTIFIES
CLAIM TO THE OFFICE

Hon. George B. Terrell of Alto, in announcing his candidacy for Commissioner of Agriculture of Texas, places before the people of this state a constructive platform given force by his experience as a farmer and agriculturist.

Mr. Terrell as a member of the legislature has written some of the most beneficial legislation ever put on the statute books of Texas looking to the improvement of conditions for the farmer and education along agricultural lines. Among the laws are establishing the departments of agriculture, domestic science, and manual training in the state normal schools.

The following platform statements are made by Mr. Terrell who has active endorsements from prominent men all over the state:

In making this announcement for Commissioner of Agriculture I am mindful of the duties and responsibilities of the office, and will make but few promises and endeavor to fulfill them to the letter.

If elected, I promise to perform the duties of the office according to law, and in an efficient and economical manner.

I shall make an honest effort to cooperate with the A. & M. College and other agricultural agencies for the promotion of the great agricultural interests of the State.

My life has been devoted to agriculture and education, both as a private citizen and public official.

I am the author of the following laws, which prove my interest in agriculture and education.

The law establishing the Departments of Agriculture, Domestic Science and Manual Training in all the State Normal Schools.

The law requiring the teaching of cotton grading and farm terracing at the A. & M. College.

The law establishing agricultural Experiment Stations in different parts of the state and a Live Stock Feeding and Breeding Station.

The law requiring the teaching of tanners and Standard Packs and Grade for Fruits and vegetables, which has given Texas some prestige in the Northern markets for the quality of her fruits and vegetables.

This law is not perfect and will need

amendments as experience in its operation may prove, but in the right direction and proves my interest in the farmers and my determination to assist them.

I shall use all the means at my command and all the agencies that will cooperate with me in organizing marketing associations through which the growers can secure a profitable price for their products.

In this connection I shall advocate the fixing of a fair price for cotton and the organization of the growers in such a manner that they shall have a voice in making and securing the proper price. With the co-operation of all farm organization, the Bankers and the Southern Commissioners of Agriculture this can be done.

I shall advocate a System of Rural Credits that will give the farmers cheaper money on which to operate their business.

I favor the consolidation of the Warehouse Department with the Department of Agriculture, as recommended by the State Investigating Committee, in the interest of economy and efficiency. They both deal with agricultural problems and properly belong under one head, so that a comprehensive plan for warehousing and marketing may be worked out without strife or friction.

We have too many agencies attempting to administer agricultural laws and too many chair warmers and mouth farmers drawing an annual stipend from the State. We need the A. & M. College to teach agriculture, horticulture and kindred subjects, the Department of Agriculture to administer the laws relating to all branches of agriculture, but we do not need other paid agencies to divide the work and create strife.

If the Legislature will consolidate the Warehouse Department with the Department of Agriculture I will guarantee to administer both Departments for \$50,000.00 a year less than they are now costing.

I will also guarantee not to ask an increase in my salary because of extra work or the high cost of living.

It will be my ambition to conduct this department on a high plane and make it useful to the great producing interests of the State.

If Texas is to continue to prosper and withstand the spirit of unrest and distrust abroad in the land, her educational and agricultural interests must be placed upon an enlightened

and profitable basis, which in the last analysis are the surest safeguards against Socialism and Bolshevism.

Itching disease can be controlled and cause removed by applying Ballard's Snow Liniment. The relief is prompt and permanent. Three sizes, 30c, 60c and \$1.20 per bottle. Sold by Pace-Marshall Drug Co.

We buy and sell second hand and new furniture.—Exchange Furniture Company—F. A. Marek and L. D. Blackwell, Props., Phone 218. tf.

SHERIFF'S SALE

THE STATE OF TEXAS

County of Milam.

By virtue of a certain execution issued out of the Honorable Justice Court of Precinct No. 1, Milam County, on the _____ day of May 1920 by J. M. Ralston, Justice of the Peace of said court against Mrs. Louis Slone, Independent Executrix of the estate of W. H. Slone, deceased for the sum of _____ dollars and costs of suit No. _____ in said Court, styled Dr. Edward Rischard versus Mrs. Louie Slone, Independent Executrix of the Estate of W. H. Slone deceased, and placed in my hands for service, I, Charles H. Sens, as Constable of Precinct No. 1, Milam County, Texas, did, on the 14th day of June 1920 levy on certain Real Estate, situated in Milam County, described as follows to-wit:

All that certain tract or parcel of land situated in the A. J. DePena eleven league grant in Milam County,

Texas and more particularly described as follows: Beginning at the S. E. corner of this same being the N. E. corner of the Louis Schiller tract, and the S. E. corner of a tract of 53.15 acres conveyed by W. R. Newton to W. H. Slone by deed recorded in Vol. 109, Page 47, Deed Records of Milam County, which said tract forms a part of this tract. Thence N. 19 E. line of said 52.15 acre tract, 3660 feet to N. E. corner same being the S. E. corner of a tract of 23 3-8 acres allotted to Myrtle Fikes in subdivision, N. 71 W. 47 feet to N. W. corner of this in S line of 23 acre tract. Thence N. 19 W. at 576 3-10 feet pass S. E. corner of a tract of 63 3-8 acres allotted to J. R. Slone in said subdivision, the N. E. corner of a tract of 63 3-8 acres allotted to W. H. Slone, A. L. Ray in said subdivision at 1741 feet the S. E. corner of same and the N. E. corner of a tract of 100 acres allotted to Mrs. Sam Slone in said subdivision and at 3660 feet the S. W. corner same being the S. W. corner of said 53.15 acre tract and the S. E. corner of said 100 acre tract; thence S. 71 E. with S. line of said 53.15 acre tract 761 feet to place of beginning containing 63 3-8 acres and levied upon as the property of said Estate of W. H. Slone, deceased, and Mrs. Louie Slone, Independent Executrix. And on Tuesday, the 6th day of July, 1920 at the Court House door of Milam County, in the city of Cameron, Texas, between the hours of ten A. M. and four P. M. I will sell said land at public vendue, for cash, to the highest bidder, as the property of said Estate of W. H. Slone, deceased, Mrs. Louie Slone, Independent Executrix by virtue of said levy and said execution.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County, Texas.

Witness my hand, this 14th day of June 1920. CHARLES H. SENS, Constable Precinct No. 1, Milam County, Texas.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Notby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.

ROYAL CORD—NOBBY-CHAIN-USCO-PLAIN

There were some pretty long waits for the Doctor in the horse-and-buggy days

MAKE it easier to get around and you make healthier and happier communities. No one any longer questions the worth of the automobile—or begrudges any legitimate expense connected with it.

But millions of car owners are rebelling at the idea that running an automobile has got to mean waste.

II

Every now and then you hear a neighbor complain that "he doesn't seem to have much luck with tires."

Send him to us.

The minute a man begins to question the service his tires are giving him, he's ready to listen to reason.

Our business is built on the principle that the only way to get better tire service is to get better tires to start with.

That's why we have taken the representation for U. S. Tires.

III

U. S. Tires have a reputation for quality.

Built up through years of creating better tires. Such as the straight side automobile tire, the pneumatic truck tire.

It is not by chance that U. S. Tires are made by the oldest and largest rubber concern in the world.

We are proud to represent U. S. Tires in this community.

AN OLD RECIPE

TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after

ter another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Grove's Tasteless chill Tonic

restores vitality and energy by purifying and enriching the blood. You can soon feel its Strengthening, Invigorating Effect. Price 60c.

Master Film of the Age

"The Silent Avenger"

BIG CONTINUED PICTURE STARTS

SATURDAY JUNE 26th

A Million Dollar Super-Serial of Love, Honor, Danger and Daring

ALBERT E. SMITH Presents

WILLIAM DUNCAN

The star who played "Bob Hardy" in "A Fight For Millions." Mr. Duncan will be "Phil Read" in this picture. Triumph exceeds Triumph in this gripping, master-serial and the management of the Wonderland Theater is pleased to announce this film treat for its patrons and friends.

Duncan's Doom-Defying Deeds

Thrown from a car to the river far below, Phil escapes his pursuers. Held under the guns of the police, he vanishes. Reeling in a hangman's noose he misses death by a hair's breadth. In a ring of flame, he faces doom. Locked in a box below the water's surface, bound and gagged, saved by Fate. Loaded into a coffin and buried alive, he steps out of the tomb. Sent into an inferno of fire, he leaps unscathed to safety.

THE STORY

Phil Read, assistant cashier of the River National Bank is railroaded to penitentiary on the false charge of having robbed his bank. The evidence conceived by Irvine Somers, cashier of the bank, who is an ill-favored rival of Read for the hand of Helen Durham, beautiful daughter of John Durham, a rich capitalist and hopeless invalid.

Phil escapes from prison by changing identification tags with a prisoner who has been killed by a fall. Supposed to be dead, Phil returns to his home city to conduct a secret campaign towards clearing up the false evidence against him. He joins the police force under the name of Officer Daer.

He engages rooms opposite the apartment of Francine Olivette, the accomplice of Somers. Phil is able to get a close line on the secret operations of Somers and Francine. He obtains evidence revealing that Somers is the hidden leader of an opium smuggling gang, a gambling outfit, a gang of automobile thieves safe blowers, wire tappers and fake oil well promoters.

Phil makes his way successively into all the dens and headquarters of the criminals. He is many times captured and his life placed in jeopardy. But he escapes these perils and causes the raiding and arrest of many of the crooks.

In the end Phil uncovers evidence showing that Somers has engineered the substitution of stacks of counterfeit money for real money in the bank vault, and has also caused a panic on the exchange to unload Mexican securities on the public. Phil frustrates the stock plot, and confronts him on the counterfeit charge.

Somers succeeds in having Phil arrested as an escaped convict. Helen induces Francine to turn state's evidence in behalf of Phil. This results in the pardon of Phil, who immediately trails Somers to the fake oil well. He and Helen are captured there, and put through many harrowing experiences.

Finally they escape, and accomplish the complete round-up of Somers and his entire gang. Phil's innocence is established, and the two sweethearts find the dawn of a glorious future in love and happiness.

Beginning Saturday, June 26, afternoon and night. Don't miss the first episode---the others will compel you by force of their gripping attraction, mystery and interesting detail.

J. P. Werner & Co.

SAN GABRIEL GOSSIP

By Mrs. J. S. Woody

June 22.—Life, now, is a great expanse of activity. We are living the life of trees for a few days again; since, the most delightful and most beneficial rain has fallen as "our blessing"—so we feel.

Until the fields of beautiful cotton have been tilled once more sufficiently to exterminate the crop of young grass now peeping up, we need reach the field with the rising sun if our achievements turn into glory.

We feel confident of a good corn crop now and scores of wagons, loaded with the remainder of last year's crop thread their way to the markets this week.

Cane is much improved, also, after the helpful rain and in fact, all nature seems to be rejoicing with man.

Master Mark Hutson is here from Rockdale to spend awhile with relatives.

Clifford Locklin returned from a business visit to East Texas, first of last week.

Miss Isabelle Camp is visiting relatives and friends in Austin this week.

Mr. Pete Baird and family of Austin are guests of relatives here at present.

Bruce Jennings of Davilla was with friends in our village Sunday.

Miss Lillian Barclay is conducting a private summer school in our village for a few weeks.

Mesdames Charey Daniels, Tamp Daniels, Ted Adams, Andrew Baird and Miss Jewel Guthrie were trading in Thorndale Monday.

Nigel Outlaw of Taylor, spent the past week end here with his parent.

E. L. Ramsey and wife motored over from Thorndale Sunday afternoon.

Brian Woody and wife, have concluded their several days' honeymoon with a visit here to his mother and other relatives before returning to their home in Temple.

Mr. and Mrs. Will Ellison, Mr. and Mrs. J. M. Gilchrist, Mr. and Mrs. Harry Clark and Misses Fay Felton and Anna Mae Camp were among those from our community to Thorndale Saturday.

Janie Clark and Andrew Baird left Sunday for Arizona.

W. S. Glascock and family, together with numbers of invited friends, gathered at Penn's Camp Ground on the Gabriel river the past week end in celebration of birthday anniversaries and lightening loads, that no variations of an everyday life settles on any, by enjoyment that a fishing and camping expedition brings, especially, where faces and voices of a large group of friends are companions.

With much anxiety, the numerous friends of Miss Anna Mae Camp

awaited developments of the result from her operation of appendicitis on last Sunday afternoon.

She had been feeling badly for a few hours but was very suddenly taken exceedingly ill and to such extent that Dr. Rischer of Cameron and Drs. Lee and Crockett of Thorndale deemed it best to perform the surgical work at her home and today we are glad to report her doing nicely.

Mrs. Martha Camp, Mrs. Glennie Bickenbach, Arthur Penn and wife and Misses Maude Little, Mary and Maurice Reeves of Thorndale were out through different routes of our vicinity Sunday afternoon.

Rev. Ferguson of Waco filled his appointment at the Baptist church here Sunday.

Grandpa Jim Locklin is reported sick this writing.

Branch Lewis of Rockdale, was in our community a day last week.

Mr. and Mrs. Irvin Isaac of Dallas, and Mr. and Mrs. Frank Clement of Austin are guests this week of their parents, Mr. and Mrs. T. M. Amason of this village.

John Davis and family now ride in a brand new Chevrolet automobile.

Little Miss LaVerne Winford spent last week with relatives in Thrall.

Messrs. J. S. Woody, Ted Adams and wife, T. P. Guthrie and family, John Davis and daughters attended lecture presented by Hon. Pat Neff in Davilla Monday afternoon.

Misses Fannie and Minnie Young of Thorndale joined the campers here last weekend.

C. Yeager is recuperating in Marlin this week.

Just as we close our letter this morning the message of the sad death of Mrs. James A. Clark of this village reaches us. He has lived his allotted time, despite the many years of wretched health in his old days. He was a devout member of the Christian church and has made his home for numbers of years in San Gabriel. He leaves a wife and eight children and

many other relatives besides a large circle of friends to mourn his departure.

Rub-My-Tism is a powerful antiseptic; it kills the poison caused from infected cuts cures old sores, tetter, etc.

Cases of oak or ivy poisoning should be treated with Ballard's Snow Liniment. It is antiseptic and healing and a splendid remedy for such troubles. Three sizes, 30c 60c and \$1.20 per bottle. Sold by Pace-Marshall Drug Co.

DODSON TELLS THE HORROR OF CALOMEL

You Don't Need to Sicken, Grip, or Salivate Yourself to Start Liver.

You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile, dangerous calomel to start liver and bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tonic and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day. Take a spoonful of harmless, vegetable Dodson's Liver Tonic tonight and wake up feeling splendid. It is perfectly harmless, so give it to your children any time. It can't salivate.

EXPERIENCE PROVES QUININE IN CAPSULES UNRELIABLE

Several years ago a doctor called at my drug store and stated that he was getting no effect from quinine given in capsules to Mrs. ——. I answered "This is reasonable as quinine in capsules as well as pills and tablets is sometimes passed by the patient unchanged. Upon investigation he found this to be the case with this patient and was compelled to give quinine in liquid form to get any results." J. C. Mendenhall, 46 years a druggist, Evansville, Ind. Mendenhall's Chill & Fever Tonic is in solution quickly absorbed by the stomach so pleasant to the taste that children will ask for it. Mde with and without arsenic. Sold by Avera's Drug Store.

666 quickly relieves Constipation Biliouness, loss of appetite and headaches, due to torpid liver.

A FOOL AT 40

It is an old proverb that every man is either a fool or a physician at 40. Well, I fooled along for 40 years in the practice of pharmacy and the study of medicine and therapeutics before I discovered the wonderful prescription for Number 40 For The Blood. There is more of this wonderful prescription sold and used by the people of our home city than all other blood medicines combined. It is indicated in all depraved conditions of the system; in blood troubles, in sores, ulcers, eczema and skin diseases; in chronic rheumatism, catarrh, constipation, stomach, kidney and liver troubles. J. C. Mendenhall, Evansville, Ind., 40 years a druggist. "I suffered from 12 to 18 months with a nervous breakdown, said by physicians to be sciatic neuralgia, causing general toxic poisoning. Seeing your advertisement in the San Antonio Express, I called on Dr. A. M. Fisher, Druggist. He recommended Number 40 which I have been using for three months and I have received great benefit from it. Sleep well, good appetite, have gained several pounds, get up feeling fresh every morning. Have no pains. My nervous system has become nearly normal. Respectfully, J. L. Dupree, 1715 Common St., Houston, Texas.

OAKDALE NEWS

By Mrs. S. Hause

Oakdale, June 21.—Oakdale is picking up. There was a couple of men who got together several days ago and decided to have an ice cream supper, so Saturday night they got a very good crowd, sold about ten gallons of cream, and had a good time all around.

Last Sunday Mrs. Cast, son Sam, daughter Ada, and Mr. and Mrs. Ben Allen Nicholson, all of Liberty, came to see some old friends, and the past Sunday Mr. and Mrs. William Immons with their two children went to Liberty to see the Cast family.

We had the rain every one most was wishing for, there was a man that said it had ruined the corn. We will not make a nubbing for the hogs and cows (it would all be ears of corn).

Most everybody is through hoeing cotton.

Miss Chatman of Pettibone spent a part of last week with her brother, A. L. Chatman, and Sunday Mrs. Chatman had her brother and family with her.

Mrs. Dwight McDonald, of Cedar Creek, Miss Jodie Fortner and sister, Mrs. Fortner of South Milano, was in Milano Saturday evening.

Milano was well crowded Saturday, everybody seemed to want groceries that day.

Mrs. John Wilkerson went to her mother's Mrs. Hill's near Salem Saturday to can peaches.

Mr. and Mrs. Sid Hause were visiting the Clint Pierce family last Wednesday, and found an old friend there, Mrs. White, Mrs. Pierce's mother. She has been there since last March.

So the Liberty writer does not get all the news like myself, but I sure would have been glad to have known that Mrs. White was there.

Mr. A. R. O'Neal killed a very nice calf last Saturday. He had the 19th in his mind, but it began to rain before he got anywhere. He, of course, worked in the rain.

Mr. and Mrs. Eugene Hause was trading in Cameron Saturday and took dinner with his brother, John.

Mr. Lott Blackman of Coryell county, went to see his brother near Milano. He said we had better cry here than he has in Coryell. He may be thinking of coming back.

Mr. and Mrs. Clyde Hensley was over in the Liberty neighborhood Sunday, as his mother is there with her mother, Mrs. Westbrook, who is sick most of the time. Mrs. Hensley tells me that they went to see several of their relations while over there, but not staying long with anyone, that they have to make time count.

Mrs. A. W. Belt is very much improved. I stopped with her Saturday evening, coming home from Milano, where I went to take eggs.

Mr. and Mrs. O'Neil went below Rockdale Sunday to see one of her brothers, Mr. Ailedge, who has been sick some time.

Mr. Dick Westbrook of Liberty was over Monday morning to see Mr. Sid Hause and while here he bought Mr. Hause's mower and rake. The way to sell anything is to advertise it and somebody will get it sure.

Miss Winnie Sims of Milano is visiting relatives at Deenville.

Mr. G. P. Morgan and son of Palestine were visiting his mother in Milano this past week.

Mrs. Mary Pfardrescher of Houston, is at Curry this week to see her friend, Mrs. Pugh.

Mesdames Lee and Thomas Batey have been to Rice to see Mrs. Ernest Baldwin, they went at different times so it would last longer.

Mrs. H. R. Hairston of Milano has

gone to Santa Anna, a guest at the home of her brother, Mr. C. H. Hensley.

Mrs. R. S. Barrett and daughter, Miss Pauline, of Port Arthur are guests at the home of her sister's, Mrs. Allen.

Last Sunday the 13th, a little boy was walking down the I. & G. N. track and discovered a broken rail. He notified the section foreman in time for him to flag down the train and the hands were called out and the track made passable again.

Representative C. M. Beard was home again Saturday evening from the Legislature at Austin.

Some of our people have been eating roasting ears, but we fry instead of roasting them. They taste better.

Dr. F. A. Liddell left last Sunday for Atlanta, Georgia. He was accompanied by his sister (or daughter) Mrs. Low of Cameron, and her little son. They will visit a sister there and will be absent for two weeks.

George Clement and Fontaine Flinn, who have been attending A. & M. College for the past two years left last week for the Reserve Officers' Training Corps Camps. George Clement is at the Signal Corps R. O. T. C. Camp at Camp Alfred Vail, N. J. Fontaine Flinn is at the Infantry camp at Camp Jackson, S. C. They will return late in August and will attend A. & M. College next year. There are ten distinguished military colleges in the United States and for the past ten days Texas A. & M. has headed the list.

Judge and Mrs. W. H. Standfield and Mrs. Standfield's two sons, Earl Mizner and Ray Eyestone are spending the summer in Cameron.

DOCTOR SAYS MENDENHALL'S CHILL TONIC BEST SUBSTITUTE FOR QUININE

J. S. Wells, M. D., Weidners, Ark. writes: "I have been practicing in Arkansas 20 years and constantly prescribe Mendenhall's Chill & Fever Tonic where quinine is contra-indicated for children and adults with weak stomachs. It sticks where others fail." We make chill tonic in two forms, one which contains no arsenic and one with red label containing 20 minims Fowler's Solution of Arsenic to each fluid ounce. Chill tonic with arsenic is indicated in chronic malaria anaemia (bloodlessness) general debility. Improves the condition of the blood when resulting from malarial influences. Arsenic is also useful in scaly skin eruptions and chronic eczema.

Sold by Avera's Drug Store.

Remember—Paint Devoe Paint

Cornell-Wood-Board

Triple-sized, takes the place of plaster—for Walls, Ceilings, Partitions, Repairs, Alterations and New Work

for Homes

for Garages

The Answer to the Housing Problem

THE problem of high rents and scarcity of quarters is being solved for thousands of American homes by the use of Cornell Wood Board walls and ceilings. Strong, rigid Cornell panels that take the place of plaster, quickly and inexpensively convert waste space such as the attic or spare room into an attractive, cozy guest-chamber, nursery, sewing room or den.

"Cornell 32" Will Add a Room

Cornell Wood Board of 32-inch width is especially adapted to hallways, ceilings and walls of small rooms, since it makes charming panel designs. It also gives the effect of height to walls with low ceilings. For large rooms, broad partitions and farm buildings "Cornell 48" is the ideal width.

Cornell is sized internally to resist moisture, expansion and contraction and is

primed at the mill (both sides), which saves the cost and labor of a priming or sizing coat. The oatmeal finish takes a perfect spread of paint.

Every panel of Cornell Wood Board—whether "Cornell 32" or "Cornell 48"—is guaranteed not to crack, warp, buckle or chip, if directions for applying are followed.

Get us on the phone or call at our yards today for sample of this remarkable board

Milam County Lumber Company Cameron, Texas

Cornell comes in 32 and 48 inch widths, called "Cornell 32" and "Cornell 48"—8 different lengths, 6 to 16 feet

ROCKDALE OIL NEWS

Texas Eagle Co.'s two shallow tests on the Davis tract are going down rapidly and they expect to get oil within ten days.

Burgess & Morgan, on the Bauer tract, damaged an excavator tool at 200 feet the first of the week and were engaged in pulling casing. They expect to be drilling again in a few days.

The Avo people are pulling casing in their Gilliland No. 1 in preparation of resetting. Minor troubles have delayed this well coming in for several days.

The Dixie-Winner Co., are getting ready for their drilling operations by re-equipping some of the old wells on their lease. When put in condition these wells will furnish fuel oil for drilling purposes.

The Quebedeaux well at Tracy last week passed through the first oil bearing sand, entering the sand at 354 feet and passing out at 370. A good showing of oil was had and if the second strata does not prove better the drillers will come back and pick up the first strata and call it a completed well.

P. B. Alexander of Dallas, was a Sunday visitor in Rockdale. He took with him some samples of the Rockdale shallow oil and cuttings from one of the drilling wells, and stated that with such samples he did not believe it would be any trouble to interest Dallas oil operators. He was very enthusiastic over indications.

Ed Hewitt of Houston, was circulating among the oil fraternity last week. Mr. Hewitt has on foot the organization of something big which will concern the shallow field of this section as well as cover all fields in the state. We will be privileged to say more about this project in the near future. Mr. Hewitt is a firm believer in the possibilities of deep oil in the Rockdale field.

Rod McDonald of Arizona, is in city this week and in company with E. P. Ridgeley has made quite a complete survey of the Rockdale oil field. Mr. McDonald is very favorably impressed with shallow showings here and is fully convinced that the deep oil will no doubt be brought to light by some of the deep tests now going down. He returns to headquarters this week and will very likely be back for further investigations in the near future.—Rockdale Reporter.

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of **GROVE'S TASTELESS CHILL TONIC** has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get **GROVE'S TASTELESS CHILL TONIC** when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

RUPTURE EXPERT HERE

Seeley, Famous In This Specialty, Called to Temple

F. H. Seeley of Chicago and Philadelphia, the noted truss expert, will personally be at the Martin Hotel and will remain in Temple this Tuesday only, June 29th. Mr. Seeley says:

"The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast improvement over all former methods—exemplifying instantaneous effects, immediately appreciable and withstanding any strain or position. This instrument received the only award in England and in Spain producing results without surgery, injections, medical treatment or prescriptions. Mr. Seeley has documents from the United States government, Washington, D. C., for inspection. All charity cases without charge, or if any interested call he will be glad to show same without or fit them if desired. Business demands prevent stopping at any other place in this section.

P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. **GROVE'S TASTELESS CHILL TONIC** given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

A card on Tuesday from the Henderson party who are touring California, said that they were in Los Angeles and had spent the day with an old Cameron girl, Mrs. King (nee Agnes Ledbetter).

We will receive Hogs Saturday and Monday at 100 pounds weight and up. R. L. Batte and Joe Schiller.

Announcement

This is to announce to the general public that we have purchased the Tire Store Business and the agency for the celebrated Firestone and Racine cord and fabric tires from Mr. Frank S. Lesovsky.

This business will be in operation under the new management Friday of this week. In addition to the tire agency and tire stocks the business is one of the best equipped in the state for doing tire repairing and will be operated with the best and most expert workmanship available.

Mr. O. B. Horstmann, expert in vulcanizing will have charge of the business beginning Friday.

We will not only sell the best cord and fabric tires on the market but will sell a service that cannot be duplicated anywhere. We will appreciate your business and are looking forward to a continued patronage for this tire store.

August Horstmann, O. B. Horstmann

THE BIG ELK

Dollars Are Seeds to Be Sown In the Field of Investment.
WILL YOU REAP A GOLDEN HARVEST?

We are offering the one big opportunity of the year in placing the stock of the Big Elk Refining Company on the market to investors both small and large. We have gone over the situation here in a careful and thorough manner and recommend this exceptional investment proposition to those who would advance a step in improving their chances of success.

Don't succumb to the world old curse of poverty.

We are going to build a 2000 barrel Refinery in Cameron to refine the oil already in paying quantities in Milam county fields. Drills are going day and night. The big strike will be made here. Now is the time to get in. It is the first clarion call of OPPORTUNITY to you. Refineries make multiplied millions of dollars annually for stock holders. Don't worry about when we will get the crude to refine—It's already here.

Oil must be refined. Shortage is enormous. Prices mounting. Come with the BIG ELK and win. Pioneering means everything. Don't wait. Send in that application TODAY.

Stockholders in Refineries GET BIG DIVIDENDS WITHOUT THE USUAL RISK taken by stockholders in speculative projects. It is a sure thing. Commercial reports and statistics show that Refineries not only pay enormous dividends, but, what is more important, they are PERMANENT DIVIDEND PAYERS.

NOTE THIS: The United States Committee on Public Lands brought out the fact, as reported in the Congressional Record that on 75,000,000 barrels of oil produced in Oklahoma

NET PROFITS of \$107,800.00 were made. Of this the land owner made \$5,450,000, the broker made \$2,400,000 company made \$19,790,000 and the refinery company that bought and refined the oil made \$86,250,000.

Please note that the big profit went to the company buying and refining the oil.

The Southern Refinery at Yale Oklahoma, paid for itself in sixty days.

The Dixie Company at San Antonio, Texas, a new company, paid the first

eight months, 15 per cent on its capital.

The Ponca City Refinery, Ponca City, Oklahoma in four years, paid 400 per cent in dividends and sold out netting its stockholders \$2,350 for each \$100 invested.

And there are many other such examples we could cite to show the magnitude of the possibilities for rich dividends to the small as well as large investors.

Such opportunities come but few times in a lifetime. The ground

floor means everything. If you wait you can't get in. Once a company is operating there is no stock for sale and consequently no opportunity to invest.

The Big Elk Refining Company understands the refining business and knows what it will pay.

Oil is flowing from wells in Tracy, Gushers will soon be brought in if geological and structural facts may be relied upon. This crude oil must be refined. Cameron is the logical point.

Already pipe lines are being surveyed out. This will be the terminal for the wealth that is soon to pour in from that field. Millionaires are going to be made in Milam county oil. Independent fortunes are going to be made from refinery dividends.

This is the clarion call of opportunity to you.

There is a vast difference between a speculative project and an investment. This is an investment, not a speculation. Get in with opportunity's first rap.

What This Refinery Means

The following tabulation of figures are based on a 2000 barrel daily capacity. Forty-two gallons per barrel, car load lots f. o. b. refinery.

30 per cent gasoline, or 25,200 gallons at 18 cents per gallon equals \$4,536 daily.

15 per cent Pale Oil, or 12,600 gallons at 10½ cents per gallon, equals \$1890 daily.

20 per cent kerosene, or 16,800 gallons at 7½ cents per gallon equals \$1260 daily.

10 per cent gas-oils or 8400 gallons at 5 cents per gallon, equals \$420 daily.

20 per cent grease stock, 16,800 gallons at 16 cents per gallon, equals \$1728 daily.

Gross daily income \$9,834.

Less cost of crude oil and operating expenses.
 2000 barrels crude oil at \$2.40 per barrel.....\$4,800.00
 Fuel, Labor and Water per day.....250.00
 Insurance and Depreciation.....50.00
 Overhead and Miscellaneous.....50.00

Total Daily Expenses.....\$5,150.00

ACTUAL TOTAL NET DAILY PROFIT \$4,684.00

Counting 360 working days in a year would give our shareholders an annual profit of \$1,686,240.00.

Fifty per cent of the earnings of this company shall be paid to the shareholders of said company at least once a year. Dividends shall be paid quarterly.

DIXIE--WINNER MAKING 10 BARRELS

WILSON MAY AID CLARK IN DEMOCRATIC CONVENTION

San Francisco, June 23.—The uncertainty of the situation here has resulted in giving San Francisco a flock of rumors which completely overshadow the Chicago crop.

One of these current today is that the President has decided to pay a long-standing debt and throw the weight and administration support behind Champ Clark, as a recompense for Baltimore in 1912. The former speaker heretofore had been considered an outsider in this race.

The rumor is given some credence by the presence here of Bennett E. Clark, the Missourian's son.

Another report current in the lobbies today was that both the McAdoo and Palmer candidacies would benefit by a White House declaration at the eleventh hour.

Waiting for Advice

It is, however, inconceivable to many of the delegates and politicians here that President Wilson, the acknowledged leader of the party, will allow nearly 1,000 uninstructed delegates to go into a free and open convention without some word as to how the White House stands.

Here again, it was pointed out today, the situation is similar to that existing in Chicago. Everybody is waiting nervously for word "from a sick man" who lays at the end of a private line many miles away from the scene of action.

Unless something is forthcoming from the White House which will change plans now in the making, it is certain that no less than fifteen names will be presented to the Democratic convention here next week as recipients for nomination honors.

Aside from the name of Woodrow Wilson himself, four names stand out preeminently today as the vanguard of the delegates began to arrive. These are William G. McAdoo, A. Mitchell Palmer, Vice President Thomas R. Marshall and Governor James E. Cox of Ohio.

The continued silence from the White House on the question of a third term or any particular candidate, is creating a situation akin to that existing in Chicago right up until the Saturday upon which Senator Harding was nominated. The delegates and political mentors already here are uncertain which way to turn for guidance or a fight.

There is a distinct feeling among arrivals that the silence from the White House is soon to be broken—that the President will in a few days either nominate or eliminate himself, or else he will throw the tremendous weight of his support behind someone of the fifteen men in the striving.

No Orders Made Public

National Chairman Homer S. Cummings is in daily communication with the White House. He has instant access to Pennsylvania Avenue both by private telephone wire and telegraph. He has talked this week with Secretary Joseph P. Tumulty and with others of the President's immediate family.

The results of these conversations have been carefully withheld. If President Wilson has issued any orders they have not been relayed here to any one of his numerous lieutenants on the ground.

B. F. LOONEY DRAWS FIRST PLACE ON COUNTY BALLOT

SPEAKER THOMASON GETS SECOND AND SENATOR BAILEY LAST PLACE ON TICKET

Ben F. Looney, former attorney general and candidate for Governor, drew first place on the Milam County ballot for the Democratic Primary to be held on July 24, while the name of Robert E. Thomason of El Paso, speaker of the house of representatives appears second on the official ballot. Pat M. Neff of Waco drew third place and Joseph W. Bailey drew fourth and last place.

W. A. Johnson of Hall county, lieutenant governor, and candidate for reelection drew third place on the ballot while I. W. Culp of Temple drew last place.

The official ticket has been completed by Chairman W. W. Chambers, in county politics as few of the only a minimum interest is being taken in county politics as few of the candidates have opponents. A great deal of interest is being taken in the gubernatorial race with forces fairly well lined up for their respective candidates. Mr. Looney and Mr. Neff have spoken in the county but the other candidates have not spoken here. Efforts are being made at this time to secure a date for Speaker Thomason and friends of former Senator Bailey say he will speak here during the campaign.

Efforts are being made also in behalf of T. H. McGregor of Austin, the American Party candidate for governor. Mr. McGregor will speak here Saturday.

Marvin Pugh of Ben Arnold, was in Cameron Monday.

PUBLIC SPEAKING

Hon. T. H. McGregor of Austin, Texas, will address the voters of Cameron and the surrounding country from the Court House Lawn at 26, 1920, on behalf of the platform of the American Party and his candidacy for Governor.

Senator McGregor is one of the ablest and most entertaining speakers in Texas and regardless of your political affiliations it will be well worth your while to hear an able statesman discuss the live issues of the day.

Saturday, June 26, 1920 at 3 P. M. on the Court House Lawn at Cameron Texas. 7-21

PAT M. NEFF SPEAKS IN THE INTEREST OF RACE FOR GOVERNOR

HUNDREDS HEAR WACO ATTORNEY DISCUSS CANDIDACY AND PUBLIC QUESTIONS

Pat M. Neff of Waco, candidate for Governor, made his first campaign address in Milam County Monday night when he spoke in Cameron to several hundred citizens, discussing at length the platform on which he is seeking election.

Mr. Neff was introduced by T. S. Henderson, Sr., Cameron attorney, as a man worthy the consideration of the people for the high office of Governor. In the audience were people from all over the county as well as from adjoining counties. Mr. Neff was frequently applauded by his friends in discussing the various phases of his platform.

Unlike other gubernatorial candidates Mr. Neff declares he has no campaign organization but is carrying his fight to the people and so far has spoken in a number of counties where no candidate for governor has ever spoken.

Discussing his platform in part Mr. Neff said he is in favor of better educational systems and better pay for teachers. He declared for a marketing system for agricultural products and for a road building campaign.

While Mr. Neff's printed platform and many subsequent speeches since entering actively upon his candidacy for governor declared for a graduated tax on excess land in Texas, he did not discuss this phase of the land plank, but was outspoken in his demand for a law which will force landowners holding large bodies of agricultural land to place it upon the market. Such a law, he said, should not apply to "land in cultivation or pasture lands." He urges that the state shall lend its credit to assist citizens in purchasing this land which is forced upon the market to be developed.

He declared for a revision of the tax system and transferring of some of the burdens from the farms to other properties. Mr. Neff declared he has always been for prohibition but that issue like the suffrage question is settled and need not be discussed.

Mr. Neff concluded his speech with a plea for the conservation of child life. He left the city Tuesday morning for Rockdale and from there went to Caldwell and Giddings.

The Cameron Concert Band gave a concert preceding the speaking.

REPORT TO TEMPLE TELEGRAM SAYS TRACY WELL MAKING TEN BARRELS

The Temple Daily Telegram published in its issue of today under a Cameron date line a report from the Tracy oil field which declares that the Dixie-Winner Drilling Company well No. 1 spudded in several weeks ago, is producing ten barrels a day. The report says the well was put on pump Monday and produced eight barrels but increased its production Wednesday to ten barrels. News of this production has not reached Cameron.

The Herald publishes below the dispatch in full as it appears in the Telegram.

Cameron, Texas, June 23.—Word from the Tracy field states that the Dixie-Winner well No. 1, which was put on the pump Monday and delivered eight barrels the first day, increased its production yesterday to ten barrels. This is from an 8 inch hole. The Dixie-Winner's No. 2 well is now going down, 15 inches in diameter, and it is the belief of those familiar with this field that production from this size hole can be brought up to twelve or fifteen barrels per day. This company proposes to finish one of these wells each week with their present equipment, and later additional rigs will be set to work by them. They are now busy laying pipe lines, erecting storage tanks, and making preparations to take care of their production, which they expect to increase to several hundred barrels per day within a few months.

ANTI MOSQUITO CAMPAIGN NOW UNDER WAY; MAYOR HEARELL FOR CLEAN CITY

shallow wells, cesspools, leaky pipes, Preliminary work in connection with Cameron's anti-mosquito campaign began Monday, when inspector W. W. Culver, who has just returned from Navasota, where he made a study of the campaign there, started making a survey of the city.

Mr. Culver, in the next couple of weeks, will visit every home in Cameron, searching for mosquito breeding places and outlining the methods and procedure to be followed in the campaign. Upon completion of this task which in itself will result in the elimination of a very large number of breeding places, regular control work will be begun. This will include drainage, the cleaning out of stopped-up ditches, oiling, the stocking of wells, underground cisterns and pools with fish and a rigid inspection of premises.

The plan of campaign contemplates that each resident shall keep his or her premises in sanitary condition, from an anti-mosquito standpoint. For the guidance of householders, the following suggestions are offered in this connection:

The principal mosquito breeding places about the average home are tubs and barrels of water, cisterns, sink and bathroom waste water, piles of old tin cans that hold water and stopped up roof gutters. Tubs and barrels of water that it is desired to preserve may be covered with cloth and a hoop pressed down over the cloth or a string tied tightly around it. If this is not done they must be changed literally once a week with clean water.

Netal cisterns should be covered in such a manner as to be mosquito proof or else oiled weekly. Underground cisterns may be stocked with top minnows.

Should wiggly-tails appear in shallow wells, a few top minnows should be put in the wells. Cesspools should be tightly covered. If they are not, they must be oiled very liberally once a week.

Leaky pipes must be fixed. Sink and bathroom waste water that stands a week or longer must be oiled once a week.

Piles of old tin cans should be removed or buried. Cans from now on should have one or more holes punched in the bottoms before being thrown out.

Stopped up roof gutters, of course, should be cleaned out.

THOMASON FRIENDS AFTER EARLY DATE FOR SPEAKER HERE

HAS BEEN ASKED TO SPEAK AT THORNDALE AT BIG CELEBRATION THERE

An early speaking date for Robert E. Thomason of El Paso, speaker of the house of representatives and candidate for governor, in Cameron is being arranged as speedily as possible by the Thomason Campaign Committee of which Giles L. Averett is Chairman.

Some of his friends went to Temple to hear his speech Tuesday night.

NEW PICTURE THEATER TO COST \$15,000 IN CAMERON

A new moving picture theater to be thoroughly modern in every detail and to cost approximately \$15,000 is to be constructed in Cameron by Sam Hefley, owner and manager of the Wonderland Theater.

Announcement of the project is made today by Mr. Hefley following the closing of a lease on the building adjoining the Palace of Sweets and occupied by Avera's Drug Store. Mr. Hefley will continue to operate the Wonderland Theater after the completion of the new theater, thus giving Cameron two theaters and better seating accommodations for the movie fans.

The plan of the new theater will be modern in every detail and will be planned by theater architects. The building will be remodeled and the second story will be turned into a gallery with a seating capacity of several hundred. A stairway will lead to the upper floor from the lobby entrance which will be fitted out with a modern booth and tile floor.

Mr. Hefley announces he will show the best pictures that can be obtained in Cameron. The new theater will meet a very pronounced demand in Cameron for a more modern amusement place and the announcement will be welcomed by the public.

It is not decided when construction will begin on the new theater but it is thought that the new place will be in operation by early fall and by winter.

Tracy Well on Davis Tract In For First Production. Is Old Test on Pump.

Replying to a telegram sent this morning by The Cameron Herald regarding the published report in the Temple Daily Telegram that the Dixie-Winner Well No. 1 on the Davis tract in the Tracy field had made ten barrels production on its second pump test, E. K. Williams, owner of the Temple Telegram and president of the Dixie-Winner Drilling Company confirms the report and declares in a telegram to The Herald the well made ten barrels Tuesday.

In the telegram replying to The Herald Mr. Williams says the well is an old test and has been cleaned out and put on pump. The well, he says, was placed on pump Monday and made eight barrels and on the following day made ten barrels, having filled up over night.

This well is located on the 115 acre Davis tract for which the company recently paid \$11,500. The company has a new well going down three hundred feet from the old test which made ten barrels with fifteen inch tools.

This is the only production of any consequence yet obtained in Tracy and has caused excitement to become intense among oil men who are interested in the field.

The company is drilling a number of shallow wells and declares efforts are now being made to construct pipe lines and other facilities necessary for marketing the oil which the test placed on pump Monday indicates exists in sufficient quantity.

Following is the telegram from Mr. Williams:

Temple, Texas, June 24, '20.

Cameron Herald.

Cameron, Texas.
"Old test well on our lease cleaned out and put on pump Monday, made eight barrels, filled up over night and pumped ten barrels next day. Three hundred feet from our new well now drilling with fifteen inch tools."

BAPTISTS SETTING THINGS IN ORDER FOR BIG REVIVAL

EVANGELIST EVANS OF FORT WORTH TO PREACH IN MEETING SUNDAY, JULY 4

Committees in charge of preparation for the coming revival meeting at the Baptist church have been very active for the past week looking after the details of the work. The pastor, Rev. B. B. Blaylock, has returned from Llano, where he conducted a meeting and is assisting in setting things in order for the big religious campaign.

Evangelist Perry F. Evans of Fort Worth will assist the pastor, Rev. B. B. Blaylock, in conducting the revival.

Singing Evangelists Mr. and Mrs. I. E. Reynolds of the Baptist Seminary will have charge of the music and singing during the revival as special assistants to the Evangelist.

The church will seek to make the revival of country wide interest as all adjoining towns and communities will be asked to attend and participate in the meeting. It will be a great constructive Christian effort pitched along the lines of permanent good that in the end Cameron will be a better town, its moral and spiritual atmosphere made better.

The influence of the revival as pointed out by the pastor, Rev. Mr. Blaylock, will be extended to every nook and cranny of the Cameron territory that the people may see that Cameron is not only their logical and most beneficial commercial center but vital to them in a religious way, offering Christian advantages that are commensurate in their service and necessity with the city as a commercial point. In this declaration is seen a very broad and constructive evangelistic policy to be pursued in the coming revival.

The meeting will be held on the lawn of the church with seating accommodations to meet the demand of the large crowds attending from the city as well as the neighboring towns and rural districts.

The first service of the big revival will be held Sunday morning, July 4. The Evangelist, Perry F. Evans, is

TRADE ADVANTAGES IN ARMY APPEAL TO MEN SAYS OFFICER

CAPT. E. P. DUVAL OF HOUSTON INSPECTS POST IN CAMERON THURSDAY

Captain E. P. Duval, assistant recruiting officer, Houston District, visited Cameron Thursday on a recruiting inspection. Captain Duval says that the army is filling up so rapidly that he doesn't know just how much longer the need of recruiting will last; and adds that while the greater number of young men are jumping at the various trades and educational work the army now offers, thinks, the "golden opportunity" lies with the recent high school graduate or the young man who has had the equivalent amount of work at college. He says this class of young men has the opportunity of enlisting in the army and after one year's service, during which time they have all the favors granted to the rest, including passes up to one month's furlough; they can enter the U. S. military academy at West Point, N. Y., on their school certificate, a privilege which many young men in civil life crave but which they can't get except through congressional political influence and much expense in preparation. Captain Duval adds that the military academy is the realization of many a young man's ambition in the East, with its wonderful educational advantages and foremost athletic teams and he wishes that more high school graduates who are also star athletes could realize what a great chance they have to display their ability as students and athletes.

Mr. and Mrs. Dick Clark and children with Mr. Clark's mother and their guests, the Misses Johnston of Caldwell, motored to Rockdale Tuesday to see the ball game between the Fats and the Leans.

one of the leading evangelists of his day, a striking and intensive personality and his sermons will be in the nature of a thorough indictment of the sins of the age.

PRIZE WINNING LETTER TRADE AT HOME

A Subscriber

Everything our home town is and everything you hope to make it depends upon the co-operation of loyal citizens.

Trading with our home merchants affords us so many opportunities and advantages which they cause to exist.

The circulation of our money is kept within the bounds of our own community and by that means we make it possible for business to continually improve.

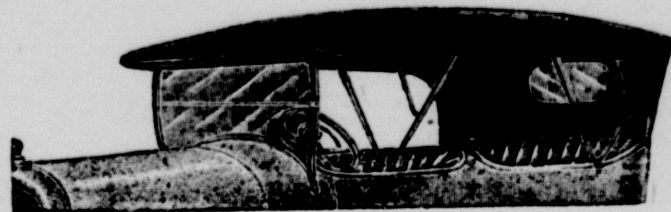

So much depends upon the farmer, if he sells his produce to distant cities and buys his merchandise from out of town houses, he could never expect his home town to flourish.

We walk into a big department store, lighted up, elaborate displays

on fine fixtures, but just think of the expense. There is so much extra service that is wholly unnecessary. We surely realize that this extra expense must be made up for in some way, the only way it is reached is by higher priced articles.

In ordering through the mail order catalogues, the merchandise received is never what we expected it to be, but rather than go to the trouble of sending it back and getting our money, we just keep it and are dissatisfied because we have been so unfair to our merchant.

The trade at home movement means so much to our town, so let's all give it more consideration and watch our town grow.

MISS INEZ TYSON ENTERTAINS

In honor of her two guests, Miss Myrtle Tyson of Maysfield and Louise Holloman of Calvert, Miss Inez gave a delightful picnic last Friday evening at Holtzclaw's bridge.

Mrs. Bill Bonds chaperoned. The girls furnished a delightful lunch and the boys carried fruits.

Those in the party were: Misses Myrtle Tyson, Louise Holloman, Louise Adams, Bess Wiley, Mary and Jennie Tyson and Messrs. White Hubert, Coran Yates and D. Harrison.

MISSIONARY PARTY

Mrs. W. O. Triggs entertained her missionary society last Tuesday afternoon.

There were fifteen present to enjoy this charming hospitality.

The ever popular spelling match of Bible names and places was used.

At the close Mrs. Triggs served cream and cake.

S. S. PICNIC

Last Tuesday afternoon eighteen little folks were made happy by their teacher, Mrs. Frank Lacy, in the City park for the afternoon.

She was assisted in entertaining them by Miss Agnes Dusek. Delightful stories were told and numerous games played and at the close just all the caramel ice cream and chocolate cookies they could eat was served.

The little folks will long remember the day and look for its coming again.

SLUMBER PARTY

Last Thursday night Mrs. Louise Adams was hostess to ten girls in honor of her guests, Miss Minnie Thomas of Devine. After the girls arrived they formed into a box party and, chaperoned by Mrs. P. O. Adams, they went to the Wonderland Theatre. After the show they went for a long drive and on their return were served to delicious ice cream and cake. The Adams family slept very little, but the girls had a glorious time. Those constituting the party were, Misses Minnie Thomas, Mamie Lee Tabor, Louise Adams, Agnes Henderson, Maurine Messimer, Velda Walker, Francis Hefley, Louise Denson, Bessie Wylie and Dulce McCall.

Miss Henriem Hefley's Party

Mrs. Henry Hefley invited about one hundred and four little boys and girls to come and play with Henriem last Friday.

Ninety-six little tots gathered on this beautiful lawn on Hefley Heights and assisted by Mrs. Don Tyson and Misses Elizabeth Adams, Harriett Flinn, Maurine Clinton Sallie Kate and Mary McLane it is needless to say that a most delightful party was given and all the children made happy. Numerous games were played, and stories told by Miss Sallie Kate McLane while the children ate candy and pop corn.

At the close of the evening ice cream cones were served. Although it was not a birthday party quite a few of the children carried presents, handkerchiefs, etc.

PICNIC, BOX, SLUMBER AND SWIMMING PARTY

Miss Elsie Rogers gave a progressive party beginning last Friday afternoon and terminating Saturday morning at 10 o'clock.

Nineteen couples participated with Mrs. William Rogers and J. W. Joyner chaperoning. At five o'clock a big truck and two cars took the party to Holtzclaw's bridge for a chicken supper.

When they came back they drove around to show the visiting boys and girls our little city before returning to Mrs. Rogers to prepare for the box party.

Eighty-three found the party seated at Wonderland Theater enjoying the delights of the movie. And it was a pretty picture when they were seated at the Palace of Sweets for a treat. Returning to Mrs. Rogers, music on the Edison and an informal reception held.

Repeated efforts on the part of the girls finally got the boys off at a late hour and it was then that the real fun began.

A slumber party, which is anything but to "slumber" began right. At midnight the neighbors were aroused by beautiful (?) music on combs, songs and laughter.

A midnight luncheon of chicken salad and pimento sandwiches and ice cold peaches was enjoyed.

Dares were made and taken to stay awake all night and seven out of thirteen stayed up played pranks all night on the sleepers.

A five o'clock early morning drive waked all up to enjoy a seven-thirty breakfast.

All who were not wide awake by then sure waked up when they plunged into the cold water of the "Nat" at eight-thirty.

Ten o'clock found the girls at their respective homes to "slumber" the rest of the day.

It was indeed a wonderful party and will be remembered throughout life by all who attended.

BIRTHDAY PARTY

At the country home of Mr. and Mrs. B. O. McClaren, little Miss Sue celebrated her eleventh birthday last Friday.

Twenty-five boys and girls from Cameron went out and had a most delightful time playing games and in a contest guessing the number of beans in a bottle John McDermott won a box of candy.

Cake and cream were served on the lawn.

Five of the little girls remained for the night: Misses Iva and Ima Wilson, Mazel Bigby, Nita and Charlotte Pardo.

EPWORTH LEAGUE CAMP

The Epworth League camp was postponed until next week on account of a rise of the river.

Mr. and Mrs. P. O. Adams and Mr. and Mrs. Bill Alex Bonds are to be the chaperones.

CAM-HI ANNUAL

The Cam-Hi Annual of the Class of 1920 is one of which the class may justly be proud. It is gotten up on splendid paper, with clear cut pictures and green and gold covers the class colors.

It is dedicated this time to the President of the Board, Dr. A. S. Epperson in appreciation of his untiring energy and efforts in supplying the best possible for Cameron High School.

Our merchants advertised very liberally in it and if you haven't one, get

one and you can spend an hour very pleasantly reading it.

MISS SUDIE HAMILTON IS HONORED

Despite the storm Tuesday night about forty young people gathered at the home of Mr. and Mrs. J. W. Coleman where Miss Sallie was hostess in honor of her cousin, Miss Lottie Hamilton.

The party was to have been a moonlight party on the lawn, but when the storm came the doors were thrown open and the young people had a delightful time playing progressive conversation.

Delicious punch was served throughout the evening and at the close brick cream and cake.

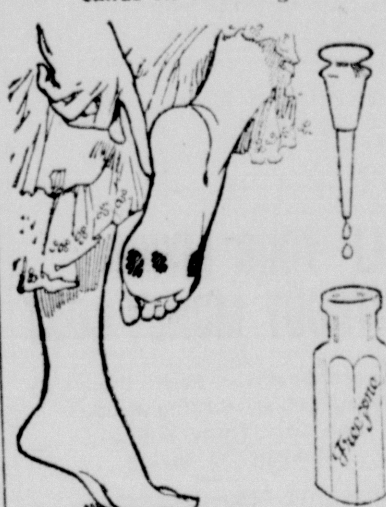

Out of town guests were: Misses Sudie Hamilton of Sinton, Edna Moody of Minerva, Winnie Thomas of Devine, Messrs. James Crutcher, Nashville, Tenn., Bill Ulha, H. C. Connelly, and Charles Smith of Rosebud.

STEVENS-MULLEN

The wedding of Miss Elinor Stevens, the younger daughter of Mr. and Mrs. Porter Stevens, of this city, to Mr. W. P. Mullen of Taft, Texas, was

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

solemnized at the Presbyterian church Wednesday afternoon at 5 o'clock, Rev. MacFadyen of Cameron, officiating.

The bridegroom was accompanied by his brother, Mr. Lee Mullen as best man while Miss Lottie Banzhaf was bridesmaid and accompanied the bride to the altar. Mrs. Ray Mullen played Lohengrin's wedding march as the bridal party entered the church and marched to the altar, where Rev. MacFadyen pronounced the ring ceremony. Just previous to the entrance of the bride party Mrs. W. A. Coffield sang "Because."

The church was beautifully decorated in ferns and pink roses, the color scheme being white and pink, large bows of white tulle being effectively used. Messrs. R. C. Allen and W. C. Marrs acted as ushers.

Immediately after the ceremony the

happy couple departed on the Sunshine Special for San Antonio, where they will spend a few days before going to their home at Taft, where the groom is a prominent young business man.

The bride is one of Rockdale's most charming daughters, with a host of friends who will join Tae Reporter in expressions of good will, and in assuring Mr. Mullen that he has indeed won a prize.

Out of town guests for the wedding included the following:

Mr. and Mrs. Roy Mullen of Taft, Mr. Lee Mullen of Gregory, Misses Ada Sanders and daughters, Misses Gena and Sue of Cameron, Mr. and Mrs. Ben McClellan of Minerva, Mr. and Mrs. John Pickens and family of Hamilton Chapel, Mr. and Mrs. Coleman and family of Cameron, Miss Ada

Stevens of Dallas, Mrs. Clyde Franklin of Cameron.—Rockdale Reporter.

BIRTHDAY PARTY

Little Master Rayburn Mode celebrated his sixth birthday Tuesday afternoon by making twenty or more little folks happy out on Hefley Heights.

It was a party, of course, the kind all the children delight in especially the little fellow to receive the presents.

Games in the yard first, followed by cutting the cake and eating it with ice cream. Early watermelon also was served.

KICKING ON SIZE

Just what is behind the mystic
craze of most cities of this country
for numbers? When the census bu-
reau publishes the population of little
towns you hear a roar from the
throats of all the inhabitants. Citi-
zens after citizens rises to proclaim
the fact that they were not counted.
Committees spring into being, news-
paper articles fly fast, the government
promises co-operation in a recount if
inaccuracies are shown, and the af-
fair settles down.

When the population of a big town
is given out the same uprising of the
denizens occur, the same thunders
descend upon the luckless bureau, and
the same evolutions of the city pro-
tests take place, only in larger tone
than they enjoyed in the smaller places.
Every living citizen of every
living town, and we suppose, some of
the dead in many of the dead towns
gnash their teeth in anger when the
population of either burg is given out.
Now what is it that makes Americans
rampant for numbers?

There is no merit in size. The pre-
historic dinosaur will admit the point.
Its huge bulk rendered it a prey for
the faster, smaller animals. Merely
because a certain town has 10,000 popu-
lation and another place has only
7,000 does not indicate the relative
fitness of the towns as places for re-
sidence. Yet the average American
thinks he is better off through the
fact of living in a large place. How
foolish!

Think of the thousands of good peo-
ple who are leaving the country for
the towns. Of course, some of them
are leaving for better schools, but the
country schools are getting better ev-
ery year. Others seek more conven-
iences, but the country is getting more
like the city every day. Most of
them are leaving merely to get into a
great mass of humanity, a swirling
procession of nondescript folk. It is
a funny phenomena that we cannot
understand.

MONEY AND THE PRESIDENCY

The use of large sums of money in
the Presidential contest is not to be
encouraged. Both of the leading po-
litical parties plan to spend millions
of dollars this year. In fact, some of
the candidates for the nomination of
their parties spent sums ranging from
many thousands to nearly a million
and a half. Without meaning to im-
pute wrong to any candidate, or to
any party, and merely with a view to
attract attention to a common error,
we ask the question, what legitimate
use can a campaign committee have
for three or four million dollars?

That such an expenditure is absurd
is apparent to any of us who are not
hired speakers, or paid workers. Those
who get the boodle that the rank and
file of the two parties put up are well
paid for mediocre work. Naturally,
they endorse the idea. We do not
think that the use of this much money
is conducive to clean politics, and
for that reason we believe that some
law should be passed limiting the ex-
penditure that may be made by parties
and individuals. The use of much
money in politics is always a gateway
to corruption.

FOR BETTER HEALTH

The action of Mayor U. S. Hearrell
and the Honorable City Council in
passing new laws to improve sanitation
and the launching of a campaign for
the extermination of the mosquito in
Cameron, stands out as the most
beneficial official act in recent years
looking to the safeguarding of the pub-
lic health and placing the city in the
front rank of progress.

This week experts in the employ-
of the State Board of Health are cam-
paigning in Cameron against the mos-
quito and thus inaugurating the health
campaign so wisely sponsored by the
city council and so liberally supported
and approved by the citizenship of
Cameron. There will be a noticeable
improvement in the public health when
this campaign has been completed as
has been shown in similar campaigns
in other Texas cities and the net re-
sults in improved public health.

The new sanitary regulations will
go into effect early in July prescribing
certain standards to be adhered to
in disposing of garbage and waste.
In this attractive piece of city legisla-
tion the dread typhoid germ will have
been controlled if not exterminated
altogether.

Now that this new legislation is
about to become effective it is the du-
ty of every right thinking citizen to co-
operate with the officials in deriving
the maximum of benefits. Cameron
will be a cleaner and better town and
its citizenship will have the proper
health safeguards.

The weakness of Edward's candi-
dacy for the Democratic nomination,
says the New York World, is that
most of his supporters are now resi-
dents of Cuba.

THE BETTER PART

By VICTOR REDCLIFFE.

"So you and Cora have decided to
embark upon the sea of matrimony,
Brill?"

"I am happy and fortunate in saying
'yes.'"

"Cora is a fine girl," declared Myron
Blair. "I'd ought to know, for she is
my sister-in-law. She will make you
a good wife, only—one piece of advice,
cut out the mother-in-law."

"I hardly understand you," spoke
Wallace Brill, with manifest resent-
ment.

"You will when you get farther
along in your experience. See here,
as relatives prospective by courtesy, I
can be plain with you. If one princi-
ple was instilled into my nature by
prejudice and observation it was the
mother-in-law problem. When I mar-
ried Bella Mayne I made up my mind
to run no risks of having a fussy, med-
dlesome old lady on my hands. Of
course I said nothing to Bella. Of
course I treated Mrs. Mayne with all
due respect. Firmly, persistently,
though, I adopted a policy of proced-
ure that set up the bars against any
mother-in-law invasion. I settled down
in a house at the farther end of the
village on purpose, so Mrs. Mayne
wouldn't find it convenient to run in
on us every day. When the two chil-
dren came along I saw to it that they
didn't come under her rule and influ-
ence in any way. No, sir! I tell you,
Brill, the man who wants a well-or-
dered household must keep the mother-
in-law at a distance. Hello! There's
a man I want to see on business," and
the voluble speaker darted off.

Wallace was glad. In another mo-
ment he would have been unable to
control his indignation. To him the
mother of his bride expectant was al-
most a part of herself, and a person
for whom he felt a dutiful and respect-
ful consideration. Then, again, Wal-
lace knew something of "the system"
of Myron Blair and its results. It had
not worked, except for the selfish bene-
fit of shallow, self-opinionated Blair.
As Wallace was well aware it had
brought misery and unhappiness to
others—victims who made no com-
plaint, but silently experienced their
wretchedness because they were of a
noble, self-sacrificing nature. When
Blair installed the daughter in a home
two miles away, Mrs. Mayne experi-
enced a loneliness that might have been
easily avoided. When Blair jealously
restricted the children to only occa-
sional formal visits to their grand-
mother, it almost broke her heart. The
absence of her mother at critical junct-
ures in her life meant suffering and
a broken constitution for Bella, and
the boastful, insensate Blair fancied
that as a model disciplinarian he was
a decided success.

Wallace Brill had not known a
mother's care from early childhood.
When he began to pay attention to
Cora Mayne it seemed as though her
mother came to fill a precious place in
his life.

Very careful was Mrs. Mayne
to refrain from intruding her per-
sonality or her views upon this
new prospective son-in-law, but she
bestowed many a grateful look upon
him and her old, wearied heart warm-
ed toward him, as he clearly
showed that he not only desired, but
cherished her interest and counsel in
the problems that confronted Cora and
himself on the threshold of their mat-
rimonial venture.

Wallace was doing well in a busi-
ness way. He had been thrifty and
had accumulated sufficient to enable
him to start out in life with a home
of his own. When he first spoke to
Cora of this it was in the presence of
her mother.

"Well, I settled about a lot today,"
he announced in his brisk, pleasant
way. "I say, mother, there's one dis-
appointment. I have tried to get as
near as possible to the old homestead
here, but the only vacant lot that fitted
to my money requirements was two
squares down the street."

"That—that is not far, is it, Wal-
lace?" spoke the old lady. Her tones
were tremulous.

"If you will put on your spectacles,
mother," went on Wallace, "we'll all
draw up to the table and look over
some plans for a new house I got from
the architect today. 'There,' as he
settled her in the most comfortable
chair and directly at his side, "with
such counsellors as you precious two,
I'll warrant we'll have a regular little
palace."

With his pencil Wallace went over
the plans—parlor, dining room, kitchen,
bedrooms, closets, and then he in-
dicated a special apartment.

"I'm throwing myself on that room,"
emphasized Wallace with a token of
rare pride in his tones. "Sunlight on
three sides, ventilation perfect, con-
venient to all the other rooms in the
house. What do you think of it,
mother?"

"Your den, I suppose?" said Mrs.
Mayne.

"Oh, no," replied Wallace promptly.
"That's your room, mother."

"My room!" faltered the old lady, all
a tremble.

"All your own, and no one else's,"
declared Wallace. "How do you like
it?"

Mrs. Mayne fixed her faded eyes
upon the speaker with a devotion and
gratitude that thrilled him mightily.

Then upon his shoulder sank her sil-
vered head. And then, her arm about
him, joining in the grateful sobbing of
that dear old soul, Clara Mayne
clasped both in her arms and Wal-
lace Brill felt that life was indeed
sweet.

FARMER'S INCOME SUBJECT TO TAX

Gains for 1919 Must Be Figured
Under U. S. Law—Returns
Due March 15.

LAND SALE PROFITS TAXABLE.

Necessary Farm Expenses May Be
Deducted—Special Form for Farm
Income—Cash or Accrual
Basis for Computing.

A farmer, shopkeeper, or tradesman
must figure up his net income for 1919;
and if the farm or business income
plus his other income was sufficient to
require an income tax return a com-
plete return must be filed with the col-
lector of internal revenue by March 15.

A farmer should ascertain the gross
income of his farm by computing all
gains derived from the sale or ex-
change of his products, whether pro-
duced on the farm or purchased and
resold.

Farm Expenses.

From his gross income a farmer is
allowed to charge off all of his neces-
sary expenses in the conduct of the
farm during the year. These include
costs of planting, cultivating, harvest-
ing and marketing. In addition to
these costs he may deduct money spent
for ordinary farm tools of short life
bought during the year, such as shov-
els, rakes, etc. Also, the cost of feed
purchased for his live stock may be
treated as an expense in so far as this
cost represents actual outlay, but the
value of his own products fed to ani-
mals is not a deductible item.

Other farm expenses allowable are
the cost of minor repairs on buildings
(but not the dwelling house), on fences,
wagons and farm machinery; also bills
paid for horseshoeing, stock powders,
rock salt, services of veterinary, insur-
ance (except on dwelling house), gaso-
line for operating power and sundry
other expenses which were paid for in
cash.

As to hired help, all the productive
labor is a deductible expense; but the
wages of household servants, or help
hired to improve the farm, as in tree
planting, ditching, etc., cannot be
claimed against earnings. A farmer is
not allowed to claim a salary for him-
self or members of his family who
work on the farm.

Wear and Tear.

Purchase of farm machinery, wag-
ons, work animals, etc., also the cost
of construction or extension of build-
ings, silos, fencing, etc., should be con-
sidered additional investments in the
farm and are not proper deductions
against income.

A reasonable allowance may be
claimed for wear and tear on farm
buildings (except the farmhouse),
fences, machinery, work animals, wag-
ons, tanks, windmills and other farm
equipment which is used in the con-
duct of the farm.

As to autos and tractors, the cost of
these is not an expense, although the
cost of their upkeep is an allowable
deduction, if the machines are used ex-
clusively for farm purposes and not
for pleasure. Also, in such cases, a de-
duction for wear and tear is allowed.

Farm Losses.

The loss of a growing crop is not a
proper deduction from income, inas-
much as the value of the crop had not
been taken into gross income. The
loss of a building or of machinery
through storm, lightning, flood, etc., is
an allowable deduction, but care should
be used to ascertain the correct loss
sustained, as restricted by income tax
regulations.

No deduction is allowed in the case
of loss of animals raised on the farm,
but a loss is deductible from gross in-
come if the animals had been pur-
chased for draft or breeding purposes.

Shrinkage in weight or value of farm
products held for favorable market
prices cannot be deducted as a loss, for
the reason that when such products
are sold the shrinkage will be reflected
in the selling price.

Sale of Farms and Land.

The value of agricultural lands has
been jumping during the past few
years, and during 1919 many owners
sold out part or all of their lands at
big profits. All such gains constitute
income and must be taken into the net
income for the year.

Any person who sold part of a farm
or ranch, or part of a parcel of land,
must also show any gains realized by
the sale.

The method of figuring gains and
losses on such transactions is pre-
scribed in the Income Tax regulations,
copies of which may be secured from
Internal Revenue Collectors.

Forms for Returns.

The Internal Revenue Bureau has
issued an improved Form 1040F for
the use of farmers. This form, to-
gether with Form 1040A or 1040, will
give the farmer explicit information
as to how to properly figure his net
income for 1919.

There are two methods of figuring a
farmer's income tax return this year.
He may make his return on the basis
of the difference between the money
and goods received for his products
and the cash paid out for actual allow-
able farm expenses within the year.
Or he may make his return on the ac-
crual basis, which means computing
the receipts and expenses that pertain
to the taxable year, excluding income
earned and expenses incurred in pre-
vious or succeeding years.

ACCEPTS POSITION WITH ROBERT McLANE COMPANY

Trent Newton, well known young
business man of Rockdale, has accept-
ed the position of city salesman for
the Robert McLane Company in Cam-
eron.

Mr. Newton has taken up his du-
ties with the wholesale firm having
arrived in the city Monday. He was
formerly with Scarborough & Hicks
at Rockdale and is well known in
Cameron. He went to Rockdale from
Bryan.

PURCHASE TIRE STORE

August Horstmann and brother, R.
B. Horstmann, have purchased the
tire store formerly operated by Frank
S. Lesovsky and have taken charge
and begun its operation.

Mr. Lesovsky will turn his attention
to real estate and loans, a business he
has been engaged in for a number of
years.

The Horstmann brothers are to
continue the Firestone tire agency as
well as the Racine in cord and fabric
tires and tubes. They will operate
the repair business in the former ef-
ficient manner. The business will be
in charge of O. B. Horstmann, expert
in vulcanizing and tire repairing.

August Horstmann is now with the
Joe J. Michalka auto house and will
continue there indefinitely.

These young men have many friends
here who will be glad to learn of their
business venture.

The trouble with the overall move-
ment was that the people who put
them on forgot to work.

Vice-President Marshall says what
this country needs is a good five-cent
cigar.

HALF YOUR LIVING WITHOUT MONEY COST

Continued Southern Farm Prosperity
Dependent on Cutting Produc-
tion Cost Through Food
Making and Saving

Atlanta, Ga.—(Special).—"Tens of
thousands of farmers in the South
will face the problem of making cot-
ton under heavy weevil infestation
for the first time in 1920. Their suc-
cess or failure under these new con-
ditions will be absolutely dependent
on the degree that there is food, grain
and forage produced on their farms
this year," said H. G. Hastings, presi-
dent of both the Georgia Chamber of
Commerce and the Southeastern Fair.

"A few weeks ago the newspapers
carried the report that an Alabama
county was preparing to erect a
monument to the boll weevil, because
of the good the weevil had done them
in forcing them out of the 'all-cotton'
poverty-producing rut, into the pros-
perity that always follows a diversity
of crops and the production on home
acres of every pound possible of food,
grain and forage supplies needed by
the family and live stock."

"Our good people here in the South
have never, until very recently, taken
the home or family vegetable garden
seriously as a source of food supply.
It has been looked on strictly as a
side issue, something of little impor-
tance, something to be attended to the
last thing on the place. The home
garden, rightly handled, can be made
to produce half the food needed by
the family and practically without
money cost."

"The average 'lick and promise' sort
of a garden has little value. To be
of real value the garden must be plan-
ned for, really prepared for, planted
right and kept cultivated through the
season, and cultivated whenever need-
ed. That kind of a garden will keep
its owner's table well supplied with
an abundance of healthful food seven
or eight months in the year, as well
as furnishing an abundance of canned
and dried vegetables for winter use."

"Every mess of vegetables direct
from garden to table, every can or jar
of home-canned vegetables from closet
shelves, makes a hole in that store
bill that is always a terror when 'set-
tling' time comes."

"Good home gardens have been real
life savers to thousands of southern
farmers who have gone 'flat broke'
trying to meet store bills. A good
garden will cut the store bill until its
size is negligible. Give the garden a
fair chance and a square deal in 1920
and the result will be agreeably sur-
prising."

CORINNE GRIFFITH

It was particularly appropriate that
Albert E. Smith, president of Vita-
graph, should have selected Corinne
Griffith for the leading role of Clyde
Fitch's "The Climbers," for she has
been steadily climbing ever since she
left her home in the south to become
a film player. Now she has reached
the top rung of film success. In addi-
tion to her imposing personal appear-
ance and histrionic talent, Miss Griffith
has the happy faculty of wearing beau-
tiful and unusual gowns with grace
and has had a splendid athletic train-
ing. Some of her most recent fea-
tures have been "A Girl at Bay," "The
Tower of Jewels," "Human Collateral"
and "Deadline at Eleven."

K. P. MEN VISIT TEMPLE

Fred Henry, keeper of the record
and seals for the Cameron Knights
of Pythias Lodge, Elbert Hood, Wal-
ter Thomas and J. F. Woody, all of
Cameron and K. P. members were in
Temple Wednesday night to attend
the meeting of the Dramatic Order of
Knights of Khorizan. Mr. Woody
was given the degree. The party re-
turned this morning.

Mr. Henry hopes to obtain other
members for the D. O. K. K. in Cam-
eron.

Mrs. Beulah Lawie of Austin and
District Department of the Eastern
Star Chapter made an official visit
to the Chapter here and met the la-
dies Wednesday night.

EARLE WILLIAMS

Earle Williams, Vitagraph star, has devoted most of his time to that company's West Coast studio in recent years, but came east to make "The Fortune Hunter" and "Captain Swift," two plays that had a long run on Broadway a few years ago. They were made famous by the Barrymores. Mr. Williams is now at work making features at Vitagraph's West Coast studio.

LEAVES FOR ST. LOUIS

Miss Ella Rockwell of St. Louis, who has charge of the Millinery department in the Cheeves Brothers dry goods store in Cameron, left this week for her home in St. Louis. On her way home she will visit friends in Dallas, Tulsa and Springfield, Mo.

Piles Cured in 5 to 14 Days

Druggists refund money if PAZO OINTMENT fails to cure Itching, Blind, Bleeding or Protruding Piles. Instantly relieves Itching Piles, and you can get restful sleep after the first application. Price 60c.

WATER WORKS MAN GIVES OUT FACTS

"I have been trying for years to get something that would relieve me of my troubles and have found it at last in Tanlac," said Alfred Jolly, of 3291 Quitman street, Denver, Colo., and an employee of the water works department of that city.

"For a long time," he continued, "my stomach was in such an awful fix that I could eat hardly a thing without being in misery afterwards. Even the lightest foods would bloat me up with gas and I was constantly belching up sour, undigested food that at times would almost choke me, and often I would get so dizzy and light headed that I would almost fall down, and I would get so nervous that it was almost impossible for me to rest at night. I suffered agony wretched condition that I was hardly fit for a thing.

"After trying nearly everything I could hear of I took Tanlac, and it sure hit the spot and has made a different man of me. My appetite is splendid, my nerves steady, I sleep like a log at night, have gained eight pounds and am in better shape than I have been in years."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store."

AMERICAN PARTY CANDIDATE TO SPEAK HERE SATURDAY

T. H. McGregor of Austin, American Party candidate for Governor of Texas, will speak in Cameron Saturday afternoon at 3 o'clock.

The speaking date has been arranged here by friends and supporters of the new party candidate. Mr. McGregor is a good speaker and will discuss at length the principles of his platform and party.

Mr. McGregor served in the Texas senate and has been otherwise identified with the government of the state.

SAGE TEA TURNS GRAY HAIR DARK

Its Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's Sage Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

Mr. and Mrs. Frank Marek and family left in their car Tuesday for an overland camping trip to Victoria, Galveston and other points.

TWICE PROVEN.

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Cameron evidence—doubly proven.

M. W. Mitchell retired farmer 503 E. 15th st., Cameron, says: "Doan's Kidney Pills have been of benefit to me and I do not hesitate to endorse them. Several years ago my kidneys were out of order and had a weakness across my back and loins. The kidney secretions annoyed me by their irregular passage, at times being too free and again scanty. Very often the kidney secretions contained a brick dust like sediment. A friend recommended Doan's Kidney Pills and I used them as directed. Doan's soon regulated my kidneys and relieved me of all symptoms of kidney complaint." (Statement given June 28, 1915.)

On July 2, 1919, Mr. Mitchell added: "I am just as kindly towards Doan's Kidney Pills now as when I endorsed them in 1915. Doan's are my standard remedy for any kidney complaint." 60c at all dealers. Foster-Millburn Co., Mrs. Buffalo, N. Y.

Ford
THE UNIVERSAL CAR

Every Ford Owner Should Know

Just what Ford Service is, and why it is different from ordinary garage service, and why it is more profitable to patronize the Authorized Ford Dealer.—The Ford Dealer is a part of the Ford Family. He carries a large stock of genuine Ford parts for repairs and replacements so you don't have to wait while he sends for them, and he uses only genuine parts because he knows the imitation parts aren't dependable and don't wear.

He has a thoroughly equipped up-to-the-minute garage with tools that enable his Ford Mechanics to efficiently and properly make any repair—from a minor adjustment to a complete overhaul. And when the work is finished, his bill represents the reasonable, standard Ford prices.

Now, we are Authorized Ford Dealers—a part of that great Ford Service organization which was formed chiefly to put within each community a dealer who would have more than a passing interest in Ford repairs and adjustments. We are prepared and equipped to render prompt, careful Ford service. Drive in or phone and we'll come after your car.

'MORE BUSINESS AND LESS POLITICS' SAYS R. E. THOMASON

Temple, Texas, June 22.—Pledging himself to a sane, businesslike and constructive administration of Texas affairs, now that the ghosts of anti-prohibition have been laid and the cause of woman suffrage won, Hon. R. E. Thomason of El Paso, candidate for governor of Texas, addressed an assembly at the Temple Theatre last night of 300 persons, gathered despite the storm which arose with the first notes of the band concert opening the occasion.

After expressing a hope that the present campaign be fought without petty personal bickerings and mud-slinging, Thomason declared that he had based his own part of it on the highest plane possible to him. "I am trying to map out a problem of big things which will lead to the prosperity of our Texas people. I am one of those who believe that this is the greatest day in the history of the world; I believe in the old principles of democracy, but I favor them with application to a new day."

More Business; Less Politics
His slogan, he said, had been adopted. It is: "More business and less politics." Service he added, should become a synonym for governor.

Prohibition and woman suffrage Thomason classed as dead issues. "It is time now," he declared with emphasis, "for all Texas to join forces and engage in a movement for constructive development of our vast resources. I am anxious to see our people get together. There are problems that must be solved; and we must attack them in co-operation and harmony."

Introduced by Dr. Scott
The speaker was introduced by Dr. A. C. Scott of Temple, who was in turn introduced by F. F. Downs as an old and close friend of the candidate. Among those present on the platform were Drs. Boule and Rice of Marlin, Dr. I. D. Ellis of Troy, W. S. Rowland, L. S. Williamson, F. F. Downs, C. W. Barrett, Dr. M. L. Chapman, A. D. Brodie, W. R. Butler and Harper Stephens. Thomason, after his successful visit to Belton, enjoyed Temple hospitality in supper at the Martin. The unfortunate breaking of the storm spoiled prospects of a jammed house, although the loyal guard which remained gave frequent evidence of their enthusiasm.

Dr. Scott in his address struck the keynote of honesty in public office. It was admittedly commendable, but not enough, he said, that his friend should have had the good fortune of being raised on a Texas farm, reared in Cook county, graduated from two great educational institutions, and entrusted with high public offices. "Something more important than all this is needed," he declared. "Here, gentlemen, is a man whom I know to be of great executive ability; a man who is fair-minded, just and unselfish; a man above all who is honest, inherently honest."

Would Eliminate Offices
"I favor the abolishment of every board and commission in the state whose functions are duplicated elsewhere; and likewise of every board and commission which has not legislative or judicial duties to perform," said the candidate.

In regard to tax problems, Texas has always had and will have them, he declared. "I believe that the time will come sometime when there will be a separate of state and county taxes, and that concerns doing an inter-county business will pay the state taxes. Although I want to see a reduction in taxes, however, I am unalterably opposed to the graduated land tax for I believe that what any man has acquired honestly and justly is his; and that tax will take a large part of it away from him."

Thomason gave a boost to the Federal Farm Loan scheme, various agricultural measures, and the educational appropriations by the legislature. As for labor and capital, he declared his friendship for both as long as they respected the interests of the public, and came out in favor of the square deal to both.

Conservation and irrigation, improvement in the penitentiary system

NEFF IS QUOTED IN HIS WAXAHACHIE SPEECH

Mr. Neff in his opening speech at Waxahachie December 6th, 1919, had this to say about his land plank:

"Has not the time come when Texas should demand that her agricultural lands be opened up to the cultivators of the soil, the home builders, the home owners, the home defenders of our country? It is understood, of course, that these large land owners are to be paid full value for their land. These lands should be classified as now provided for the purpose of taxation and all land classified as purely agricultural should have above a certain acreage, A GRADUATED LAND TAX AND AN INHERITANCE LAND TAX ASSESSED AGAINST IT MAKING IT UNPROFITABLE FOR ONE PERSON TO HOLD LARGE AREAS OF UNUSED AGRICULTURAL LANDS."

Did Mr. Neff explain the graduated land tax feature? In his Waxahachie speech he stated all agricultural lands above a certain acreage should bear a graduated land tax and an inheritance land tax. How many acres will he permit a man to own before the graduated tax applies. He did not refer to the graduated land tax and a good many of the voters present were disappointed when he failed to definitely state his position.

Thomason Campaign Committee.
(Political Advertisement)

COUNTY SCHOOL TRUSTEES MEETING

Notice is hereby given that the County School Trustees of Milam County will meet in special session in the County Superintendent's office on Monday afternoon at 2:30 o'clock, July the 5th.

This meeting was called to consider the proposition of changing and re-districting certain school districts in the County and to settle a dispute and contention over a certain school site.

The board will also consider any other business that might be brought to its attention.

Very respectfully,
JIM F. CHADWICK,
Ex-Officio Secretary.

We have a larger force and improved equipment and are able to give the quickest and best service in cleaning and pressing.—Collins & Mitchell.

and Americanization he brought forth as his main hobbies. He criticized lack of co-operation in present prison management and unwise purchase of prison lands.

"I think that there has been great abuse of the suspended sentence law and the system of pardons. I know for a fact that hardened criminals have been allowed freedom by those measures who should have been compelled to serve sentence and think it over."

D. R. CRISWELL OUT FOR LEGISLATURE

BUCKHOLTS JUDGE ENTERS THE RACE FOR REPRESENTATIVE FROM MILAM COUNTY

Judge D. R. Criswell of Buckholts prominent citizen and lawyer, and for many years active in the public affairs of Milam county, has announced his candidacy for representative from this county to the 37th Legislature.

Judge Criswell announced his candidacy Monday while in Cameron from his home in Buckholts. He was urged to make the race by friends from all sections of the county and particularly in Cameron and his home town.

He moved to Buckholts in 1883 and held the Justice of the Peace office for 14 years. He is a member of the Milam county council of defense and twice member of the county executive Democratic committee.

Mr. Criswell is making the race on a platform of justice, patriotism and economy.

TEACHERS EXAMINATIONS

Notice is hereby given that an examinations for teachers' certificates will be held in Cameron on Friday and Saturday, July the 2nd and 3rd. The examination will commence promptly at 8:30 a. m.

Schedule

Friday morning--Physical Geography, Physiology, Composition, Arithmetic, Literature, Solid Geometry.

Friday afternoon--Texas History, Grammar, Descriptive Geography, Plane Geometry, Psychology, Book-keeping.

Saturday morning--Spelling, Writing, Methods and Management, Civics, Reading, Chemistry, History of Education.

Saturday afternoon--United States History, General History, Agriculture, Algebra, Physics, Plane Trigonometry.

Very respectfully,
JIM F. CHADWICK

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 50c per bottle.

MRS. KATE A. READ

Friends and acquaintances of the family were shocked to learn of the death of Mrs. Kate A. Read, which occurred at the family residence here last Friday morning, although Mrs. Read had been seriously ill for the past several months.

Mrs. Read was a resident of this city for about three years, was a devout Christian woman and a member of the Methodist church.

A short funeral service was held at the Read residence here, conducted by Rev. Ira F. Key and Rev. H. F. MacFadyen, after which the body was shipped to Lampasas, where funeral services were held at the residence of J. F. White and interment made in the Lampasas cemetery.

Mrs. Read leaves three children to mourn her loss, C. W. Read of this city and Mrs. George Whitaker of Brownwood who were present at the time of her death and James J. Read of Seattle, Washington, who was unable to reach Cameron before his mother passed away. A host of devoted friends deeply sympathize with the sorrowing family in the loss of their loved one.

ODD FELLOWS MEET TONIGHT

The Cameron Odd Fellows held a most enthusiastic meeting last Thursday night in which five candidates were given the second degree in the work. Two of the candidates were from Sharpe and two from Rogers.

The Odd Fellows will meet again tonight in regular session and will give the candidates the third degree. It is expected that the visiting brothers from Sharpe and Rogers will be here in mass to witness the work. The lodge opens at 8:30.

METHODIST CHURCH

The subject the pastor will use Sunday Morning at the Methodist Church is: "The Mind of The Master." At the evening hour, 8:15, the Presiding Elder will preach and at the close hold the third quarterly conference. The Epworth League meets at 7:15 p. m. The interest in the League has been fine recently and the attendance very large. The Leaguers are planning a camp for next week and all are looking forward to that with pleasure. The Sunday School meets at 9:45 a. m.

TO PLACE M'ADOO BEFORE DELEGATES

BUT HE AGAIN ASKS THAT HIS NAME NOT BE MENTIONED IN CONVENTION

Kansas City, June 22.--Burris A. Jenkins, clergyman and publisher of the Kansas City Post, issued a positive statement today that the name of Wm. G. McAdoo WILL be placed in nomination before the democratic national convention at San Francisco whether Mr. McAdoo consents or not. Dr. Jenkins had been selected to make the speech placing McAdoo's name before the convention up to the time Mr. McAdoo issued a statement in which he said that he must decline to allow his name to be placed before the convention.

"Whether I nominate Mr. McAdoo or whether someone else does," Dr. Jenkins said today in his statement, "this much is certain--his name will be placed in nomination at San Francisco."

Dr. Jenkins said that he had been informed by Thomas B. Love, democratic national committeeman from Texas, who yesterday traveled across Kansas with the Alabama delegation to the national convention, that eighteen out of twenty-four members of the delegation insisted that the name of the former secretary of the treasury and director general of railroads ought to be laid before the convention. Such action will be taken, Dr. Jenkins averred.

New York, June 22.--William Gibbs McAdoo today wired Burris A. Jenkins, Kansas City, clergyman and newspaper publisher, requesting that his name be not suggested for the democratic presidential nomination. The message was sent on receipt of news that Mr. Jenkins had announced that Mr. McAdoo's name would be placed in nomination at San Francisco with or without consent.

"I urgently request Mr. Jenkins not to present my name at the convention," Mr. McAdoo said.

PIERCE VISITS CAMERON

Louis S. Pierce of Navasota, owner of the Louis S. Pierce Dry Goods Store here, was in Cameron Monday in the interest of the business here. Mr. Pierce also operates a store in Navasota. He reports conditions fine in his section of the country and predicts fine trade conditions in Cameron this fall because of the crop prospects. The Cameron store is managed by J. F. Braun.

KEEPING THE RECORDS STRAIGHT

In order to keep the record straight we desire to call attention to the public that the letter showing Mr. Neff's attitude toward suffrage by refusing to sign a petition endorsing the movement in Waco, was not mailed from Waco, but was mailed out by THE TEXAS LEAGUE OF WOMEN VOTERS, with headquarters at Georgetown, Texas.

The following women are officers of this organization:

Mrs. Jessie Daniel Ames, Georgetown, President; Miss M. Eleanor Brackenridge, San Antonio, Honorary President; Mrs. Lee Joseph, San Antonio, First Vice-President; Mrs. E. B. Reppert, Dallas, Second Vice-President; Mrs. Thomas Atlee Coleman, San Antonio, Third Vice-President; Mrs. Anna B. Cade, Chester, Recording Secretary; Mrs. Jessie T. Cope, Karnes City, Corresponding Secretary; Mrs. Mary H. Ellis, Austin, Treasurer.

Thomason Campaign Committee.

NOTICE IN PROBATE

THE STATE OF TEXAS,
To the Sheriff or any Constable of Milam County--Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

NOTICE

To all persons interested in the estate of John Hopkins Davis, a minor; Judd G. Davis, guardian of the person and estate of said minor, has filed in the County Court of Milam County, an application for the lease of a 50 acre tract and a 100 acre tract of land in which said minor has one-sixth interest, such lease to be for the development of said land for oil and other minerals, which application will be heard on the 2nd day of July, 1920, in Cameron, Texas, in Milam County, at the Court House, thereof at which time all persons interested in said minor's estate may appear and contest said application, if they see proper.

Herein Fail Not, under penalty of the law, and of this Writ make due return.

Given under my hand and seal of office, in the city of Cameron the 23rd day of June A. D. 1920.

Attest: WILL T. YATES,
Clerk County Court, Milam Co., Tex.
By K. E. Robbins, Deputy.

IKE LOONEY WILL MAKE CAMPAIGN FOR TEXAS LEGISLATURE

PLATFORM OF REFORMS. BET-
TER PAY FOR TEACHERS AND
IMPROVED EDUCATIONAL
SYSTEM

Ike Looney, prominent citizen, farmer and business man and for many years active in public affairs of the county and state, has announced his candidacy for representative to the 37th Legislature from Milam County. A platform of rigid economy and embodying well defined pledges to the people to seek the enactment of needed reforms in the conduct of the state government and in political affairs are some of the claims being set out by Mr. Looney in asking the support of the people for this office.

In making the announcement for Legislature Mr. Looney has the very active demand of admiring friends from all sections of the county who are in accord with his principles of government and his views on public questions now before the people of Texas. He has been strongly solicited to make the race but it was only a few days ago that he consented to make the campaign. Mr. Looney is now preparing to make an active tour of the county with speaking dates to acquaint the people with his platform.

Mr. Looney lays down a bold challenge to the present system of government operation in the state and is especially plain and uncompromising on the subject of elections, declaring for an election every four years. He declares that there are too many officers and too many elections; that these evils are taking their toll in enormous taxation upon the people and that it is high time to enact reforms that will correct these unnecessary and cumbersome problems.

Mr. Looney pledges himself to the enactment of legislation to provide for the convention of Texas Legislature every four years. He declares there is too much legislation and the legislature meets too often thus entailing an unnecessary expense on the people. Mr. Looney also declares for a four year term for county officers without re-election.

Industrial conditions which have resulted in the present state of turmoil and dissatisfaction over the country is also given consideration by Mr. Looney in making his announcement. He says that through the reforms he proposes much of this unrest can be eliminated as people are becoming radical through the existence of condi-

tions over which they have no control and which their government has failed to correct.

Mr. Looney also rings true on the question of education and has come out squarely for better pay for teachers and all necessary action for the betterment of our school system. He declares that in the power of education lies the key to a grander and more thoroughly contented civilization.

Mr. Looney resides at Ben Arnold, is a man of mature years and thoroughly conversant with the needs of the state, having been active in public affairs for more than a decade.

WHAT A FORD WORKER CAN DO.

If this Ford man which we will follow through his day's activities at the Ford factory has been frugal, as many of them have, he will arrive at work in a Ford car. During his morning's work he may be stricken with toothache or headache whereupon he will visit the Ford doctor or dentist for relief. At noon, he is served with a lunch consisting of sandwiches, fruit, hot coffee or soup and after that he may see a Ford safety film.

Now supposing that this is the man's pay day. After subtracting living expenses, he may deposit the remainder toward a Ford Investment Certificate. Finished with the day's work, he can go to the shoe store for shoes for himself or son who is in school; or to the grocery store where, among other things, he can buy a sack of flour made from wheat grown on Henry Ford's farm—where Fordson tractors do the work—and ground in Henry Ford's flour mill, and then hauled by Ford trucks to the Ford store, where it is sold to Ford men; or he may want to order a custom-made suit, or buy one ready made which he does in the Ford clothes shop. Maybe a toothbrush is all he needs, but he gets it at a Ford store. Then, he purchases his meat in the Ford market, or orders his winter's supply of coke from the Coke Department. Everything is sold at cost to Ford men.

If this Ford man wants to rent a house, he goes to the Ford rental exchange; legal advice is given him by the Legal Aid Department. But possibly he is a student in the Ford school; in that case he attends class after work. And stops in the Ford library on the way out.

Then he may go to the Ford Athletic Field for a set of tennis or for baseball practice. Possibly he desires to take his family to the Ford Band Concert that evening; he procures tickets before driving home in his car.

Banish Blood Sucking Insects and keep your chickens immune from them by feeding INSECTIMUNE to your chickens. Your money back if not satisfied. Ask Geo. A. Thomas & Sons.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills for constipation.

Mr. and Mrs. C. N. Green and family motored to Durango and spent last Thursday and Friday with Mrs. Green's parents, Mr. and Mrs. S. E. Stewart.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE (Tablets) can be taken by anyone without causing nervousness or ringing in the head. E. W. GROVE'S signature on box. 30c.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and
Neutralize Irritating Acids

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant effervescent lithia-water drink, which quickly relieves bladder trouble.

Going Away?

Get a Supply of Travelers Checks

A common misconception in the minds of those who have not experienced the convenience of carrying their travelers funds in the form of Travelers Checks, is that these checks are a substitute for cash.

They are more than that—they are an improvement upon cash. The difference is not alone in words—it is the difference that lies between convenience and inconvenience, between risk and safety.

They are issued in denominations of \$10.00, \$20.00, \$50.00 and \$100.00, and are good everywhere; they are accepted not only by banks, but by hotels, railroads, steamship companies and all business houses generally.

Immediately upon the delivery of Travelers Checks, the signature of the owner is inscribed in the upper left hand corner.

When cashing a check, the owner simply countersigns it in the lower left hand corner. The identity is established by comparison of the original signature with the counter-signature.

If Travelers Checks are lost we refund your money.

No worry about losing money—no bother about identification. Get Travelers Checks from—

Revival Meeting

AT THE
BAPTIST CHURCH IN CAMERON

BEGINNING

Sunday, July 4

The Pastor, Rev. B. B. Blaylock will be assisted by Evangelist
Perry F. Evans of Fort Worth

AND

Singing Evangelists Mr. and Mrs. I. E. Reynolds of the Baptist
Seminary of Fort Worth.

The meeting will be held on the lawn of the Baptist Church and preparations will be made to entertain Cameron and all Milam County's religious forces.

It will be the greatest Christian campaign ever held in Milam county. Rev. Perry F. Evans, noted evangelist, assisted by the Christian forces of the town and county will pitch the battle on a high plane of vigorous defiance of evil and you will hear an astounding indictment of sin in the world.

A burning gospel message by a tongue of fire to sear the sins of a sinful age.

BEGINNING SUNDAY JULY 4th
At the Baptist Church in Cameron

NOT A CANDIDATE FOR PRESIDENCY SAYS W. G. MCADOO

MOST LOGICAL OF DEMOCRATIC
POSSIBILITIES REFUSES TO
SUBMIT NAME FOR NOMINATION

New York, June 18.—William G. McAdoo, who has been considered by party leaders as one of the principal candidates for the democratic nomination, announced tonight he could not permit his name to go before the San Francisco convention.

"This decision," he said, "is irrevocable as the path of duty seems to me clear and unmistakable."

His decision was announced in a telegram to J. M. Schouse, democratic delegate at large from Kansas, who had telegraphed Mr. McAdoo that sentiment throughout the country was rapidly crystallizing in his favor that his friends would like to have him permit his name to be presented to the convention and that they were certain he could be nominated and elected.

Mr. McAdoo's telegram follows: "Your telegram of the 17th requires an explicit and immediate answer. I am profoundly grateful to you and my other generous friends, who with such spontaneity and unselfishness have without my solicitation advocated my nomination. To cause them disappointment distresses me deeply, but I am unable to re-consider the position I have consistently maintained, namely, that I would not seek the nomination for the presidency. I cannot, therefore, permit my name to go before the convention; that decision is irrevocable as the path of duty seems to me clear and unmistakable."

"The considerations which compelled me to resign as secretary of the treasury and director general of railroads after the armistice in 1918 in large measure still prevail. I must have a reasonable opportunity to rehabilitate my private affairs and to make that haven for my family, which in time of peace is at once the sacred duty and the cherished desire of every right thinking man. Having been out of office less than eighteen months, I have not yet been able to accomplish these objects. Moreover, a presidential campaign imposes upon the candidate unavoidable expenses which I am unable to assume, and which I do not want my friends to assume."

"The record of the present republican congress and the platform and candidates of the republican national convention make democratic victory in the next election almost certain. Victory will be certain if the democrats adopt a straightforward, unequivocal, unevasive, honest and liberal platform and put forward candidates who will command public confidence. We must stand squarely for ratification of the League of Nations without debilitating reservations and we must be direct and explicit on the important domestic issues. The times are not propitious for equivocation, or for appeals to blind passion, or to doctrines of hate, or for reactionaries and those who would shut their ears to the great and swelling voice of humanity which cries aloud for the preservation of peace and good will at home, and in the world, and for the opportunity to live in an atmosphere of justice, progress and prosperity. "I feel sure that my friends will appreciate the sincerity and propriety of my position and that they will do everything in their power at San Francisco to assure the continuation of the enlightened principles and liberal policies of democracy. These are more than ever essential to the security and well being of the American people."

REPUBLICANS WELCOME LEAGUE ISSUE, SAYS SENATOR HARDING

Washington, June 18.—President Wilson's challenge to submit the peace treaty to a referendum of the American people was accepted today by Senator Harding, the Republican Presidential candidate.

"I am sure," said Senator Harding, "the Republican party will gladly welcome a referendum on the question of the foreign relationship of this Republic and the Republican attitude of preserved nationality will be overwhelmingly in favor."

Senator Harding's statement was in reply to the interview with President Wilson, published today, in which the President discussed the League of Nations issue and the Republican platform.

George Clark of Canton, Ohio, chairman of the Ohio State Republican advisory committee, called on Senator Harding today to lay before him plans for the Ohio campaign. Republicans in that State, he declared, were ready to go ahead as soon as the Republican nominee had endorsed the plans.

AN ORDINANCE

An ordinance to regulate the location, construction and maintenance of privies and cess pools within the city of Cameron, Texas, and providing a penalty therefor.

Be It Ordained by the City Council of the City of Cameron, Texas, for the promotion of health and the suppression of disease:

Sec. 1. It shall be unlawful for any person owning any improved real estate or any other person to dig or use, or cause to be dug or used, any privy vault or cess pool, or connect any plumbing with a cess pool, or build or rebuild or cause to be built or rebuilt any privy, building, privy vault, or cess pool within the limits of the city of Cameron, Texas, except upon a written permit from the city health officer.

Sec. 2. No person shall suffer or permit any cellar, vault, drain, cesspool, or privy or sewer up on any premises belonging to or occupied by him within the corporate limits of the city of Cameron, Texas to become nauseous, offensive or injurious to the public health, and it shall be the duty of all occupants of property to keep all privies, privy vaults, cesspools and drains on the premises occupied by them in a clean and sanitary condition.

Sec. 3. It shall be unlawful for any person, firm or corporation, whether as owner, agent or employee, to have or maintain any privy or privy vault, cesspool, pit, or like place which is not securely protected from flies.

Sec. 4. No such privy vault, privy building, or cesspool shall be constructed within 20 feet of any house or residence, or buildings unless used as such nor within 2 feet of the property line of such premises.

Sec. 5. The floors and walls of all privy vaults shall be of cement, concrete, cemented stone, or other impervious material and must be smooth and level in surface.

Sec. 6. All vaults hereafter constructed must be not less than 4 feet wide (from front to rear) 5 feet long and 3½ feet deep below the floor and must be closely joined to the privy building, and ventilating pipe, of wood or other material, of not less than 6 inches in diameter shall extend from the top of the vault to 2 feet above the roof and of the privy building, and the opening at the top of this pipe must be securely screened to exclude flies.

Sec. 7. All privy buildings must be built according to specifications to be furnished by the health officer.

Sec. 8. All privy vaults, flush toilets, or other plumbing fixtures shall be disinfected whenever so ordered by the health officer.

Sec. 9. The cover of the seat in the privy building must be kept closed at all times when seat is not in use.

Sec. 10. The cover for the vault at the rear of the building must be kept closed at all times, except when the vault is being used.

Sec. 11. The door of the privy building be kept self closing by means of a spring, weight or other device, and must not be allowed to remain open at any time.

Sec. 12. No wash water, kitchen slops, or other liquid wastes, garbage, tin cans, crockery, or glass shall be emptied or thrown into any privy vault.

Sec. 13. No body waste or excreta from any person suffering from typhoid fever, dysentery, other serious intestinal trouble shall be deposited

in any privy or privy vault, without being previously disinfected in such manner as may be approved by the health officer in conformity with regulations with the state board of health.

Sec. 14. All privy vaults without curbing, or with foul or rotten wooden curbing, or inadequate or partially caved, or otherwise defective in the judgment of the health officer, and all privy buildings too old or too dilapidated to be made to conform with the requirements of this ordinance, and all cesspools without curbing, or inadequate either in size or covering, or caved, or in any manner dangerous to the public health, shall be condemned by the health officer, and a new privy vault, privy building, or cesspool shall be constructed within not less than 10 days from the date of condemnation. In either case notice of condemnation must be posted on the premises and a copy served on the owner or his agent, or left at the residence or office of either.

Sec. 15. All contractors or other persons employing men constructing buildings, street improvements, or other similar work shall provide such temporary privies as shall meet with the approval of the health officer and must care for same as may be required by the health officer.

Sec. 16. No person or persons shall throw or deposit in any cesspool any garbage, tin cans, crockery, glass or other rubbish whatsoever, and the owner, agent or occupant of the premises shall be responsible for the condition of such cesspool as well as privy vaults.

Sec. 17. No person shall empty any vault, privy or cesspool or dump any refuse matter of any kind in the city of Cameron, Texas, without a permit from the health officer.

Sec. 18. No person or persons shall abolish, abandon or neglect any privy, cesspool, or vault containing any excrement, filth, or other offensive matter or fill up any such privy, cesspool or vault upon any premises owned or occupied by such person or persons or any premises whatsoever, unless such filth or excrement shall first have been removed therefrom, and a permit for such abolishment or abandonment has been obtained from the health officer.

Sec. 19. It shall be the duty of the owner or owners, or agent of property, or occupants, to keep all privy vaults and privy buildings and cesspools on property owned, managed, or occupied by them, clean, and to properly clean them whenever notified by the health officer so to do.

Sec. 20. No building shall be used as a dwelling house unless the same is provided with a privy vault and building, or is properly connected with the cesspool or sewer.

Sec. 21. Any person, persons, firm or corporation that shall violate any part of the provisions of this act or

ordinance shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be fined in any sum not less than Ten Dollars nor more than One Hundred Dollars.

committee, this the 1st day of June, A. D. 1920.

U. S. HEARRELL, Mayor.

Attest—Secretary.
To the Honorable U. S. Hearrell and the City Council of the City of Cameron:

Your Committee on Ordinances to whom the foregoing ordinance was referred beg to report that they recommend that same do pass and further that an Emergency exists and in order to preserve the health and sanitary condition of the City of Cameron requiring a suspension of the rules requiring ordinances to be read at three separate meetings and they recommend that said rules be suspended and that said rules be now passed.

An Analysis of the "Road Speed"
of a
MAXWELL
is a tribute to its special steels

Men driving larger cars have often wondered at the "road speed" of a Maxwell.

True, in an open straight stretch they have run away from a Maxwell.

But in any "piece of going" in which hills, turns, curves or rough roads enter into the general average, they do not outrun a Maxwell.

The reason for this is the special steels in a Maxwell. They are made to Maxwell's own formulae, and make possible construction combining great strength with light weight.

The lightness of the weight enables a Maxwell to take a turn with more ease and less slowing up.

come down a hill under better control, ascend a hill as well, and make more time over a rough piece of roadway.

The strength of its steels enables a Maxwell to stand equally as well, or better, side strains, road unevenness, etc.

In other words, a Maxwell makes speed when a larger car cannot, and thus evens up to a high average its "road speed" without breaking the speed laws.

This ability in a Maxwell is one of many that is winning new friendships daily. Nearly 400,000 of them to date; in another year 500,000.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI

The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

All Druggists

TERRELL CANDIDATE FOR COMMISSIONER OF AGRICULTURE

ALTO STATESMAN AND FARMER
CLAIMS RECORD JUSTIFIES
CLAIM TO THE OFFICE

Hon. George B. Terrell of Alto, in announcing his candidacy for Commissioner of Agriculture of Texas, places before the people of this state a constructive platform given force by his experience as a farmer and agriculturist.

Mr. Terrell as a member of the legislature has written some of the most beneficial legislation ever put on the statute books of Texas looking to the improvement of conditions for the farmer and education along agricultural lines. Among the laws are establishing the departments of agriculture, domestic science, and manual training in the state normal schools.

The following platform statements are made by Mr. Terrell who has active endorsements from prominent men all over the state:

In making this announcement for Commissioner of Agriculture I am mindful of the duties and responsibilities of the office, and will make but few promises and endeavor to fulfill them to the letter.

If elected, I promise to perform the duties of the office according to law, and in an efficient and economical manner.

I shall make an honest effort to cooperate with the A. & M. College and other agricultural agencies for the promotion of the great agricultural interests of the State.

My life has been devoted to agriculture and education, both as a private citizen and public official.

I am the author of the following laws, which prove my interest in agriculture and education.

The law establishing the Departments of agriculture, Domestic Science and Manual Training in all the State Normal Schools.

The law requiring the teaching of cotton grading and farm terracing at the A. & M. College.

The law establishing agricultural Experiment Stations in different parts of the state and a Live Stock Feeding and Breeding Station.

The law requiring the teaching of tanners and Standard Packs and Grade for Fruits and vegetables, which has given Texas some prestige in the Northern markets for the quality of her fruits and vegetables.

This law is not perfect and will need

amendments as experience in its operation may prove, but in the right direction and proves my interest in the farmers and my determination to assist them.

I shall use all the means at my command and all the agencies that will cooperate with me in organizing marketing associations through which the growers can secure a profitable price for their products.

In this connection I shall advocate the fixing of a fair price for cotton and the organization of the growers in such a manner that they shall have a voice in making and securing the proper price. With the co-operation of all farm organization, the Bankers and the Southern Commissioners of Agriculture this can be done.

I shall advocate a System of Rural Credits that will give the farmers cheaper money on which to operate their business.

I favor the consolidation of the Warehouse Department with the Department of Agriculture, as recommended by the State investigating Committee, in the interest of economy and efficiency. They both deal with agricultural problems and properly belong under one head, so that a comprehensive plan for warehousing and marketing may be worked out without strife or friction.

We have too many agencies attempting to administer agricultural laws and too many chair warmers and mouth farmers drawing an annual stipend from the State. We need the A. & M. College to teach agriculture, horticulture and kindred subjects, the Department of Agriculture to administer the laws relating to all branches of agriculture, but we do not need other paid agencies to divide the work and create strife.

If the Legislature will consolidate the Warehouse Department with the Department of Agriculture I will guarantee to administer both Departments for \$50,000.00 a year less than they are now costing.

I will also guarantee not to ask an increase in my salary because of extra work or the high cost of living.

It will be my ambition to conduct this department on a high plane and make it useful to the great producing interests of the State.

If Texas is to continue to prosper and withstand the spirit of unrest and distrust abroad in the land, her educational and agricultural interests must be placed upon an enlightened

and profitable basis, which in the last analysis are the surest safeguards against Socialism and Bolshevism.

Itching disease can be controlled and cause removed by applying Ballard's Snow Liniment. The relief is prompt and permanent. Three sizes, 30c, 60c and \$1.20 per bottle. Sold by Pace-Marshall Drug Co.

SHERIFF'S SALE

THE STATE OF TEXAS
County of Milam.

By virtue of a certain execution issued out of the Honorable Justice Court of Precinct No. 1, Milam County, on the _____ day of May 1920 by J. M. Ralston, Justice of the Peace of said court against Mrs. Louis Slone, Independent Executrix of the estate of W. H. Slone, deceased for the sum of _____ dollars and costs of suit No. _____ in said Court, styled Dr. Edward Rischard versus Mrs. Louis Slone, Independent Executrix of the Estate of W. H. Slone deceased, and placed in my hands for service, I, Charles H. Sens, as Constable of Precinct No. 1, Milam County, Texas, did, on the 14th day of June 1920 levy on certain Real Estate, situated in Milam County, described as follows to-wit:

All that certain tract or parcel of land situated in the A. J. DePena eleven league grant in Milam County,

Texas and more particularly described as follows: Beginning at the S. E. corner of this same being the N. E. corner of the Louis Schiller tract, and the S. E. corner of a tract of 53.15 acres conveyed by W. R. Newton to W. H. Slone by deed recorded in Vol. 100, Page 47, Deed Records of Milam County, which said tract forms a part of this tract. Thence N. 19 E. line of said 52.15 acre tract, 3660 feet to N. E. corner same being the S. E. corner of a tract of 23 3-8 acres allotted to Myrtle Fikes in subdivision, N. 71 W. 47 feet to N. W. corner of this in S line of 23 acre tract. Thence N. 19 W. at 576 3-10 feet pass S. E. corner of a tract of 63 3-8 acres allotted to J. R. Slone in said subdivision, the N. E. corner of a tract of 63 3-8 acres allotted to W. H. Slone, A. L. Ray in said subdivision at 1741 feet the S. E. corner of same and the N. E. corner of a tract of 100 acres allotted to Mrs. Sam Slone in said subdivision and at 3660 feet the S. W. corner same being the S. W. corner of said 53.15 acres tract and the S. E. corner of said 100 acre tract; thence S. 71 E. with S. line of said 53.15 acre tract 761 feet to place of beginning containing 63 3-8 acres and levied upon as the property of said Estate of W. H. Slone, deceased, and Mrs. Louis Slone, Independent Executrix. And on Tuesday, the 6th day of July, 1920 at the Court House door of Milam County, in the city of Cameron, Texas, between the hours of ten A. M. and four P. M. I will sell said land at public vendue, for cash, to the highest bidder, as the property of said Estate of W. H. Slone, deceased, Mrs. Louis Slone, Independent Executrix by virtue of said levy and said execution.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County, Texas. Witness my hand, this 14th day of June 1920.

CHARLES H. SENS,
Constable Precinct No. 1, Milam County, Texas.

Friends in the Banking Business

This institution continually urges its patrons to make the maximum use of all its varied facilities.

Those who respond to this urging are usually surprised and gratified at the resultant benefit, and constitute an active force in spreading the scope of our influence.

In the discussion and solution of patron's problems there springs up quite naturally between us a very real and profitable friendship.

New Friends and Old—Welcome All!

Citizens National Bank
CAMERON, TEXAS

There were some pretty long waits for the Doctor in the horse-and-buggy days

MAKE it easier to get around and you make healthier and happier communities. No one any longer questions the worth of the automobile — or begrudges any legitimate expense connected with it.

But millions of car owners are rebelling at the idea that running an automobile has got to mean waste.

II

Every now and then you hear a neighbor complain that "he doesn't seem to have much luck with tires."

Send him to us.

The minute a man begins to question the service his tires are giving him, he's ready to listen to reason.

Our business is built on the principle that the only way to get better tire service is to get better tires to start with.

That's why we have taken the representation for U. S. Tires.

III

U. S. Tires have a reputation for quality.

Built up through years of creating better tires. Such as the straight side automobile tire, the pneumatic truck tire.

It is not by chance that U. S. Tires are made by the oldest and largest rubber concern in the world.

We are proud to represent U. S. Tires in this community.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.

ROYAL CORD—NOBBY—CHAIN—USCO—PLAIN

years; \$100.

G. C. Lucas to W. B. Moss, 69 acres, more or less, out of the A. F. Burchard grant in Milam county. Lease to remain in force for five years; \$700.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after

ter another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Grove's Tasteless Chilli Tonic

restores vitality and energy by purifying and enriching the blood. You can soon feel its strengthening, invigorating effect. Price 70c.

Mrs. B. O. McClaren of Memphis, Tenn., was a guest last week in the home of S. W. McClaren.

Master Film of the Age

"The Silent Avenger"

BIG CONTINUED PICTURE STARTS

**SATURDAY
JUNE 26th**

A Million Dollar Super-Serial of Love, Honor; Danger and Daring

ALBERT E. SMITH Presents

**WILLIAM
DUNCAN**

The star who played "Bob Hardy" in "A Fight For Millions." Mr. Duncan will be "Phil Read" in this picture. Triumph exceeds Triumph in this gripping, master-serial and the management of the Wonderland Theater is pleased to announce this film treat for its patrons and friends.

Duncan's Doom-Defying Deeds

Thrown from a car to the river far below, Phil escapes his pursuers.
Held under the guns of the police, he vanishes.
Reeling in a hangman's noose he misses death by a hair's breadth.
In a ring of flame, he faces doom.
Locked in a box below the water's surface, bound and gagged, saved by Fate.
Loaded into a coffin and buried alive, he steps out of the tomb.
Sent into an inferno of fire, he leaps unscathed to safety.

THE STORY

Phil Read, assistant cashier of the River National Bank is railroaded to penitentiary on the false charge of having robbed his bank. The evidence conceived by Irvine Somers, cashier of the bank, who is an ill-favored rival of Read for the hand of Helen Durham, beautiful daughter of John Durham, a reformed capitalist and hopeless invalid.

Phil escapes from prison by changing identification tags with a prisoner who has been killed by a fall. Supposed to be dead, Phil returns to his home city to conduct a secret campaign towards clearing up the false evidence against him. He joins the police force under the name of Officer Daer.

He engages rooms opposite the apartment of Francine Olivette, the accomplice of Somers. Phil is able to get a close line on the secret operations of Somers and Francine. He obtains evidence revealing that Somers is the hidden leader of an opium smuggling gang, a gambling outfit, a gang of automobile thieves safe blowers, wire tappers and fake oil well promoters.

Phil makes his way successively into all the dens and headquarters of the criminals. He is many times captured and his life placed in jeopardy. But he escapes these perils and causes the raiding and arrest of many of the crooks.

In the end Phil uncovers evidence showing that Somers has engineered the substitution of stacks of counterfeit money for real money in the bank vault, and has also caused a panic on the exchange to unload Mexican securities on the public. Phil frustrates the stock plot, and confronts him on the counterfeit charge.

Somers succeeds in having Phil arrested as an escaped convict. Helen induces Francine to turn state's evidence in behalf of Phil. This results in the pardon of Phil, who immediately trails Somers to the fake oil well. He and Helen are captured there, and put through many harrowing experiences.

Finally they escape, and accomplish the complete round-up of Somers and his entire gang. Phil's innocence is established, and the two sweethearts find the dawn of a glorious future in love and happiness.

Beginning Saturday, June 26, afternoon and night. Don't miss the first episode---the others will compel you by force of their gripping attraction, mystery and interesting detail.

J. P. Werner & Co.

SAN GABRIEL GOSSIP

By Mrs. J. S. Woody

June 22.—Life, now, is a great expanse of activity. We are living the life of trees for a few days again; since, the most delightful and most beneficial rain has fallen as "our blessing"—so we feel.

Until the fields of beautiful cotton have been tilled once more sufficiently to exterminate the crop of young grass now peeping up, we need reach the field with the rising sun if our achievements turn into glory.

We feel confident of a good corn crop now and scores of wagons, loaded with the remainder of last year's crop thread their way to the markets this week.

Cane is much improved, also, after the helpful rain and in fact, all nature seems to be rejoicing with man.

Master Mark Hutson is here from Rockdale to spend awhile with relatives.

Clifford Locklin returned from a business visit to East Texas, first of last week.

Miss Isabelle Camp is visiting relatives and friends in Austin this week.

Mr. Pete Baird and family of Austin are guests of relatives here at present.

Bruce Jennings of Davilla was with friends in our village Sunday.

Miss Lillian Barclay is conducting a private summer school in our village for a few weeks.

Messdames Charey Daniels, Tamp Daniels, Ted Adams, Andrew Baird and Miss Jewel Guthrie were trading in Thorndale Monday.

Nigel Outlaw of Tabor, spent the past week end here with his parent.

E. L. Ramsey and wife motored over from Thorndale Sunday afternoon.

Brian Woody and wife, have concluded their several days' honeymoon with a visit here to his mother and other relatives before returning to their home in Temple.

Mr. and Mrs. Will Ellison, Mr. and Mrs. J. M. Gilchrist, Mr. and Mrs. Harry Clark and Misses Fay Felton and Anna Mae Camp were among those from our community to Thorndale Saturday.

Janie Clark and Andrew Baird left Sunday for Arizona.

W. S. Glascock and family, together with numbers of invited friends, gathered at Penn's Camp Ground on the Gabriel river the past week end in celebration of birthday anniversaries and lightening loads, "hat no variations of an everyday life settles on any, by enjoyment that a fishing and camping expedition brings, especially, where faces and voices of a large group of friends are companions.

With much anxiety, the numerous friends of Miss Anna Mae Camp

awaited developments of the result from her operation of appendicitis on last Sunday afternoon.

She had been feeling badly for a few hours but was very suddenly taken exceedingly ill and to such extent that Dr. Rischard of Cameron and Drs. Lee and Crockett of Thorndale deemed it best to perform the surgical work at her home and today we are glad to report her doing nicely.

Mrs. Martha Camp, Mrs. Glennie Bickenbach, Arthur Penn and wife and Misses Maude Little, Mary and Maurice Reeves of Thorndale, were out through different routes of our vicinity Sunday afternoon.

Rev. Ferguson of Waco filled his appointment at the Baptist church here Sunday.

Grandpa Jim Locklin is reported sick this writing.

Branch Lewis of Rockdale, was in our community a day last week.

Mr. and Mrs. Irvin Isaac of Dallas, and Mr. and Mrs. Frank Clement of Austin are guests this week of their parents, Mr. and Mrs. T. M. Amason of this village.

John Davis and family now ride in a brand new Chevrolet automobile.

Little Miss LaVerne Winford spent last week with relatives in Thrall.

Messrs. J. S. Woody, Ted Adams and wife, T. P. Guthrie and family, John Davis and daughters, attended lecture presented by Hon. Pat Neff in Davilla Monday afternoon.

Misses Fannie and Minnie Young of Thorndale joined the campers here last weekend.

C. Yeager is recuperating in Marlin this week.

Just as we close our letter this morning the message of the sad death of Mrs. James A. Clark of this village reaches us. He has lived his allotted time, despite the many years of wretched health in his old days. He was a devout member of the Christian church and has made his home for numbers of years in San Gabriel. He leaves a wife and eight children and

many other relatives besides a large circle of friends to mourn his departure.

Rub-My-Tism is a powerful antiseptic; it kills the poison caused from infected cuts cures old sores, tetter, etc.

Cases of oak or ivy poisoning should be treated with Ballard's Snow Liniment. It is antiseptic and healing and a splendid remedy for such troubles. Three sizes, 30c 60c and \$1.20 per bottle. Sold by Pace-Marschall Drug Co.

DODSON TELLS THE HORROR OF CALOMEL

You Don't Need to Sicken, Grip, or Salivate Yourself to Start Liver.

You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile, dangerous calomel to start liver and bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling splendid. It is perfectly harmless, so give it to your children any time. It can't salivate.

EXPERIENCE PROVES QUININE IN CAPSULES UNRELIABLE

Several years ago a doctor called at my drug store and stated that he was getting no effect from quinine given in capsules to Mrs. ——. I answered "This is reasonable as quinine in capsules as well as pills and tablets is sometimes passed by the patient unchanged. Upon investigation he found this to be the case with this patient and was compelled to give quinine in liquid form to get any results." J. C. Mendenhall, 46 years a druggist, Evansville, Ind. Mendenhall's Chill & Fever Tonic is in solution quickly absorbed by the stomach so pleasant to the taste that children will ask for it. Mde with and without arsenic. Sold by Avera's Drug Store.

666 quickly relieves Constipation Bilioussness, loss of appetite and headaches, due to torpid liver.

A FOOL AT 40

It is an old proverb that every man is either a fool or a physician at 40. Well, I fooled along for 40 years in the practice of pharmacy and the study of medicine and therapeutics before I discovered the wonderful prescription for Number 40 For The Blood. There is more of this wonderful prescription sold and used by the people of our home city than all other blood medicines combined. It is indicated in all depraved conditions of the system; in blood troubles, in sores, ulcers, eczema and skin diseases; in chronic rheumatism, catarrh, constipation, stomach, kidney and liver troubles. J. C. Mendenhall, Evansville, Ind., 40 years a druggist. "I suffered from 12 to 18 months with a nervous breakdown, said by physicians to be sciatic neuralgia, causing general toxic poisoning. Seeing your advertisement in the San Antonio Express, I called on Dr. A. M. Fisher, Druggist. He recommended Number 40 which I have been using for three months and I have received great benefit from it. Sleep well, good appetite, have gained several pounds, get up feeling fresh every morning. Have no pains. My nervous system has become nearly normal. Respectfully, J. L. Dupree, 1715 Common St., Houston, Texas.

OAKDALE NEWS

By Mrs. S. Hause

Oakdale, June 21.—Oakdale is picking up. There was a couple of men who got together several days ago and decided to have an ice cream supper, so Saturday night they got a very good crowd, sold about ten gallons of cream, and had a good time all around.

Last Sunday Mrs. Cast, son Sam, daughter Ada, and Mr. and Mrs. Ben Allen Nicholson, all of Liberty, came to see some old friends, and the past Sunday Mr. and Mrs. William Immons with their two children went to Liberty to see the Cast family.

We had the rain every one most was wishing for, there was a man that said it had ruined the corn. We will not make a rubbing for the boys and cows (it would all be ears of corn).

Most everybody is through hoeing cotton.

Miss Chatman of Pettibone spent a part of last week with her brother, A. L. Chatman, and Sunday Mrs. Chatman had her brother and family with her.

Mrs. Dwight McDonald, of Cedar Creek, Miss Jodie Fortner and sister, Mrs. Fortner of South Milano, was in Milano Saturday evening.

Milano was well crowded Saturday, everybody seemed to want groceries that day.

Mrs. John Wilkerson went to her mother's Mrs. Hill's near Salem Saturday to can peaches.

Mr. and Mrs. Sid Hause were visiting the Clint Pierce family last Wednesday, and found an old friend there, Mrs. White, Mrs. Pierce's mother. She has been there since last March.

So the Liberty writer does not get all the news like myself, but I sure would have been glad to have known that Mrs. White was there.

Mr. A. R. O'Neal killed a very nice calf last Saturday. He had the 19th in his mind, but it began to rain before he got anywhere. He, of course, worked in the rain.

Mr. and Mrs. Eugene Hause was trading in Cameron Saturday and took dinner with his brother, John.

Mr. Lott Blackman of Coryell county, went to see his brother near Milano. He said we had better crops here than he has in Coryell. He may be thinking of coming back.

Mr. and Mrs. Clyde Hensley was over in the Liberty neighborhood Sunday, as his mother is there with her mother, Mrs. Westbrook, who is sick most of the time. Mrs. Hensley tells me that they went to see several of their relations while over there, but not staying long with anyone, that they have to make time count.

Mrs. A. W. Belt is very much improved. I stopped with her Saturday evening, coming home from Milano, where I went to take eggs.

Mr. and Mrs. O'Neal went below Rockdale Sunday to see one of her brothers, Mr. Arledge, who has been sick some time.

Mr. Dick Westbrook of Liberty was over Monday morning to see Mr. Sid Hause and while here he bought Mr. Hause's mower and rake. The way to sell anything is to advertise it and somebody will get it sure.

Miss Winnie Sims of Milano is visiting relatives at Deanyville.

Mr. G. P. Morgan and son of Palestine were visiting his mother in Milano this past week.

Mrs. Mary Pfardrescher of Houston, is at Curry this week to see her friend, Mrs. Pugh.

Mesdames Lee and Thomas Batey have been to Rice to see Mrs. Ernest Baldwin, they went at different times so it would last longer.

Mrs. H. R. Hairston of Milano has

gone to Santa Anna, a guest at the home of her brother, Mr. C. H. Hensley.

Mrs. R. S. Barrett and daughter, Miss Pauline, of Port Arthur are guests at the home of her sister's, Mrs. Allen.

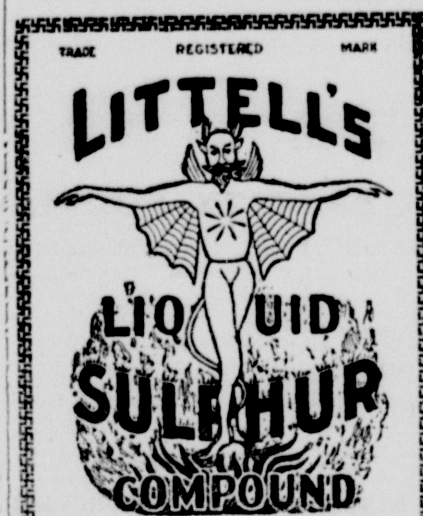

Last Sunday the 13th, a little boy was walking down the I. & G. N. track and discovered a broken rail. He notified the section foreman in time for him to flag down the train and the hands were called out and the track made passable again.

Representative C. M. Beard was home again Saturday evening from the Legislature at Austin.

Some of our people have been eating roasting ears, but we fry instead of roasting them. They taste better. Dr. F. A. Liddell left last Sunday for Atlanta, Georgia. He was accompanied by his sister (or daughter) Mrs. Low of Cameron, and her little son. They will visit a sister there and will be absent for two weeks.

George Clement and Fontaine Flinn, who have been attending A. & M. College for the past two years left last week for the Reserve Officers' Training Corps Camps. George Clement is at the Signal Corps R. O. T. C. Camp at Camp Alfred Vail, N. J. Fontaine Flinn is at the Infantry camp at Camp Jackson, S. C. They will return late in August and will attend A. & M. College next year. There are ten distinguished military colleges in the United States and for the past ten days Texas A. & M. has headed the list.

Judge and Mrs. W. H. Standfield and Mrs. Standfield's two sons, Earl Mizner and Ray Eyestone are spending the summer in Cameron.

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

Small size 50 cents bottle, Large size \$1.00
JAMES F. BALLARD, Prop. St. Louis, MO.

DOCTOR SAYS MENDENHALL'S CHILL TONIC BEST SUBSTITUTE FOR QUININE

J. S. Wells, M. D., Weidners, Ark. writes: "I have been practicing in Arkansas 20 years and constantly prescribe Mendenhall's Chill & Fever Tonic where quinine is contra-indicated for children and adults with weak stomachs. It sticks where others fail." We make chill tonic in two forms, one which contains no arsenic and one with red label containing 20 minims Fowler's Solution of Arsenic to each fluid ounce. Chill tonic with arsenic is indicated in chronic malarial anaemia (bloodlessness) general debility. Improves the condition of the blood when resulting from malarial influences. Arsenic is also useful in scaly skin eruptions and chronic eczema.

Sold by Avera's Drug Store.

Any floor can be made to look like hard wood by the use of

DEVOE Marble Floor Finish Stains

They Varnish and Stain in one operation giving a beautiful finish in Oak, Walnut, Mahogany, Malachite Green and Cherry. We recommend Marble Floor Finish Stain because like all other DEVOE products we carry, they are guaranteed to give satisfaction.

Remember—Paint Devoe Paint

Cornell-Wood-Board

Triple-sized, takes the place of plaster—for Walls, Ceilings, Partitions, Repairs, Alterations and New Work

for Garages

The Answer to the Housing Problem

THE problem of high rents and scarcity of quarters is being solved for thousands of American homes by the use of Cornell Wood Board walls and ceilings. Strong, rigid Cornell panels that take the place of plaster, quickly and inexpensively convert waste space such as the attic or spare room into an attractive, cozy guest-chamber, nursery, sewing room or den.

"Cornell 32" Will Add a Room

Cornell Wood Board of 32-inch width is especially adapted to hallways, ceilings and walls of small rooms, since it makes charming panel designs. It also gives the effect of height to walls with low ceilings. For large rooms, broad partitions and farm buildings "Cornell 48" is the ideal width. Cornell is sized internally to resist moisture, expansion and contraction and is

primed at the mill (both sides), which saves the cost and labor of a priming or sizing coat. The oatmeal finish takes a perfect spread of paint.

Every panel of Cornell Wood Board—whether "Cornell 32" or "Cornell 48"—is guaranteed not to crack, warp, buckle or chip, if directions for applying are followed.

Get us on the phone or call at our yards today for sample of this remarkable board

Milam County Lumber Company Cameron, Texas

Cornell comes in 32 and 48 inch widths, called "Cornell 32" and "Cornell 48"—8 different lengths, 6 to 16 feet

ROCKDALE OIL NEWS

Texas Eagle Co.'s two shallow tests on the Davis tract are going down rapidly and they expect to get oil within ten days.

Burgess & Morgan, on the Bauer tract, damaged an excavator tool at 200 feet the first of the week and were engaged in pulling casing. They expect to be drilling again in a few days.

The Avo people are pulling casing in their Gilliland No. 1 in preparation of resetting. Minor troubles have delayed this well coming in for several days.

The Dixie-Winner Co., are getting ready for their drilling operations by re-equipping some of the old wells on their lease. When put in condition these wells will furnish fuel oil for drilling purposes.

The Quebecaux well at Tracy last week passed through the first oil bearing sand, entering the sand at 354 feet and passing out at 370. A good showing of oil was had and if the second strata does not prove better the drillers will come back and pick up the first strata and call it a completed well.

F. B. Alexander of Dallas, was a Sunday visitor in Rockdale. He took with him some samples of the Rockdale shallow oil and cuttings from one of the drilling wells, and stated that with such samples he did not believe it would be any trouble to interest Dallas oil operators. He was very enthusiastic over indications.

Ed Hewitt of Houston, was circulating among the oil fraternity last week. Mr. Hewitt has on foot the organization of something big which will concern the shallow field of this section as well as cover all fields in the state. We will be privileged to say more about this project in the near future. Mr. Hewitt is a firm believer in the possibilities of deep oil in the Rockdale field.

Rod McDonald of Arizona, is in city this week and in company with E. P. Ridgeley has made quite a complete survey of the Rockdale oil field. Mr. McDonald is very favorably impressed with shallow showings here and is fully convinced that the deep oil will no doubt be brought to light by some of the deep tests now going down. He returns to headquarters this week and will very likely be back for further investigations in the near future.—Rockdale Reporter.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

RUPTURE EXPERT HERE

Seeley, Famous In This Specialty, Called to Temple

F. H. Seeley of Chicago and Philadelphia, the noted truss expert, will personally be at the Martin Hotel and will remain in Temple this Tuesday only, June 29th. Mr. Seeley says: "The Spermatheca Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast improvement over all former methods—exemplifying instantaneous effects, immediately appreciable and withstanding any strain or position. This instrument received the only award in England and in Spain producing results without surgery, injections, medical treatment or prescriptions. Mr. Seeley has documents from the United States government, Washington, D. C., for inspection. All charity cases without charge, or if any interrupted call he will be glad to show same without or fit them if desired. Business demands prevent stopping at any other place in this section.

P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

A card on Tuesday from the Henderson party who are touring California, said that they were in Los Angeles and had spent the day with an old Cameron girl, Mrs. King (nee Agnes Ledbetter).

We will receive Hogs Saturday and Monday at 100 pounds weight and up. R. L. Batte and Joe Schiller.

MAXWELL

1½ Ton Truck

Though nearly 20,000 Maxwell 1½ ton trucks have been built, there never has been a time when demand did not generously exceed the supply.

More miles per gallon
More miles on tires

ABBREVIATED SPECIFICATIONS

ENGINE—Four cylinders cast en bloc with Hot Spot and Ram's-horn intake manifold; cone clutch running in oil; transmission bolted to engine; bore, 3½ inches; stroke, 4½ inches.

GASOLINE SUPPLY—Capacity 10½ gallons; positive feed.

TRANSMISSION—Three-speed selective type.

STEERING—Left side drive; 18-inch steering wheel; irreversible worm steering gear, adjustable.

CONTROL—Gear shift lever in center of driving compartment and operated at right of driver; spark and throttle controls operated on quadrant underneath steering wheel; also foot accelerator.

WHEELBASE—124 inches.

TIRES—35 inches by 5 inches pneumatic cord.

REAR AXLE—Worm drive; semi-floating type; extra heavy malleable iron housing.

FRONT AXLE—Heavy drop-forged steel I-beam.

SPRINGS—Front, 38 inches long, 2¼ inches wide; rear, 52 inches long, 2¼ inches wide; both semi-elliptic.

FRAME—Pressed steel construction.

MATERIALS—All steel used throughout Maxwell trucks is made from our own formulae, as specified by our chief metallurgist.

CHASSIS EQUIPMENT—Electric generator, storage battery, electric head and tail lamps, electric horn, complete set of tools, including jack and tire pump with pneumatic tires; seat and front fenders.

Announcement

This is to announce to the general public that we have purchased the Tire Store Business and the agency for the celebrated Firestone and Racine cord and fabric tires from Mr. Frank S. Lesovsky.

This business will be in operation under the new management Friday of this week. In addition to the tire agency and tire stocks the business is one of the best equipped in the state for doing tire repairing and will be operated with the best and most expert workmanship available.

Mr. O. B. Horstmann, expert in vulcanizing will have charge of the business beginning Friday.

We will not only sell the best cord and fabric tires on the market but will sell a service that cannot be duplicated anywhere. We will appreciate your business and are looking forward to a continued patronage for this tire store.

August Horstmann,

THE BIG ELK

Dollars Are Seeds to Be Sown In the Field of Investment.
WILL YOU REAP A GOLDEN HARVEST?

We are offering the one big opportunity of the year in placing the stock of the Big Elk Refining Company on the market to investors both small and large. We have gone over the situation here in a careful and thorough manner and recommend this exceptional investment proposition to those who would advance a step in improving their chances of success.

Don't succumb to the world old curse of poverty.

We are going to build a 2000 barrel Refinery in Cameron to refine the oil already in paying quantities in Milam county fields. Drills are going day and night. The big strike will be made here. Now is the time to get in. It is the first clarion call of OPPORTUNITY to you. Refineries make multiplied millions of dollars annually for stock holders. Don't worry about where we will get the crude to refine—It's already here.

Oil must be refined. Shortage is enormous. Prices mounting. Come with the BIG ELK and win. Pioneering means everything. Don't wait. Send in that application TODAY.

Stockholders in Refineries GET BIG DIVIDENDS WITHOUT THE USUAL RISK taken by stockholders in speculative projects. It is a sure thing. Commercial reports and statistics show that Refineries not only pay enormous dividends, but, what is more important, they are PERMANENT DIVIDEND PAYERS.

NOTE THIS: The United States Committee on Public Lands brought out the fact, as reported in the Congressional Record that on 75,000,000 barrels of oil produced in Oklahoma

NET PROFITS of \$107,800.00 were made. Of this the land owner made \$5,450,000, the broker made \$2,400,000 company made \$10,790,000 and the refinery company that bought and refined the oil made \$86,250,000.

Please note that the big profit went to the company buying and refining the oil.

The Southern Refinery at Yale Oklahoma, paid for itself in sixty days.

The Dixie Company at San Antonio, Texas, a new company, paid the first

eight months, 165 per cent on its capital.

The Ponca City Refinery, Ponca City, Oklahoma, in four years, paid 400 per cent in dividends and sold out netting its stockholders \$2,350 for each \$100 invested.

And there are many other such examples we could cite to show the magnitude of the possibilities for rich dividends to the small as well as large investors.

Such opportunities come but few times in a lifetime. The ground

floor means everything. If you wait you can't get in. Once a company is operating there is no stock for sale and consequently no opportunity to invest.

The Big Elk Refining Company understands the refining business and knows what it will pay.

Oil is flowing from wells in Tracy, Gushers will soon be brought in if geological and structural facts may be relied upon. This crude oil must be refined. Cameron is the logical point.

Already pipe lines are being surveyed out. This will be the terminal for the wealth that is soon to pour in from that field. Millionaires are going to be made in Milam county oil. Independent fortunes are going to be made from refinery dividends.

This is the clarion call of opportunity to you.

There is a vast difference between a speculative project and an investment. This is an investment, not a speculation. Get in with opportunity's first rap.

What This Refinery Means

The following tabulation of figures are based on a 2000 barrel daily capacity. Forty-two gallons per barrel, car load lots f. o. b. refinery.

30 per cent gasoline, or 25,200 gallons at 18 cents per gallon equals \$4,536 daily.

15 per cent Pale Oil, or 12,600 gallons at 10½ cents per gallon, equals \$1890 daily.

20 per cent kerosene, or 16,800 gallons at 7½ cents per gallon equals \$1260 daily.

10 per cent gas-oils or 8400 gallons at 5 cents per gallon, equals \$420 daily.

20 per cent grease stock, 16,800 gallons at 16 cents per gallon, equals \$1728 daily.

Gross daily income \$9,834.

Less cost of crude oil and operating expenses.

2000 barrels crude oil at \$2.40 per barrel.....\$4,800.00

Fuel, Labor and Water per day.....250.00

Insurance and Depreciation.....50.00

Overhead and Miscellaneous.....50.00

Total Daily Expenses\$5,150.00

ACTUAL TOTAL NET DAILY PROFIT \$4,684.00

Counting 360 working days in a year would give our shareholders an annual profit of \$1,686,240.00.

Fifty per cent of the earnings of this company shall be paid to the shareholders of said company at least once a year. Dividends shall be paid quarterly.
